Coup Theories And Officers Motives Sri Lanka In Comparative Perspective:

Coup Theories and Officers' Motives Donald L. Horowitz, 2014-07-14 Donald Horowitz presents a case study of an attempted military coup in Sri Lanka. On the basis of interviews with twenty three participants in this attempted coup, a mine of information rarely available for a study like this, he provides first hand evidence of the way officers' motives interact with social and political conditions to foster coup attempts. Originally published in 1981, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Coup Theories and Officers' Motives Donald L. Horowitz, 1980-01-01 **Buddhist Extremists and Muslim Minorities** John Holt, 2016 This collection of essays investigate the history and current conditions of Buddhist-Muslim relations in Sri Lanka in an attempt to ascertain the causes of the present conflict. It is a much needed timely commentary that can potentially shift the standard narrative on Muslims and religious violence.

The Deadly Ethnic Riot Donald L. Horowitz, 2023-11-15 Donald L. Horowitz's comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot: an intense sudden lethal attack by civilian members of one ethnic group on civilian members of another ethnic group. Serious, frequent and destabilizing, these events result in large numbers of casualties. Horowitz examines approximately 150 such riots in about fifty countries, mainly in Asia, Africa and the former Soviet Union, as well as fifty control cases. With its deep and thorough scholarship, incisive analysis and profound insights, *The Deadly Ethnic Riot* will become the definitive work on its subject. Furious and sadistic, the riot is nevertheless directed against a precisely specified class of targets and conducted with considerable circumspection. Horowitz scrutinizes target choices, participants and organization, the timing and supporting conditions for the violence, the nature of the events that precede the riot, the prevalence of atrocities during the violence, the location and diffusion of riots, and the aims and effects of riot behavior. He finds that the deadly ethnic riot is a highly patterned but emotional event that tends to occur during times of political uncertainty. He also discusses the crucial role of rumor in triggering riots, the surprisingly limited role of deliberate organization, and the striking lack of remorse exhibited by participants. Horowitz writes clearly and eloquently without compromising the complexity of his subject. With impressive analytical skill, he takes up the important challenge of explaining phenomena that are at once passionate and calculative. Donald L. Horowitz's comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot: an intense sudden lethal attack by civilian members of one ethnic

Democratization in Africa Larry Diamond, Marc F. Plattner, 2010-03-29 Weiss, Christopher Wyrod, Daniel J. Young

Ethnicity and the State Judith D. Toland, 2017-07-28 Modern states have evolved as complex political structures in which unitary forms of government maintain an uncertain equilibrium with ethnically plural societies. Historically ruling elites have tried with little success to eradicate ethnicity through genocide, bury it under accusations of tribalism, discredit it with the mind frame of modernization, or confine it to local rather than national political arenas. This broad ranging volume examines the dynamics of ethnic manipulation and accommodation by dominant and subordinate groups in the state building process. Ethnicity and the State reflects the widely varying political contexts and cultures in which reasons of state contend with unyielding ethnic allegiances. European, South American, Asian, and Middle Eastern examples reveal a consistent set of themes and attitudes. The authors find that while the state must realize its authority and stability through a strictly defined charter of rights and values, ethnic identity exercises its power more freely and flexibly. The sense of peoplehood may be artificially constructed in response to immediate need, or it may be ancient and organic, growing over time. It has the potential to cut across race, class, and gender. Its central tenets and myths may be reinterpreted, recreated, enlarged upon, or modified as the political situation warrants. Flexibility of belief and the need to identify with a larger group account both for the durability of ethnic loyalty and its vulnerability to manipulation. This volume is particularly timely at a moment when national governments in many parts of the world must face the adoption of more equitable forms of rule to hold their ethnically diverse societies together. Taken together, the analyses presented here warn against institutionalizing ethnic strife and offer a vision of how the state may foster expectations and policies that serve the interests of all ethnic groups within their borders. Political scientists, historians, and anthropologists will find this book valuable for its interpretations of forces that continue to reshape the social and political fabric of the world. *Exploring Confrontation* Michael Roberts, 2021-09-01 Sri Lanka has been the meeting point of many ideologies and ways of being. This has spelt heterogeneity, syncretism, and conflict. In drawing upon the practices of empirical research promoted by Western intellectual traditions, the author demonstrates the strengths of these practices through his contextualised engagement with the pogroms of 1915 and 1983, as well as other incidents. At the same time, he delineates some of the limits of empiricist rationality. This book is replete with rich ethnographic detail and serves as an exercise in historical anthropology which illuminates Sri Lanka's political culture. It not only opens out the contrast between Western and Indian world views but also explores the human condition by bringing out the immediacy surrounding acts of victimisation and human beings in conflict. *The Comparative Method and Civil-Military Relations* J. 'Bayo Adekanye, 2024-10-11 Comprising critical writings in civil-military relations theory and research, this book of essays integrates the ideas and insights drawn from political science, particularly its subfields of comparative politics, theory, and methodology, both normative and empirical, with those from the combined disciplines of philosophy of science, history, sociology, and development studies, bringing out the relevance of these ideas and insights for understanding and analysing the issues central to the place and role of military in the Nigerian society. This book will be useful to students, academics,

journalists and activists working on Nigeria in particular and Africa in general Print edition not for sale in Nigeria

