California, Los Angeles. Library, 1963 **How Peripheral is the Periphery? Translating Portugal Back and Forth** João Ferreira Duarte, Rita Bueno Maia, Marta Pacheco Pinto, 2015-09-18 This volume is a result of the need to reflect upon Portugal's position from the viewpoint of the literary assets imported and exported through translation. It brings together a number of scholars working in the field of Translation Studies directly concerned with the Portuguese cultural system in order to analyse this question from various theoretical perspectives and from case studies of translation flows and movements in Portuguese culture. By Translating Portugal Back and Forth the articles discuss issues such as how can one draw the borderline between a peripheral and a semi peripheral system. Is this borderline useful or necessary? How peripheral is the Portuguese cultural system as far as translation transfers are concerned? How stable or pacific has this positioning been? Does the economic and historical perception of Portugal as peripheral entail that from the viewpoint of translation it would behave similarly? By addressing some of these questions and as shown by the second subtitle Essays in Honour of João Ferreira Duarte the volume pays homage to one of the most prominent Translation Studies scholars in Portugal who has extensively reflected on the binary discourse on translation its metaphors and images Fabulação e Metamorfose nos Contos de Murilo Rubião Cinthia Lopes De Oliveira, 2023-04-12 Sob o v u do Fant stico cinco contos do escritor Murilo Rubi o cujas tem ticas abordam a fabula o da metamorfose s o objeto de estudo de Cinthia Lopes de Oliveira A fabula o do ser humano em meio s crises de identidade da modernidade se veem representadas nas hist rias protagonizadas por um coelho falante drag es um ex m gico um defunto narrador e um dromed rio A modernidade em Rubi o absorve tanto influ ncias do s culo XIX com Hoffmann Poe e Machado quanto do s culo XX com Kafka Borges e Cort zar **Língua Portuguesa na Europa Central: estudos e perspectivas** Joaquim José de Sousa Coelho Ramos, Šárka Grauová, Jaroslava Jindrová, 2016-04-01 This publication includes a collection of papers written by foreign scholars working in the field of Portuguese philology culture and didactics.
