Continuity Of Poetic Language:

The Continuity of Poetic Language Josephine Miles, 2022-09-23 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1951 *The Continuity of Poetic Language* Josephine Miles, 1951 ***The Continuity of Poetic Language* Josephine Miles, 1965** *The Continuity of Poetic Language* Josephine Miles, 1972 THE CONTINUITY OF POETIC LANGUAGE. THE PRIMARY LANGUAGE OF POETRY, 1540'S-1940'S. VON JOSEPHINE MILES. Josephine Miles, 1972 *Poetic Artifice* Veronica Forrest-Thomson, 1978

***The Continuity of Poetic Language* Josephine Miles, 1951** *The Princeton Handbook of Poetic Terms* Alex Preminger, O. B. Hardison Jr., Frank J. Warnke, 2014-07-14 This compact volume makes available a selection of 402 entries from the widely praised Princeton Encyclopedia of Poetry and Poetics with emphasis on prosodic and poetic terms likely to be encountered in many different areas of literary study The book includes detailed discussions of poetic forms prosody rhetoric genre and topics such as theories of poetry and the relationship of linguistics to poetry Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Poetry and the Fate of the Senses* Susan Stewart, 2002-01-20 What is the role of the senses in the creation and reception of poetry How does poetry carry on the long tradition of making experience and suffering understood by others With *Poetry and the Fate of the Senses* Susan Stewart traces the path of the aesthetic in search of an explanation for the role of poetry in culture Herself an acclaimed poet Stewart not only brings the intelligence of a critic to the question of poetry but the insight of a practitioner as well Her new study includes close discussions of poems by Stevens Hopkins Keats Hardy Bishop and Traherne of the sense of vertigo in Baroque and Romantic works and of the rich tradition of nocturnes in visual musical and verbal art Ultimately she argues that poetry can counter the denigration of the senses in contemporary life and can expand our imagination of the range of human expression *Poetry and the Fate of the Senses* won the 2004 Truman Capote Award for Literary Criticism in Memory of Newton Arvin administered for the Truman Capote Estate by the University of Iowa Writers Workshop It also won the Phi Beta Kappa Society's 2002 Christian Gauss Award for Literary Criticism ***The State of the Language* Leonard Michaels, 1980-01-01** ***Mesopotamian Poetic Language* Marianna E. Vogelzang, H. L. Herman L. J. Vanstiphout, 1996-01-01** This collection of articles is the result of the second meeting of the Mesopotamian Literature Group Groningen held in Groningen from 12 till 14 July 1993 The topics treated by

these scholars from six countries range from theoretical issues to specific analyses from broad structures to linguistic textures including metaphorical language as well as phonic features also various poetical techniques and strategies are studied The interest is more in the questions that are raised than in the answers given and the matter of legitimization of our theoretical bases runs throughout most contributions this being the aim of the Group Literary Theory Julie Rivkin, Michael Ryan, 2017-02-06 The new edition of this bestselling literary theory anthology has been thoroughly updated to include influential texts from innovative new areas including disability studies eco criticism and ethics Covers all the major schools and methods that make up the dynamic field of literary theory from Formalism to Postcolonialism Expanded to include work from Stuart Hall Sara Ahmed and Lauren Berlant Pedagogically enhanced with detailed editorial introductions and a comprehensive glossary of terms **The Astonishment Tapes** Robin Blaser, 2015-10-31 The Astonishment Tapes is the edited transcript of revealing autobiographical audiotapes recorded by the groundbreaking poet Robin Blaser a founding member of the Berkeley contingent of the San Francisco Renaissance in New American Poetry *Concept of Poetry, an Indian Approach* Kalipada Giri, 1975 Heidegger, Hölderlin, and the Subject of Poetic Language Jennifer Anna Gosetti-Ferencei, 2004 Gosetti Ferencei argues that Heidegger has overlooked central elements in Hölderlin's poetics such as a Kantian understanding of aesthetic subjectivity and a commitment to Enlightenment ideals These elements she argues resist the more politically distressing aspects of Heidegger's interpretations including Heidegger's nationalist valorization of the German language and sense of nationhood or Heimat **New Critical Nostalgia** Christopher Rovee, 2024-01-02 New Critical Nostalgia weighs the future of literary study by reassessing its past It tracks today's impassioned debates about method back to the discipline's early professional era when an unprecedented makeover of American higher education with far reaching social consequences resulted in what we might call our first crisis of academic life Rovee probes literary study's nostalgic attachments to this past by recasting an essential episode in the historiography of English the vigorous rejection of romanticism by American New Critics in the new light of the American university's tectonic growth In the process he demonstrates literary study's profound investment in romanticism and reveals the romantic lyric's special affect nostalgia as having been part of English's professional identity all along New Critical Nostalgia meticulously shows what is lost in reducing mid century American criticism and the intense quirky and unpredictable writings of central figures such as Cleanth Brooks Josephine Miles and W K Wimsatt to a glib monolith of New Critical anti romanticism In Rovee's historically rich account grounded in analysis of critical texts and enlivened by archival study readers discover John Crowe Ransom's and William Wordsworth's shared existential nostalgia witness the demolition of the immature Percy Shelley in the revolutionary textbook *Understanding Poetry* explore the classroom give and take prompted by the close reading of John Keats consider the strange ambivalence toward Lord Byron on the part of formalist critics and romantic scholars alike and encounter the strikingly contemporary quantitative studies by one of the mid century's preeminent poetry scholars Josephine Miles These