Governing Insecurity Gavin Cawthra, Robin Luckham, 2003-04 The authors of this volume explore the challenges of establishing democratic accountability and control over the military and other security establishments in countries which have either been the victims of authoritarian military rule or wracked by violent internal conflict The book examines both successful democratic transitions and failed ones A wide range of cases is covered including Algeria Bosnia and Herzegovina Chile the Congo Ghana Nigeria Sierra Leone South Africa Sri Lanka and Turkey The possible role of regional interventions and institutions notably in West Africa and the Balkans is also examined Sri Lanka James Manor, 2025-09-30 First published in 1984 Sri Lanka In Change and Crisis focuses on two major political events in Sri Lankan history the presidential elections referendum of 1982 and the communal riots of 1983 James Manor's introduction attempts to place these events within an evolutionary analysis of Sri Lankan political history since independence The aim of this collection is not to achieve unanimity but to approach the events in Sri Lanka from a diversity of viewpoints The book discusses themes like plebiscitary democracy or creeping authoritarianism the New Gaullist Bonapartist State in Sri Lanka electoral system change in Sri Lanka the origins and institutionalization of political violence popular perceptions of violence the riots and the Roman Catholic Church in Sri Lanka and Tamils in the aftermath of the violence This is an important historical reference work for the students of political science South Asian politics and South Asian history **The Tamil Separatist War in Sri Lanka** Channa Wickremesekera, 2016-02-26 The complex and long drawn war between the Sri Lankan government and the Liberation Tigers of Tamil Eelam LTTE ended with the defeat of the Tigers in 2009 This book provides a military history of the conflict in tracing its evolution from a battle between a ragtag guerrilla force and a mainly ceremonial army to one between an organized guerrilla force with semi conventional capability and a state military apparatus that had morphed into a large and potent force with modern armour aircraft and naval vessels Using a wide range of sources this book offers an incisive analysis of the progress and conclusion of one of the longest and most destructive wars in modern South Asia Comprehensive and accessible the volume will be of great interest to scholars and researchers of modern South Asia especially Sri Lanka military history politics defence and strategic studies as well as the general reader **Pain, Pride, and Politics** Amarnath Amarasingam, 2015-09-15 Pain Pride and Politics is an examination of diasporic politics based on a case study of Sri Lankan Tamils in Canada with particular focus on activism between December 2008 and May 2009 Amarnath Amarasingam analyzes the reactions of diasporic Tamils in Canada at a time when the separatist Tamil movement was being crushed by the Sri Lankan armed forces and revises currently accepted analytical frameworks relating to diasporic communities This book adds to our understanding of a particular diasporic group while contributing to the theoretical literature in the area Throughout Amarasingam argues that transnational diasporic mobilization is at times determined and driven as much by internal organizational and communal developments as by events in their countries of origin a

phenomenon that has received relatively little attention in the scholarly literature His work provides an in depth examination of the ways in which a separatist sociopolitical movement beginning in Sri Lanka is carried forward altered and adapted by the diaspora and the struggles that are involved in this process **Politics and the Russian Army** Brian D.

Taylor,2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate **Coercion and Governance** Muthiah Alagappa,2001 This far ranging volume offers both a broad overview of the role of the military in contemporary Asia and a close look at the state of civil military relations in sixteen Asian countries It discusses these relations in countries where the military continues to dominate the political realm as well as others where it is disengaging from politics

The Military and Democracy in Asia and the Pacific Ronald James May,Viberto Selochan,2004-03-01 In The Military and Democracy in Asia and the Pacific a number of prominent regional specialists take a fresh look at the military s changing role in selected countries of Asia and the Pacific particularly with regard to the countries performance against criteria of democratic government Indonesia Thailand the Philippines Burma Pakistan Bangladesh South Korea Fiji and Papua New Guinea all fall under the spotlight as the authors examine the role which the military has played in bringing about changes of political regime and in resisting pressures for change **Confronting Past Human Rights**

Violations Chandra Lekha Sriram,2004-08-12 This book examines what makes accountability for previous violations more or less possible for transitional regimes to achieve It closely examines the other vital goals of such regimes against which accountability is often balanced The options available are not simply prosecution or pardon as the most heated polemics of the debate over transitional justice suggest but a range of options from complete amnesty through truth commissions and lustration or purification to prosecutions The question then is not whether or not accountability can be achieved but what degree of accountability can be achieved by a given country The focus of the book is on the politics of transition what makes accountability more or less feasible and what strategies are deployed by regimes to achieve greater accountability or alternatively greater reform The result is a more nuanced understanding of the different conditions and possibilities that countries face and the lesson that there is no one size fits all prescription that can be handed to transitional regimes

World at the Crossroads Philip B. Smith,Samuel E. Okoye,Jaap de Wilde,Priya Deshingkar,2013-11-05 Thirty years ago

the Russell Einstein Manifesto warned humanity that our survival is imperilled by the risk of nuclear war In the spirit of that Manifesto we now call on all scientists to expand our concerns to a broader set of interrelated dangers destruction of the environment on a global scale and denial of basic needs for a growing majority of humankind The Dagomys Declaration 1988 of the Pugwash Council Originally published in 1994 *Civil-military Relations* Peter Karsten,1998 First published in 1999 Routledge is an imprint of Taylor Francis an informa company **No Easy Answers** James Goldrick,1997 This is a book about navies and about navies working with very limited resources in less than ideal circumstances **Lebanon** Adel Beshara,2013-01-11 Lebanon examines the ideological political and social underpinnings of the attempted coup against General Chihab s government in Lebanon in 1961 The author analyzes the role of the Syrian Socialist Nationalist Party the history of the army in Lebanon and its role in Lebanese politics and the impact of the coup on Lebanese political life This book provides an extraordinary insight into the mechanisms of military coups in the Arab world and will be of interest to students and researchers of the history and politics of the Middle East

Coup Theories And Officers Motives Sri Lanka In Comparative Perspective Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Coup Theories And Officers Motives Sri Lanka In Comparative Perspective free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Coup Theories And Officers Motives Sri Lanka In Comparative Perspective Books

What is a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic

PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
