Contrastive Rhetoric In Shona English:

Contrastive Rhetoric in Shona and English Juliet Thondhlana, 2000 The influence of the learner's mother tongue on the use of a second language has long been of interest within applied linguistics. Whilst most studies have focused on the sentence level, contrastive rhetoric has broadened this area of investigation to the levels of discourse and text. This study explores and applies the approach to written English and Shona of Shona native speakers in Zimbabwe. It is both theoretical and practical, highlighting the importance of multi-dimensional and non-evaluative analytical frameworks and providing information for second language teachers and learners.

The Palgrave Handbook of Language and Crisis Communication in Sub-Saharan Africa Ernest Jakaza, Hugh Mangeya, Isaac Mhute, 2024-06-17 This handbook provides a detailed and sustained examination of the scope, purpose and practical application of crisis and disaster management communication in this critical region of the African continent, sub-Saharan Africa (SSA). The volume lays the foundation that enables a nuanced appreciation of two significant issues. The first pertains to SSA's vulnerability to both natural and man-made phenomena. Secondly, it argues that communication plays a critical role in so far as the identification, social construction, raising awareness, preparation, mitigation and eradication of crises and disasters in the region. Communication plays a critical role in potentially reducing the impacts of crises and disasters before their occurrence. This handbook is a key resource for academics, students and practitioners in areas such as political communication, media communication, language and communication, brand communication, social digital media communication and crisis communication among others.

Zambezia, 2002 **The Routledge Handbook of World Englishes** Andy Kirkpatrick, 2010-06-17 The Routledge Handbook of World Englishes constitutes a comprehensive introduction to the study of World Englishes, drawing on the expertise of leading authors within the field. The Handbook is structured in nine sections covering historical perspectives, core issues and topics, and new debates, which together provide a thorough overview of the field, taking into account the new directions in which the discipline is heading. Among the key themes covered are the development of English as a lingua franca among speakers for whom English is a common but not first language, the parallel development of English as a medium of instruction in educational institutions throughout the world, and the role of English as the international language of scholarship and scholarly publishing, as well as the development of computer-mediated Englishes, including cyberprose. The Handbook also includes a substantial introduction and conclusion from the editor. The Routledge Handbook of World Englishes is the ideal resource for postgraduate students of applied linguistics, as well as those in related degrees such as applied English, language and TESOL/TEFL.
