Contemporary Wesleyan Theology:

A Contemporary Wesleyan Theology Charles Webb Carter, R. Duane Thompson, Charles R. Wilson, 1983 Rethinking Wesley's Theology for Contemporary Methodism Randy L. Maddox, 1998 One of the most surprising developments in contemporary Methodist theology is the degree to which leading Methodist and Wesleyan systematic theologians are reengaging John Wesley finding his works instructive provocative and stimulating for their own theological reflection Such a broad and purposeful dialogue with Wesley by theologians of the Wesleyan heritage is unprecedented in this century and much rarer in the previous century than is popularly believed This volume presents a set of original essays that represent and embody this new engagement allowing the reader to see how several prominent theologians are self consciously reexamining and reappropriating their theological tradition *Mercy Immense and Free* Victor A. Shepherd, 2010 This volume celebrates the Wesleyan scholarship of Victor Shepherd the first professor to occupy the Chair of Wesley Studies at Tyndale University College Seminary in Toronto Canada The essays collected here explore not only the life and theology of John and Charles Wesley but also many themes relating to the contemporary Wesleyan tradition especially within the Canadian context Attention is given to the intellectual social and religious context of John Wesley's theology as well as to the ecumenical significance of a theologian who is seen to relate readily to many different families within the universal church A pastor for four decades Shepherd's thought always reflects Wesley's insistence on practical divinity or theology not oriented to speculation but rather to the concrete concerns of the people of God in their engagement with the treachery of their own hearts and the turbulence in the wider world Victor A. Shepherd is Professor of Theology and Professor of Philosophy at Tyndale University College Seminary Toronto and Professor Ordinarius for the Graduate Theological Foundation University of Oxford He is also an adjunct professor at the Toronto School of Theology University of Toronto where he supervises doctoral students in Reformation studies Puritan thought the theology of the eighteenth century Awakening and contemporary theology He is currently a member of the Evangelical Roman Catholic Dialogue an undertaking of the Evangelical Fellowship of Canada and the Canadian Conference of Catholic Bishops His other books include *Interpreting Martin Luther An Introduction to His Life and Thought* Regent College Publishing and *The Nature and Function of Faith in the Theology of John Calvin* Mercer University Press *A contemporary Wesleyan Theology* Charles W. Carter, 1992 John Wesley's Theology Today Colin Wilbur Williams, 1960 The author points to Wesleyan theology issues of vital importance and interest to contemporary Christians **An Introduction to Wesleyan Theology** William M. Greathouse, H. Ray Dunning, 1988-06 One of the best overviews of historical and contemporary Wesleyan thought available **Divine Grace and Emerging Creation** Thomas Jay Oord, 2009-05-01 Wesleyans and Wesleyan theology have long been interested in the sciences John Wesley kept abreast of scientific developments in his own day and he engaged science in his theological construction *Divine Grace and Emerging Creation* offers explorations by contemporary scholars into the themes and issues

pertinent to contemporary science and Wesleyan Theology In addition to groundbreaking research by leading Wesleyan theologians Jürgen Moltmann contributes an essay Moltmann's work derives from his keynote address at the joint Wesleyan Theological Society and Society for Pentecostal Studies meeting on science and theology at Duke University Other contributions address key contemporary themes in theology and science including evolution ecology neurology emergence theory intelligent design scientific and theological method and biblical cosmology John Wesley's own approach to science explored by many contributors offers insights for how two of humanity's central concerns science and theology can now be understood in fruitful and complementary ways *The Continuing Relevance of Wesleyan Theology* Nathan

Crawford, 2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation **A Contemporary Wesleyan Theology**, 1983 *Methodist and Radical* Joerg Rieger, John J. Vincent, 2003 The

thoughts and beliefs of John Wesley and the Early Methodist traditions are frequently related to recent progressive tendencies in theology There are numerous parallels between contemporary interests in people at the margins and Wesley's concern for poor people and his commitments to the sick and imprisoned In this volume contributors from diverse backgrounds in the United States and around the globe reflect on radical and liberation traditions in Methodism in their own context In conversation with contemporary Methodism and the Wesleyan heritage each chapter focuses on the question of how radical and liberation traditions provide new visions for the present and future of the church Contributors Jose Miguez Bonino Rebecca S Chopp Stephen G Hatcher Jione Havea Theodore Jennings Jr Cedric Mayson Mercy Amba Oduyoye Andrew Sung Park Jong Chun Park Harold J Recinos Joerg Rieger John J Vincent and Josiah U Young III **Wesleyan Theology and**