complex and enthralling engagements with the romantic lyric introduce the reader to a dynamic intellectual milieu in which professionals with varying methodological commitments from New Critics to computationalists working in radically different academic locales from Nashville and New Haven to Baton Rouge and Berkeley wrangled over what it means to read with nothing less than the future of the discipline at stake

The Continuity of Poetic Language. The Primary Language of Poetry, 1540's-1940's. (The Primary Language of Poetry in the 1540's. The Primary Language of Poetry in the 1740's and 1840's. The Primary Language of Poetry in the 1940's.) [With a Bibliography.]. Josephine MILES, 1965

The Princeton Handbook of Poetic Terms Roland Greene, Stephen Cushman, 2016-07-26 An essential handbook for literary studies The Princeton Handbook of Poetic Terms drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics provides an authoritative guide to the most important terms in the study of poetry and literature Featuring 226 fully revised and updated entries including 100 that are new to this edition the book offers clear and insightful definitions and discussions of critical concepts genres forms movements and poetic elements followed by invaluable up to date bibliographies that guide users to further reading and research Because the entries are carefully selected and adapted from the Princeton Encyclopedia the Handbook has unrivalled breadth and depth for a book of its kind in a convenient portable size Fully indexed for the first time and complete with an introduction by the editors this is an essential volume for all literature students teachers and researchers as well as other readers and writers Drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics Provides 226 fully updated and authoritative entries including 100 new to this edition written by an international team of leading scholars Features entries on critical concepts canon mimesis prosody syntax genres forms and movements ballad blank verse confessional poetry ode and terms apostrophe hypotaxis and parataxis meter tone Includes an introduction bibliographies cross references and a full index

Wallace Stevens and the Realities of Poetic Language Stefan Holander, 2008-02-19 This study examines Wallace Stevens ideas and practice of poetic language with a focus on the 1930s an era in which Stevens persistently thematized a keenly felt pressure for the possible social involvement and political utility of poetic language The argument suggests how mutually implicated elements of his poetry such as diction prosody and metaphor are relied on to signify or enact aesthetic closure both in the negative terms of expressive impotence and unethical isolation and the positive ones of imaginative and linguistic change In this respect the study deals closely with the epistemologically and ethically fraught issue of the ambiguous and volatile role of non semantic elements and linguistic difficulty in Stevens language Assuming that these facets are not exclusive to this period but receive a very clear and therefore instructive formulation in it the discussion outlines some of Stevens most central tropes for poetic creativity at this stage of his career suggesting ways in which they came to form part of his later discourse on poetic functionality when polemical concepts for the imagination such as evasion and escapism became central Stevens prosody is discussed from within an eclectic analytical framework in which cumulative

rhythmics is complemented by traditional metrics as a way of doing justice to his rich varied and cognitively volatile use of verse language The expressive potency of prosodic patterning is understood both as an effect of its resistance to semantic interpretation and by assuming a formal drive to interpret them in relation to the semantic and metaphoric staging of individual poems A poem in turn is understood both as a strategic stylistically deviant response to the challenges of a particular historical moment and as an attempt to communicate through creating a sense of linguistic resistance and otherness

A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women s studies

As recognized, adventure as capably as experience more or less lesson, amusement, as competently as concurrence can be gotten by just checking out a book **Continuity Of Poetic Language** next it is not directly done, you could say yes even more almost this life, more or less the world.

We find the money for you this proper as without difficulty as easy quirk to acquire those all. We provide Continuity Of Poetic Language and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Continuity Of Poetic Language that can be your partner.
