

CONTEXTS OF JUSTICE

Political Philosophy beyond Liberalism and Communitarianism

Rainer Forst

Translated by John M. M. Farrell

Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism

**Matej Avbelj, Filippo
Fontanelli, Giuseppe Martinico**

Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism:

Contexts of Justice Rainer Forst, 2002-02-27 This text offers an intervention into the debate between communitarianism and liberalism It argues for a theory of contexts of justice that leads beyond the confines of the debate as it has been understood and posits the possibility of a new conception of social and political justice **Republican Democracy** Andreas Niederberger, 2015-04-20 This book explores the relationship between democracy and republicanism and its consequences and articulates new theoretical insights into connections between liberty law and democratic politics Contributors include Philip Pettit John Ferejohn Raine **Where Law Meets Reality** Moses Chrispus Okello, 2012-07-05 Considering the core debates about how to develop a transitional justice agenda that best responds to the African context this book addresses the tension between justice peace and reconciliation **Regulating from Nowhere** Douglas A. Kysar, 2010-06-22 Drawing insight from a diverse array of sources including moral philosophy political theory cognitive psychology ecology and science and technology studies Douglas Kysar offers a new theoretical basis for understanding environmental law and policy He exposes a critical flaw in the dominant policy paradigm of risk assessment and cost benefit analysis which asks policymakers to in essence regulate from nowhere As Kysar shows such an objectivist stance fails to adequately motivate ethical engagement with the most pressing and challenging aspects of environmental law and policy which concern how we relate to future generations foreign nations and other forms of life Indeed world governments struggle to address climate change and other pressing environmental issues in large part because dominant methods of policy analysis obscure the central reasons for acting to ensure environmental sustainability To compensate for these shortcomings Kysar first offers a novel defense of the precautionary principle and other commonly misunderstood features of environmental law and policy He then concludes by advocating a movement toward environmental constitutionalism in which the ability of life to flourish is always regarded as a luxury we can afford Consensus as Democracy in Africa Bernard Matolino, 2018-12-28 Some philosophers on the African continent and beyond are convinced that consensus as a polity represents the best chance for Africa to fully democratise In *Consensus as Democracy in Africa* Bernard Matolino challenges the basic assumptions built into consensus as a social and political theory Central to his challenge to the claimed viability of consensus as a democratic system are three major questions Is consensus genuinely superior to its majoritarian counterpart Is consensus itself truly a democratic system Is consensus sufficiently different from the one party system In taking up these issues and others closely associated with them Matolino shows that consensus as a system of democracy encounters several challenges that make its viability highly doubtful Matolino then attempts a combination of an understanding of an authentic mode of democracy with African reality to work out what a more desirable polity would be for the continent A Critical Theory of Global Justice Malte Frøslee Ibsen, 2022-11-24 The idea of a critical theory is famous across the world yet it is today rarely practised as originally conceived by the Frankfurt School The waning influence of critical theory in the contemporary academy may be due to its

lack of engagement with global problems and the postcolonial condition This book offers the first systematic treatment of the idea of a critical theory of world society advancing the conversation between critical theory and postcolonial and ecological thought Malte Frislev Ibsen develops a reconstruction of the Frankfurt School tradition as four paradigms of critical theory in original interpretations of the work of Max Horkheimer Theodor W Adorno Jürgen Habermas and Axel Honneth and considers how the global context has featured in their work and what might be salvaged for a critical theory of contemporary world society Along the way Ibsen advances new interpretations of the relationship between critical theory and justice the idea of communicative freedom and three conceptions of power in the Frankfurt School tradition He further offers extended discussions of two emerging paradigms in the work of Amy Allen and Rainer Forst and argues that a critical theory of world society must combine and integrate a Kantian constructivist approach in a critique of global injustice as Forst defends with the reflexive check of a self problematizing critique of its blind spots and taken for granted assumptions regarding the postcolonial condition as defended by Allen Finally Ibsen rethinks the relationship between society and nature in critical theory with far reaching normative and methodological implications

The culture of toleration in diverse societies

Catriona McKinnon, Dario Castiglione, 2018-07-30 This electronic version has been made available under a Creative Commons BY-NC-ND open access license The idea of toleration as the appropriate response to difference has been central to liberal thought since Locke Although the subject has been widely and variously explored there has been reluctance to acknowledge the new meaning that current debates on toleration have when compared with those at its origins in the early modern period and with subsequent discussions about pluralism and freedom of expression This collection starts from a clear recognition of the new terms of the debate It recognises that a new academic consensus is slowly emerging on a view of tolerance that is reasonable in two senses Firstly of reflecting the capacity of seeing the other's viewpoint secondly on the relatively limited extent to which toleration can be granted It reflects the cross thematic and cross disciplinary nature of such discussions dissecting a number of debates such as liberalism and communitarianism public and private multiculturalism and the politics of identity and a number of disciplines moral legal and political philosophy historical and educational studies anthropology sociology and psychology A group of distinguished authors explore the complexities emerging from the new debate They scrutinise with analytical sophistication the philosophical foundation the normative content and the broadly political implications of a new culture of toleration for diverse societies Specific issues considered include the toleration of religious discrimination in employment city life and community social ethos publicity justice and reason and ethics The book is unique in resolutely looking forward to the theoretical and practical challenges posed by commitment to a conception of toleration demanding empathy and understanding in an ever diversifying world

Reclaimative Post-Conflict Justice Janet C.

