Context Of Human Discourse A Configurational Criticism Of Rhetoric:

The Context of Human Discourse Eugene Edmond White, 1992 Offers a way of looking at rhetoric that is more comprehensive more realistic more rewarding than current views *Landmark Essays on Rhetorical Criticism* Thomas W. Benson, 1993 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company Consolatory Rhetoric Donovan J. Ochs, 1993 Consolatory Rhetoric explores Greco Roman funeral rituals to reveal how opposing symbols functioned rhetorically to comfort communities afflicted by the death of one of their members While the bulk of rhetorical criticism interprets written texts Donovan Ochs broadens the traditional focus to consider non verbal symbols as well as action and object languages Ochs demonstrates that non discursive dimensions of Greco Roman burial rites held a place of particular persuasive significance in consoling the populace and he attributes funeral customs practiced in contemporary western civilization to the legacy left by the ancient Greeks and Romans *She Must and Shall Go Free* Matthew S.

Harmon, 2010-08-31 Scholars have long recognized the importance of Paul's citations from the Pentateuch for understanding the argument of Galatians But what has not been fully appreciated is the key role that Isaiah plays in shaping what Paul says and how he says it even though he cites Isaiah explicitly only once Isaiah 54:1 in Galatians 4:27 Using an intertextual approach to trace more subtle appropriations of Scripture i.e. allusions echoes and thematic parallels Harmon argues that Isaiah 49:54 in particular has shaped the structure of Paul's argument and the content of his theological reflection in Galatians Each example of Isaianic influence is situated within its original context as well as its new context in Galatians Attention is also paid to how those same Isaianic texts were interpreted in Second Temple Judaism providing the larger interpretive context within which Paul read Scripture The result is fresh light shed on Paul's self understanding as an apostle to the Gentiles the content of his gospel message his reading of the Abraham story and the larger structure of Galatians

Securitization Theory Thierry Balzacq, 2010-09-13 This volume aims to provide a new framework for the analysis of securitization processes increasing our understanding of how security issues emerge evolve and dissolve Securitisation theory has become one of the key components of security studies and IR courses in recent years and this book represents the first attempt to provide an integrated and rigorous overview of securitization practices within a coherent framework To do so it organizes securitization around three core assumptions which make the theory applicable to empirical studies the centrality of audience the co dependency of agency and context and the structuring force of the dispositif These assumptions are then investigated through discourse analysis process tracing ethnographic research and content analysis and discussed in relation to extensive case studies This innovative new book will be of much interest to students of securitisation and critical security studies as well as IR theory and sociology Thierry Balzacq is holder of the Tocqueville Chair on Security Policies and Professor at the University of Namur He is Research Director at the University of Louvain and Associate Researcher at the Centre for European Studies at Sciences Po Paris Discourses of War and Peace Adam

Hodges,2013-08-15 Discourses of War and Peace examines specific contexts around the globe in which discourse operates in the service of war and to build alternative visions of peace *The Curse of the Law and the Crisis in Galatia* Todd A. Wilson,2018-09-12 Todd Wilson assesses Paul's references to the Law in the so called ethical section of Galatians in light of a fresh appraisal of the Galatian crisis He contributes to the continuing debate over the relevance of this section of the letter for the rest of Galatians and for the situation in Galatia **The Sixth Canon** Barbara Warnick,1993 Traces the influence of Cartesian psycho physiology the British empiricism on British rhetoricians of the late eighteenth century **International Encyclopedia of Organization Studies** Stewart Clegg,James R. Bailey,2008 Describing the field spanning individual organisation societal and cultural perspectives in a cross disciplinary manner this is the premier reference tool for students lecturers academics and practitioners to gather knowledge about a range of important topics from the perspective of organisation studies **Фоностилістика. Практичний курс. [англ.]** Штакіна Л. О., *Exploring Intertextuality* B. J. Oropeza,Steve Moyise,2016-09-20 This book aims to provide advanced students of biblical studies seminarians and academicians with a variety of intertextual strategies to New Testament interpretation Each chapter is written by a New Testament scholar who provides an established or avant garde strategy in which 1 The authors in their respective chapters start with an explanation of the particular intertextual approach they use Important terms and concepts relevant to the approach are defined and scholarly proponents or precursors are discussed 2 The authors use their respective intertextual strategy on a sample text or texts from the New Testament whether from the Gospels Acts Pauline epistles Disputed Pauline epistles General epistles or Revelation 3 The authors show how their approach enlightens or otherwise brings the text into sharper relief 4 They end with recommended readings for further study on the respective intertextual approach This book is unique in providing a variety of strategies related to biblical interpretation through the lens of intertextuality **Augustine and Rhetoric** ,2023-11-27 This volumes examines the place of classical rhetoric in Augustine's theology Rather than seeing rhetoric as a matter only of style the authors examine the argumentative techniques that Augustine would have learned and taught as a professional rhetorician Essays pay particular attention to the rhetorical practice of invention in order to uncover the ways in which Augustine's thought is not only expressed rhetorically but constructed rhetorically as well If you want to know what kind of rhetoric Augustine used in the actual practice as a Christian writer and preacher this volume will answer your question **LBJ's American Promise** Garth E. Pauley,2006-12-01 Though Lyndon Johnson developed a reputation as a rough hewn arm twisting deal maker with a drawl at a crucial moment in history he delivered an address to Congress that moved Martin Luther King Jr to tears and earned praise from the media as the best presidential speech in American history Even today his voting rights address of 1965 ranks high not only in political significance but also as an example of leadership through oratory Garth E Pauley carefully analyzes both the content and the context of this historic speech He begins with an analysis of the less than linear path of voting rights in the United States and highlights the failures and limited successes of

