This book aims to put the speciesism debate and the treatment of non human animals on the agenda of critical media studies and to put media studies on the agenda of animal ethics researchers Contributors examine the convergence of media and animal ethics from theoretical philosophical discursive social constructionist and political economic perspectives The book is divided into three sections foundations representation and responsibility outlining the different disciplinary approaches application to media studies and covering how non human animals and the relationship between humans and non humans are represented by the mass media concluding with suggestions for how the media as a major producer of cultural norms and values related to non human animals and how we treat them might improve such representations      **Elizabeth Taylor** John B. Allan, 2011-07-05 Back in print for the first time in fifty years this classic Donald Westlake bio of Elizabeth Taylor written as John B Allan gives a fascinating look at the life of America's most talented actress on the cusp of her greatest role as well as a glimpse of a Hollywood long gone A fun nostalgic read from the Hollywood celebrity world of 1961 and a must read if you're a fan of either Ms Taylor or Mr Westlake      **The Eisenhower Years** Richard T. Stanley, 2012-06 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America's contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times than the preceding decades of the 1930s and 40s and the increasingly turbulent 1960s and 70s that followed In fact America's exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America's artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days      *About Dogs* Nicolae Sfetcu, 2014-05-02 Dog anatomy breeding breeds equipment health law monuments organizations related professions and professionals shows and showing sports training and behavior types working dogs Dogs in popular culture famous dogs fictional dogs films The dog is a canine mammal of the Order Carnivora Dogs were first domesticated from wolves at least 12 000 years ago but perhaps as long as 150 000 years ago based on recent genetic fossil evidence and DNA evidence In this time the dog has developed into hundreds of breeds with a great degree of variation This guide details the dog anatomy breeding breeds equipment health law monuments