Contemporary Culture Rob L. Staples, 1973 *The Cambridge Companion to John Wesley* Randy L. Maddox, Jason E. Vickers, 2009-11-13 A leading figure in the Evangelical Revival in eighteenth century England John Wesley 1703-91 is the founding father of Methodism and by extension of the Holiness and Pentecostal movements This Cambridge Companion offers a general comprehensive introduction to Wesley's life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives including history literature theology and religious studies this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time

The Oxford Handbook of Methodist Studies William J. Abraham, James E. Kirby, 2009-09-24 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship forms mission ecumenism and engagement with contemporary ethical and political debate

The Form and Power of Religion Laura Bartels Felleman, 2012-10-24 In Thoughts Upon Methodism John Wesley shared his hopes and fears for the future of his religious movement The article contains this well known passage I am not afraid that the people called Methodists should ever cease to exist either in Europe or America But I am afraid lest they should only exist as a dead sect having the form of religion without the power And this undoubtedly will be the case unless they hold fast both the doctrine spirit and discipline with which they first set out The Form and Power of Religion unpacks this statement by explaining what Wesley meant by the form and power of religion identifying what Methodist Doctrine Spirit and Discipline were according to Wesley and discussing how these aspects of Methodism worked together to maintain the vitality of the Revival The book concludes with an evaluation of Wesley s theory of Methodist Vitality and discusses its viability as a basis for contemporary Church Vitality programs

A Contemporary Wesleyan Theology Charles Webb Carter, R. Duane Thompson, Charles R. Wilson, 1992

Suffering in Contemporary Wesleyan Theological Perspective Kalie Maree Webb, 2015 Understandings of sufferings by Melbourne Salvationists were explored in an online survey and compared with editions of The Salvation Army s Handbook of Doctrine 1881 2010 and The Officer magazine 1989 2015 Themes emerged that when informed by contemporary Wesleyan theology consider God s sovereignty explore doubt reflect on scripture experience reason and tradition University of Divinity document repository

Paul, the Community, and Progressive Sanctification James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God s transformative activity

culminates with the community rather than the individual the goal of which is to reveal God's glory to the broader creation

Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics The Theology of John Wesley
Prof. Kenneth J. Collins, 2011-07-01 A rich articulation of John Wesley's theology that is appreciative of the old and mindful of the new faithful to the past and attentive to the present This work carefully displays John Wesley's eighteenth century theology in its own distinct historical and social location but then transitions to the twenty first century through the introduction of contemporary issues So conceived the book is both historical and constructive demonstrating that the theology of Wesley represents a vibrant tradition Cognizant of Wesley's own preferred vocabulary Collins introduces Wesley's theological method beginning with a discussion of the doctrine of God In this insightful exposition the leitmotif of holy love arises out of Wesley's reflection on the nature of the divine being as well as other major doctrines Douglas Meeks **Four Views on Eternal Security** Zondervan, 2011-10-11 Does the Bible support the concept of once saved always saved or can a person lose his or her salvation Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints How do the Scriptures portray the complex interplay between grace and free will These and related questions are explored from different angles in this thought provoking Counterpoints volume The contributors each state their case for one of four prominent views on eternal security Classical Calvinist presented by Michael S Horton Moderate Calvinist presented by Norman L Geisler Reformed Arminian presented by Stephen M Ashby Wesleyan Arminian presented by J Steven Harper In keeping with the forum approach of the Counterpoints series each view is first presented by its proponent then critiqued and defended This fair and respectful approach allows you to weigh for yourself the strengths and weaknesses of the different doctrinal stances By furnishing you with scholarly and thoughtful perspectives on the topic of eternal security this book helps you sift through opposing views to arrive at your own informed conclusions
