Courage To Remember Interviews On The Holocaust:

In the Trenches David A. Harris, 2000 Harris executive director of the American Jewish Committee since 1990 shares 20 years of experience with the AJC including working to help Soviet Jewry and his views on the Middle East other parts of the world the Holocaust human rights international terrorism making a better America and the future of American Jewry His words on anti-Semitism unsolved bombings in Argentina and interfaith relations still resonate Annotation copyrighted by Book News Inc Portland OR

Courage to Remember Kinue Tokudome, 1999-01-01 The Holocaust was an attempt to erase those considered undesirable by the Nazi state from history and thus remembering the Holocaust is essential if the Nazis are to remain defeated This book introduces those people who are trying to make the world remember the Holocaust and the lesson it has taught Tokudome focuses on each person their background accomplishments beliefs and hopes rather than on the events surrounding their activities In writing this book she hopes that readers will understand the significance of the Holocaust in human history by getting to know the people who are keeping the memory alive

World Politics on Screen Mark A. Sachleben, 2014-03-04 Increasingly resistant to lessons on international politics society often turns to television and film to engage the subject Numerous movies made in the twentieth and twenty first centuries reflect political themes that were of concern within the popular cultures of their times For example Norman Jewison's *The Russians Are Coming The Russians Are Coming* 1966 portrays the culture of suspicion between the United States and the Soviet Union during the Cold War while several of Alfred Hitchcock's movies as well as the John Wayne film *Big Jim McLain* 1952 and John Milius's *Red Dawn* 1984 helped to raise and sustain skepticism about the Soviet Union

World Politics on Screen Understanding International Relations through Popular Culture uses films and television shows like these as well as contemporary including *The Simpsons* *South Park* and *The Daily Show* to guide readers to a deeper understanding of enduring issues in international politics In this unique and insightful volume author Mark Sachleben demonstrates that popular culture reflects societal beliefs about the world and that the messages captured on television and film transcend time and place Using films such as *Secret Ballot* 2001 *Under the Bombs* 2007 and *Wall E* 2008 he addresses topics such as international relations and diplomacy the study of war nuclear weapons poverty immigration and emigration human rights and genocide An engaging read for students and for anyone with a general interest in politics and popular culture

World Politics on Screen succeeds in its argument by illuminating unexplored assumptions about international policy

The Genocidal Mind Dennis B. Klein, 2005-03-05 If we wish to recognize the genocidal mentality the

authors maintain we must reckon not only with the increased callousness of the killers but also with their misguided conviction that they were engaged in something constructive to humanity *Genocide in Rwanda* Carol Rittner, John K. Roth, Wendy Whitworth, 2004-08-23 In 1994 genocide put Rwanda on the map for most of the world It also exposed one of the most shameful scandals of the Rwandan churches the complicity of the Christian churches in the genocide Rwanda is the most Christian country in Africa More than 90% of its people are baptized Christians with the Roman Catholic and Anglican Churches having the greatest number of adherents According to Archbishop Desmond Tutu The story of Rwanda shows both sides of our humanity The churches were sometimes quite superb in what they did in the face of intimidation and at great cost to themselves But there were other times when they failed dismally and seemed to be implicated in ways that have left many disillusioned disgruntled and angry Genocide In Rwanda provides a variety of perspectives through which to assess the complex questions and issues surrounding the topic and even raise some new questions that could provide some new insight into this historical event They are questions we must ask otherwise how can the Church begin to make moral restitution change structures and behaviors and once again reveal the human face of God in our fragile world **Troubled Memory** Lawrence N. Powell, 2003-04-03 This powerful work tells the story of Anne Skorecki Levy the Holocaust survivor who transformed the horrors of her childhood into a passionate mission to defeat the political menace of reputed neo Nazi and Ku Klux Klan leader David Duke The first book to connect the prewar and wartime experiences of Jewish survivors to the lives they subsequently made for themselves in the United States Troubled Memory is also a dramatic testament to how the experiences of survivors as new Americans spurred their willingness to bear witness Perhaps the only family to survive the liquidation of the Warsaw Ghetto as a group the Skoreckis evaded deportation to Treblinka by posing as Aryans and ultimately made their way to New Orleans where they became part of a vibrant Jewish community Lawrence Powell traces the family's dramatic odyssey and explores the events that eventually triggered Anne Skorecki Levy's brave decision to honor the suffering of the past by confronting the recurring specter of racist hatred Breaking decades of silence she played a direct role in the unmasking and defeat of Duke during his 1991 campaign for the governorship of Louisiana **Jewish Book World** , 2002 [Index to Jewish Periodicals](#) , 2005 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests **Making a Difference** David Scrase, Wolfgang Mieder, Katherine Quimby Johnson, 2004 Twelve essays on rescue rescuers and those who helped Jews survive the Holocaust Includes selected bibliography and videography [Oversight Hearing on H.R. 3210, to Provide Financial Assistance to the Museum of Tolerance at the Simon Wiesenthal Center, and H.R. 2623, to Authorize Funds for the Muskie Archives](#) United States.
