

# Courage

Courage comes from knowledge  
And knowing true your fate  
With all the possibilities  
When standing at the gate  
At least two paths await you  
No matter what the test  
When choosing a direction  
Your heart pounding in your chest  
How can you move forward  
Or even just move back  
The risks seem far too many  
Is it courage that you lack  
It's not a lack of courage  
It's trust that you now need  
The plan for you unfolding  
Is like water to a seed

**Exiling the Poets** Ramona Naddaff, 2002 The question of why Plato censored poetry in his Republic has bedeviled scholars for centuries In *Exiling the Poets* Ramona A Naddaff offers a strikingly original interpretation of this ancient quarrel between poetry and philosophy Underscoring not only the repressive but also the productive dimension of literary censorship Naddaff brings to light Plato's fundamental ambivalence about the value of poetic discourse in philosophical investigation Censorship Naddaff argues is not merely a mechanism of silencing but also provokes new ways of speaking about controversial and crucial cultural and artistic events It functions philosophically in the Republic to subvert Plato's most crucial arguments about politics epistemology metaphysics and ethics Naddaff develops this stunning argument through an extraordinary reading of Plato's work In books 2 and 3 the first censorship of poetry she finds that Plato constitutes the poet as a rival with whom the philosopher must vie agonistically In other words philosophy does not replace poetry as most commentators have suggested rather the philosopher becomes a worthy and ultimately victorious poetic competitor In book 10's second censorship Plato exiles the poets as a mode of self subversion rethinking and revising his theory of mimesis of the immortality of the soul and most important the first censorship of poetry Finally in a subtle and sophisticated analysis of the myth of Er Naddaff explains how Plato himself censors his own censorships of poetry thus producing the unexpected result of a poetically animated and open ended dialectical philosophy