Gerson, Dale T. Snauwaert, 2021-06-15 This book presents an important contribution to our understanding of post conflict justice as an essential element of global ethics and justice through an exploration of the World Tribunal on Iraq WTI The

2003 War in Iraq provoked worldwide protests and unleashed debates on the war's illegitimacy and illegality. In response, the WTI was organized by anti-war and peace activists, international law experts and ordinary people who claimed global citizens' rights to investigate and document the war responsibilities of official authorities, governments and the United Nations as well as their violation of global public will. The WTI's democratizing experimental form constituted a reclaimative post-conflict justice, a new conceptualization within the field of post-conflict and justice studies. This book serves as a theoretical and practical guide for all who seek to reclaim deliberative democracy as a viable foundation for revitalizing the ethical norms of a peaceful and just world order.

Teaching Peace as a Matter of Justice Dale T. Snauwaert, 2023-07-07 This book explores the normative dimensions of peace studies and peace education through the lens of moral and political philosophy. The purpose is to explore the idea of peace as a matter of justice and to articulate a pedagogical framework for the development and exercise of citizens' capacities for moral reasoning and judgment regarding potential responses to the basic questions of justice, including resisting injustice. The just conditions necessary for peace are contingent upon the informed participation of democratic citizens who are capable of becoming dynamic agents of justice. The development of citizens' capacity for moral reasoning and judgment is of paramount importance for it constitutes a necessary condition for the realization of justice and peace on all levels of human society, from local to global. The book will be of interest to both students and all those interested in thinking about peace as a matter of justice.

Justice, Democracy and the Right to Justification Rainer Forst, 2014-06-19 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. Over the past 15 years, Rainer Forst has developed a fundamental research programme within the tradition of Frankfurt School Critical Theory. The core of this programme is a moral account of the basic right of justification that humans owe to one another as rational beings. This account is put to work by Forst in articulating both historically and philosophically the contexts and form of justice and of toleration. The result is a powerful theoretical framework within which to address issues such as transnational justice and multicultural toleration. In this volume, Forst sets out his ideas in an extended essay which is responded to by influential interlocutors including Andrea Sangiovanni, Amy Allen, Kevin Olson, Anthony Laden, Eva Erman and Simon Caney. The volume concludes with Forst's response to his interlocutors.

Kadi on Trial Matej Avbelj, Filippo Fontanelli, Giuseppe Martinico, 2014-07-11 The judgment of the European Court of Justice concerning the Kadi case has raised substantive and procedural issues that have caught the attention of scholars from many disciplines, including EU law, constitutional law, international law and jurisprudence. This book offers a comprehensive view of the Kadi case and explores specific issues that are anticipated to resonate beyond the immediate case from which they derive. The first part of the volume sets out an analysis of the new judgment of the Court favouring a contextual reading of what is the latest link in a judicial chain. The following three parts offer interdisciplinary accounts of the decision of the European Court of Justice, including legal theory, constitutional law and international law. The

book closes with an epilogue by Ernst Ulrich Petersmann who studies the role of the Kadi case in the methodology of international law and its contribution to the concept of global justice The book brings together legal scholars from a range of fields and discusses pressing topics such as the European Union's objective of the strict observance and the development of international law the EU as a site of global governance constitutional pluralism and the protections of fundamental rights

Axel Honneth: Critical Essays Danielle Petherbridge, 2011-08-11 Axel Honneth Critical Essays brings together a collection of critical interpretations on the work of Axel Honneth from his earliest writings on philosophical anthropology his reappraisal of critical theory and critique of post structuralism to the development and extension of the theory of recognition his debate with Nancy Fraser and his most recent work on reification The book also includes a comprehensive reply by Axel Honneth that not only addresses issues and concerns raised by his critics but also provides significant insights and clarifications into his project overall The book will be essential reading for all those interested in Honneth's work and in critical theory philosophy and social theory more generally

