Crime Classification Manual John E. Douglas,Ann W. Burgess,Allen G. Burgess,Robert K. Ressler,2011-01-06 This is the second edition of the landmark book that standardized the language and terminology used throughout the criminal justice system It classifies the critical characteristics of the perpetrators and victims of major crimes murder arson sexual assault and nonlethal acts based on the motivation of the offender The second edition contains new classifications on computer crimes religion extremist murder and elder female sexual homicide This edition also contains new information on stalking and child abduction the use of biological agents as weapons cybercrimes Internet child sex offenders burglary and rape and homicidal poisoning In addition many of the case studies and crime statistics have been updated Contract Killing in the Information Age Jason Ray Forbus,2017-12-20 Everything there is to know about contract killing in a book that covers the mythical early origins of murder as a profession to present day availability of hit men on the open market A personal vendetta

or self driven interests are typical motives for pulling the trigger In recent years however crime records have seen a staggering increase in the number of cases involving hired guns This book explores why and how the phenomenon is growing to threaten all strata of a highly destabilized society **The Cases That Haunt Us** John Douglas, Mark Olshaker, 2012-12-25 Certain criminal cases have a life of their own Despite the passage of years they continue their hold on the public imagination either because of the personalities involved the depravity of the crime doubts over whether justice was done or the tantalizing fact that no one was ever caught Now John Douglas the foremost investigative analyst and criminal profiler of our time turns his attention to eight of the greatest mysteries in the history of crime including those of Jack the Ripper The Boston Strangler and JonBenet Ramsey Taking a fresh look at the established facts Douglas and Olshaker dismantle the conventional wisdom regarding these most notorious of crimes and rebuild them with astonishing results **Working With Monsters (EasyRead Super Large 20pt Edition)**, **Undercover Legends** David Le Courageux, 2022-06-19 Four lives Two people One question What do you really know about the people around you To the residents of leafy Acacia Avenue Mr and Mrs Smith were like any other couple Living a very ordinary life in a very ordinary suburb on the outskirts of a very ordinary city But behind closed doors Mr and Mrs Smith were at the heart of a world filled with deception and organised crime and they were the good guys Inspired by true events and detailing Mr and Mrs Smith's covert deployments this is first in a series of gripping tales Undercover Legends is a fascinating insight into the double lives of two undercover officers First as individuals and then as a couple they had to balance the stresses and strains of their real lives families and relationships with the murky underworld they found themselves enmeshed in In many ways their legends those false identities and lives that inhabited the criminal world were no less real than the lives they were born into That was a must as their lives may have depended on the robustness of their cover Four lives two people One question will you join them on their extraordinary story

Working with Monsters John Clarke, 2009-04-02 Drawing on his studies and research in forensic psychology and experience in criminal profiling for law enforcement agencies as well as corporations experiencing difficulties with an employee Dr Clarke shows how to recognize and manage a workplace psychopath **Organized Crime** Frank Shanty, Patit Paban Mishra, 2007-09-24 This fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely investigated by scholars Organized Crime An International Encyclopedia ventures behind the scenes into this hazardous territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts The second volume consists entirely of primary documents national and international laws and treaties that reflect the international community's many attempts largely ineffective to combat organized crime Together the two volumes

provide students and general readers with a road map to a shadow world with far reaching impact on the world we know

Mortal Desire: Origins of Sexual Violence Dr. Lawrence J. Simon, 2016-10-21 The content within *Mortal Desire* includes descriptions of atrocious crimes against humanity By exploring why these crimes occur we as a society can work together to help reduce the situations that can lead a person down the path toward violent crime As uncomfortable as it may be it is essential that we evaluate the motivation and desires of those committing these atrocities Just by turning on the news we are faced with a world of heinous crime that is incomprehensible to the vast majority of us Inside the mind of a serial killer a drastically different thought pattern and method of rationalization are at work Often times these thought patterns are void of guilt or remorse To understand how these horrible acts happen understanding the mind of a killer is essential