previous legislation Many commentators have seen Johnson's voting rights speech as a response to the escalating protests in Selma and Pauley explores that connection Did Johnson wait too long to address the issue Would he have championed voting rights without the protests Pauley traces the development of the speech and the policy with these questions in mind He situates the speech not only within its immediate context but also within Johnson's ideology and value system tracing the influences on Johnson's racial attitudes and describing the complex of policies he developed to address issues of inequality Having set the stage for the address Pauley then carefully analyzes the text itself He charts the authorship of the speech through several drafts by aides traces the purposefulness of the allusions and recounts the extemporizing Johnson introduced when he actually delivered the address He notes the idealistic even mythic dimensions of the speech which contrast with its plainspoken style Finally Pauley gauges the effectiveness of the speech He reports the response to the address in the media among civil rights leaders and in the general population Pauley concludes with some reservations about the effectiveness not only of this address but also of the Johnson program for racial justice Nonetheless he believes that Lyndon Johnson's We Shall Overcome speech remains a remarkable achievement combining principle with rhetorical leadership

A Ricoeurian Analysis of Identity Formation in Philippians Dr Scott Ying Lam Yip, 2024-12-26 Scott Yip Ying Lam explores the process through which Paul shapes the identity of the Philippian community against other opponents via Ricoeur's concept of narrative identity *The QUARTERLY JOURNAL of SPEECH*, 1994 *Reading Rhetorical Texts* James Robertson Andrews, Michael C. Leff, Robert Terrill, 1997 This book is designed to orient the beginning student to the nature and function of rhetorical criticism to acquaint the student with those elements in the rhetorical situation that warrant serious attention and to teach the student a useful strategy with which to begin to practice criticism The focus of this book is clearly on public speeches Along with mastering basic concepts the beginning critic will also be given the opportunity to begin grappling with fundamental and enduring critical issues The authors have included in this book texts and examples of how critics have studied those texts They also offer two historical texts along with their own critical readings of those texts The book then presents two texts and illustrations of the various critical responses to these texts The first text is Richard Nixon's Address on the Vietnam War and the second is Jesse Jackson's Common Ground and Common Sense Finally several examples of critical readings by rhetorical scholars illustrate different ways to approach texts Pref

The Rhetoric of Abraham's Faith in Romans 4 Andrew Kimseng Tan, 2018-04-20 Explore Romans 4 from a sociorhetorical perspective Andrew Kimseng Tan examines Romans using sociorhetorical interpretation to determine how Paul attempted to alleviate dissension between Judean or Jewish and non Judean or gentile Christians Through his analysis of Paul's rhetoric Tan reveals that Paul used Abraham's faith in Genesis to demonstrate that the both groups were equally children and heirs of Abraham whose acceptance by God was through the same kind of faith that Abraham possessed not through the Mosaic law which Judean Christians claimed gave them a special honored status with God Features A model for the application of sociorhetorical

interpretation for analyzing close readings of biblical texts A demonstration of the persuasive power of Romans 4 through the use of sociorhetorical interpretation Exploration of the relationships between important theological topics such as resurrection the Mosaic law the Holy Spirit righteousness ethical living and eschatological salvation

Medhurst, 2020-08-26 This volume traces the historical evolution of American academic thought concerning public address what it is how it ought to be studied and what can be learned by engaging rhetorical texts in an analytical fashion To begin one must distinguish among three separate but interrelated uses of the term public address as practice theory and criticism The essays in this volume represent landmarks in the literal sense of that term they are marks on the intellectual landscape that indicate where scholars and ideas have passed and in that passing left a mark for future generations It is appropriate to revisit the landmarks that have set public address off as a field of study and it allows readers to remember the struggles that have led to the current situation Most of the authors of the following chapters are deceased but their ideas live on transformed adapted modified rejected and reborn The scholarly dialectic continues What constitutes a study in public address how best to approach rhetorical texts which analytical tools are required for the job how best to balance text with context and what role ought theory to play in the conduct or outcome of critical inquiry these questions live on To answer them at all is to engender debate and that is how it should be if the intellectual vitality of public address is to be maintained The papers are a prolegomenon to such studies for they mark where scholars have been and point the way to where they still must go