Democratic Delusions Natalie Fenton, 2024-10-07 A free media is inextricably linked to a healthy democracy but in many parts of the world liberal democracies are deemed to be dying or on the demise a demise that many forms of media have enabled while heralding themselves as democracy's saviour The hollowing out of democracy in these ways has left many people questioning the value of neo liberal democratic societies What can we do about it Democratic Delusions explores the potential of our media and tech systems to be democratic and contribute to a just and transformative democracy This is only possible Natalie Fenton argues by first situating our political systems and mediated worlds within global capitalism By interrogating different media and their relationship to seven key elements of democracy power participation freedom equality public good trust and hope the book asks What is the response of society when the ability of news media to speak truth to power has been restricted by corporate logic And how do we tackle a deep rooted market logic that shifts public debate towards private interest and marginalizes progressive perspectives The book explores how these elements can be reimagined through newly conceived media and tech landscapes and ultimately what democracy might be in a future mediated world that places more power in the hands of more people This is essential reading for students and scholars of media and communications journalism political communications political science and sociology

Beyond Race, Sex, and Sexual Orientation Sonu Bedi, 2013-09-02 The conventional interpretation of equality under the law singles out certain groups or classes for constitutional protection women racial minorities and gays and lesbians The United States Supreme Court calls these groups suspect classes Laws that discriminate against them are generally unconstitutional While this is a familiar account of equal protection jurisprudence this book argues that this approach suffers from hitherto unnoticed normative and political problems The book elucidates a competing extant interpretation of equal protection jurisprudence that avoids these problems The interpretation is not concerned with suspect classes but rather with the kinds of reasons that are already inadmissible as a matter of constitutional law This

alternative approach treats the equal protection clause like any other limit on governmental power thus allowing the Court to invalidate equality infringing laws and policies by focusing on their justification rather than the identity group they discriminate against

The Ashgate Research Companion to Ethics and International Relations Professor Patrick Hayden, 2013-03-28 This indispensable research companion widens the perspective of moral consideration in international relations from ethics and international relations to ethics in international relations redressing the misperception that ethical concepts principles norms and rules are not in part constitutive of the international system and the agents acting within that system

The Habermas Handbook Hauke Brunkhorst, Regina Kreide, Cristina Lafont, 2017-10-24 Jürgen Habermas is one of the most influential philosophers of our time His diagnoses of contemporary society and concepts such as the public sphere communicative rationality and cosmopolitanism have influenced virtually all academic disciplines spurred political debates and shaped intellectual life in Germany and beyond for more than fifty years In *The Habermas Handbook* leading Habermas scholars elucidate his thought providing essential insight into his key concepts the breadth of his work and his influence across politics law the social sciences and public life This volume offers a comprehensive overview and an in depth analysis of Habermas's work in its entirety After examining his intellectual biography it goes on to illuminate the social and intellectual context of Habermasian thought such as the Frankfurt School speech act theory and contending theories of democracy The Handbook provides an extensive account of Habermas's texts ranging from his dissertation on Schelling to his most recent writing about Europe It illustrates the development of his thought and its frequently controversial reception while elaborating the central ideas of his work The book also provides a glossary of key terms and concepts making the complexity of Habermas's thought accessible to a broad readership

Solidarity in Individualized Societies Søren Juul, 2013-02-11 In today's individualized culturally diverse and globalized society many sociologists have concluded that the conceptualizations developed by classical sociology are no longer sufficient to promote social cohesion So what kind of solidarity can achieve this Engaging with recent thought in social and political theory and philosophy including Honneth Forst Ricoeur Bauman Sennett Taylor Rawls MacIntyre and many others this book develops a renewed concept of solidarity based on the notion of recognition with regard to others With attention to the implications of such an account for justice and judgement particularly where competing claims for recognition arise *Solidarity in Individualized Societies* examines what in a society based on recognition a fair distribution of recognition would mean The book provides a critical analysis of trends in modern culture and in the policy on welfare that seem to constitute obstacles to solidarity and social cohesion It is a rigorous examination of forms of solidarity that may sustain social cohesion in the contemporary Western world This book will appeal to scholars and students of sociology social theory politics and philosophy

Handbook of Research Methods in International Relations Huddleston, R. J., Jamieson, Thomas, James, Patrick, 2022-08-05 Drawing together international experts on research methods in International Relations IR this Handbook answers the complex practical questions for those

approaching a new research topic for the first time Innovative in its approach it considers the art of IR research as well as the science offering diverse perspectives on current research methods and emerging developments in the field The Oxford Handbook of Comparative Political Theory Leigh K. Jenko, Murad Idris, Megan Christine Thomas, 2020 Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experience An interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theory Provides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries **Canadian Philosophical Reviews** , 2003

As recognized, adventure as skillfully as experience about lesson, amusement, as without difficulty as concord can be gotten by just checking out a books **Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism** afterward it is not directly done, you could acknowledge even more as regards this life, in the region of the world.

Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Contexts Of Justice Political

Philosophy Beyond Liberalism And Communitarianism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism Books

1. Where can I buy Contexts Of Justice Political Philosophy Beyond Liberalism And Communitarianism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
