Country Seasons:

Introduction to Honduras Gilad James, PhD, Honduras is a Central American country with a rich cultural history and a diverse population of approximately nine million people. The country is known for its stunning natural beauty including tropical rain forests, mountain ranges and the Caribbean Sea. Honduras was once home to the ancient Maya civilization whose ruins can still be seen across the country today. Despite its natural beauty and cultural heritage, Honduras is one of the poorest countries in Latin America. The country faces many challenges including high levels of inequality, political unrest and violence. However, in recent years, Honduras has started to make progress towards improving its economy and reducing poverty. The country has also become an increasingly popular destination for tourists thanks to its incredible natural beauty and friendly people.
