The Chimpanzees of Bossou and Nimba Tetsuro Matsuzawa, Tatyana Humle, Yukimaru Sugiyama, 2011-05-06 The chimpanzees of Bossou in Guinea West Africa form a unique community which displays an exceptional array of tool use behaviors and behavioral adaptations to coexistence with humans This community of Pan troglodytes verus has contributed more than three decades of data to the field of cultural primatology especially chimpanzees flexible use of stones to crack open nuts and of perishable tools during foraging activities The book highlights the special contribution of the long term research at Bossou and more recent studies in surrounding areas particularly in the Nimba Mountains and the forest of Di ck to our understanding of wild chimpanzees tool use cognitive development lithic technology and culture This compilation of research principally strives to uncover the complexity of the mind and behavioral flexibility of our closest living relatives This work also reveals the necessity for ongoing efforts to conserve chimpanzees in the region Chimpanzees have shed more light on our evolutionary origins than any other extant species in the world yet their numbers in the wild are rapidly declining In that sense the Bossou chimpanzees and their neighbors clearly embody an invaluable cultural heritage for humanity as a whole Readers can enjoy video clips illustrating unique behaviors of Bossou chimpanzees in an exclusive DVD accompanying the hardcover or at a dedicated website described in the softcover

Literatures in African Languages B. W. Andrzejewski, S. Pilaszewicz, W. Tyloch, 1985-11-21 Although African literatures in English and French are widely known outside Africa those in the African languages themselves have not received comparable attention In this book a number have been selected for survey by fourteen specialist writers providing the reader with an introduction to this very wide field and a body of reference material which includes extensive bibliographies and biographical information on African authors Theoretical issues such as genre divisions are discussed in the essays and the historical social and political forces at work in the creation and reception of African literature are examined Literature is treated as an art whose medium is language so that both the oral and written forms are encompassed This book will be of value not only to readers concerned with the cultures of Africa but to all those with an interest in the literary phenomena of the world in general *Ibss: Anthropology: 1975* International Committee for Social Scien, 1978-08-24 First published in 1978 Routledge is an imprint of Taylor Francis an informa company Journal of the Anthropological Society of Oxford Anthropological Society of Oxford, 1982
