**Continuity, innovation, and connoisseurship : old master paintings at the Palmer Museum of Art ; proceedings of an international symposium held at the Palmer Museum of Art on March 31 through April 2, 1995 ; organized in conjunction with the Exhibition Continuity, Innovation, and Connoisseurship: Old Master Paintings, Drawings, and Prints from the Pennsylvania Collections, on view at the Palmer Museum from February 28 through April 30, 1995** Mary Jane Harris,2003      **Apostolic Iconography and Florentine Confraternities in the Age of Reform**

Douglas N. Dow,2017-07-05 Focusing on artists and architectural complexes which until now have eluded scholarly attention in English language publications *Apostolic Iconography and Florentine Confraternities in the Age of Reform* examines through their art programs three different confraternal organizations in Florence at a crucial moment in their histories Each of the organizations that forms the basis for this study oversaw renovations that included decorative programs centered on the apostles At the complex of Ges Pellegrino a fresco cycle represents the apostles in their roles as Christ s disciples and proselytizers At the oratory of the company of Santissima Annunziata a series of frescoes shows their martyrdoms the terrible price the apostles paid for their mission and their faith At the oratory of San Giovanni Battista detta dello Scalzo a sculptural program of the apostles stood as an example to each confratello of how Christian piety had its roots in collective effort Douglas Dow shows that the emphasis on the apostles within these corporate groups demonstrates how the organizations adapted existing iconography to their own purposes He argues that their willful engagement with apostolic themes reveals the complex interaction between these organizations and the church s program of reform      *Artemisia Gentileschi* Jesse M. Locker,2021-01-19 An important reassessment of the later career and life of a beloved baroque artist Hailed as one of the most influential and expressive painters of the seventeenth century Artemisia Gentileschi 1593 ca 1656 has figured prominently in the art historical discourse of the past two decades This attention to Artemisia after many years of scholarly neglect is partially due to interest in the dramatic details of her early life including the widely publicized rape trial of her painting tutor Agostino Tassi and her admission to Florence s esteemed Accademia del Disegno While the artist s early paintings have been extensively discussed her later work has been largely dismissed This beautifully illustrated and elegantly written book provides a revolutionary look at Artemisia s later career refuting longstanding assumptions about the artist The fact that she was semi illiterate has erroneously led scholars to assume a lack of literary and cultural education on her part Stressing the importance of orality in Baroque culture and in Artemisia s paintings Locker argues for her important place in the cultural dialogue of the seventeenth century      **Art and Witchcraft in Early Modern Italy** Guy Tal,2025-10-01 The figure of the witch is familiar from the work of early modern German Dutch and Flemish artists but much less so in the work of their Italian counterparts *Art and Witchcraft in Early Modern Italy* seeks to explore the ways in which representations of witchcraft emerged from and coincided with the main cultural currents and artistic climate of an epoch chiefly celebrated for

its humanistic and rational approaches Through an in depth examination of a panoply of arresting paintings engravings and drawings variously portraying a hag ridden colossal phallus a horror stricken necromancer dodging the devil s scrabbling claws and a nocturnal procession presided over by an infanticidal crone Guy Tal offers new ways of reading witchcraft images through and beyond conventional iconography Artists such as Parmigianino Alessandro Allori Leonello Spada and Angelo Caroselli effected visual commentaries on demonological notions that engaged their audience in a tantalizing experience of interpretation *The Art Bulletin* ,2002 Includes section Notes and reviews **Buying Baroque** Edgar Peters Bowron,2017-03-28 Although Americans have shown interest in Italian Baroque art since the eighteenth century Thomas Jefferson bought copies of works by Salvator Rosa and Guido Reni for his art gallery at Monticello and the seventeenth century Bolognese school was admired by painters Benjamin West and John Singleton Copley a widespread appetite for it only took hold in the early to mid twentieth century *Buying Baroque* tells this history through the personalities involved and the culture of collecting in the United States The distinguished contributors to this volume examine the dealers auction houses and commercial galleries that provided access to Baroque paintings as well as the collectors curators and museum directors who acquired and shaped American perceptions about these works including Charles Eliot Norton John W Ringling A Everett Austin Jr and Samuel H Kress These essays explore aesthetic trends and influences to show why Americans developed an increasingly sophisticated taste for Baroque art between the late eighteenth century and the 1920s and they trace the fervent peak of interest during the 1950s and 1960s A wide ranging in depth look at the collecting of seventeenth and eighteenth century Italian paintings in America this volume sheds new light on the cultural conditions that led collectors to value Baroque art and the significant effects of their efforts on America s greatest museums and galleries In addition to the editor contributors include Andrea Bayer Virginia Brilliant Andria Derstine Marco Grassi Ian Kennedy J Patrice Marandel Pablo Perez d Ors Richard E Spear and Eric M Zafran [Pennsylvania Heritage](#) ,1994 [Pinacoteca Giuseppe Alessandra](#) Massimiliano Capella,Raffaella Fontanarossa,Giovanni Carlo Federico Villa,Fondazione Giacomini Meo Fiorot,Musei Mazzucchelli (Ciliverghe, Italy),2007 *Pennsylvania Heritage* Pennsylvania Historical and Museum Commission (Harrisburg, Pa.),1995 **Drawn to Italian Drawings** Nicholas Turner,Jean Goldman,2009 Published to accompany an exhibition at the Art Institute of Chicago from October 28 2008 to January 18 2009 *Illuminating Luke, Volume 2* Heidi J.
