Country Mouse In The Town House:

A Country Mouse in the Town House Henrietta,1995 In this new version of a very old story a simple country mouse who eats plain country food goes to feast with her friend in the big city The two mice get into all kinds of trouble Follow the trail of five green peas in every picture look for the berries throughout the book and search carefully for the mice hidden in each scene [Horace and the Rhetoric of Authority](#) Ellen Oliensis,1998-05-28 This book explores how Horace s poems

construct the literary and social authority of their author Bridging the traditional distinction between persona and author Ellen Oliensis considers Horace's poetry as one dimension of his face the projected self image that is the basic currency of social interactions She reads Horace's poems not only as works of art but also as social acts of face saving face making and self effacement These acts are responsive she suggests to the pressure of several audiences Horace shapes his poetry to promote his authority and to pay deference to his patrons while taking account of the envy of contemporaries and the judgement of posterity Drawing on the insights of sociolinguistics deconstruction and new historicism Dr Oliensis charts the poet's shifting strategies of authority and deference across his entire literary career

Colours of the Rainbow Part One Chizoba Chiamaka Asika, 2024-07-01 Ada a young and decent girl from the village of Amagu is inundated with challenges Like most young people she wasn t prepared for the degree of obstacles and sufferings with which she was faced The distressful loss of her father in an accident was closely accompanied by the dreadful claws of a wicked Lagos aunt who would stop at nothing to make her life miserable Furthermore her engagement with the formidable clique in her school on the battle field of economic status drilled holes in her already worn armour But Ada was determined to make headway in spite of the blows life dealt her She believed firmly in the axiom Tough times don t last but tough people do Undaunted she endured the hardships that besieged her until she actualised her dreams Her inner driving force and determination preserved and

propelled her desire to succeed For Ada success is a reward for a persevering warlord who keeps striving in the face of great adversities No thought of retreat is entertained particularly in those moments when no one believes in you This captivating book teaches the irrefutable fact that success has no respect for ethnographic boundaries economic class religious stratification sexual dichotomy or enduring ancestry and it encourages everyone to face all challenges aspire for greatness and press on until their life goals are realised **Traditional Tales Teacher's Resource Guide** Pam Dowson,2014-01-01 A teachers resource tool that includes teaching notes for each of the 40 Traditional Tales readers from emergent to fluent levels Teaching notes align with Common Core State Standards by providing instruction and activities that focus on story components genre features found in traditional tales fairy tales and legends and speaking and listening skills Includes blackline masters for each title *Fables in Rhyme for Little Folks* Jean de La Fontaine,2008-01-01
