

County Nurse

**John C. Kirchgessner, Arlene Wynbeek
Keeling**

County Nurse:

Nursing Interventions Through Time Patricia D'Antonio, Sandra Lewenson, 2011 Named a 2011 Choice Outstanding Academic Title Designated a Doody's Core Title This is a must read for nurses who are interested in where nursing has been and what nurses have done to get to the present day Score 94 4 stars Doody's Nursing has a rich history that consistently informs contemporary practice and standards This book by examining pivotal historical interventions across the spectrum of clinical care allows nurses of today to incorporate the wisdom of the past into their own daily work Maternal child health programs palliative care tuberculosis medications pediatric care and diabetes care and more are discussed This invaluable resource documents how and why specific nursing interventions came about what aspects of these interventions are utilized today and why and how nurses of the past have addressed and solved the challenges of practice from adapting to new technologies to managing the tension of the nurse physician relationship Learn how nurses of the past 150 years have combated the challenges of Providing care to victims of pandemics such as yellow fever tuberculosis and influenza Adapting to new medical practices and technologies throughout the 20th century Integrating cultural sensitivity into clinical care for special populations and underserved communities Bringing public health services to rural communities Fighting for public health policies that support hospice services in the United States

The Public Health Nurses of Jim Crow Florida Christine Ardalan, 2021-11-02 Florida Historical Society Harry T and Harriette V Moore Award Highlighting the long unacknowledged role of a group of pioneering professional women The Public Health Nurses of Jim Crow Florida tells the story of healthcare workers who battled racism in a state where white supremacy formed the bedrock of society They aimed to serve those people out of reach of modern medical care In the era of Jim Crow discrimination their marginalization in medical facilities along with the overall medical neglect to address their health meant that many African Americans in rural communities rarely saw doctors Christine Ardalan shows how Florida's public health nurses took up the charge traveling into the Florida scrub to deliver health improvement information to the homes of Black and white residents many of whom were illiterate Drawing on a rich body of public health and nursing records Ardalan draws attention to the innovative ways nurses bridged the gap between these communities and government policies that addressed threats of infection and high rates of infant and maternal mortality From the progressive era to the civil rights movement Florida's public health nurses worked to overcome the constraints of segregation Their story is echoed by the experiences of today's community health nurses who are keenly aware that maintaining healthy lives for all Americans requires tackling the nation's deep rooted cultural challenges
