Vice-Admiral D.N. Mainguy, CMM
Former Vice-Chief of the Defence Staff

Courage At Sea Women At War 12

Joseph Wright

Courage At Sea Women At War 12:

Brave little women Marie Trevelyan, 1888 **The Island of Sea Women** Lisa See, 2020-03-10 THE NEW YORK TIMES BESTSELLER A mesmerizing new historical novel O The Oprah Magazine from Lisa See the bestselling author of *The Tea Girl of Hummingbird Lane* about female friendship and devastating family secrets on a small Korean island Mi ja and Young sook two girls living on the Korean island of Jeju are best friends who come from very different backgrounds When they are old enough they begin working in the sea with their village s all female diving collective led by Young sook s mother As the girls take up their positions as baby divers they know they are beginning a life of excitement and responsibility but also danger Despite their love for each other Mi ja and Young sook find it impossible to ignore their differences *The Island of Sea Women* takes place over many decades beginning during a period of Japanese colonialism in the 1930s and 1940s followed by World War II the Korean War through the era of cell phones and wet suits for the women divers Throughout this time the residents of Jeju find themselves caught between warring empires Mi ja is the daughter of a Japanese collaborator Young sook was born into a long line of haenyeo and will inherit her mother s position leading the divers in their village Little do the two friends know that forces outside their control will push their friendship to the breaking point This vivid thoughtful and empathetic novel The New York Times Book Review illuminates a world turned upside down one where the women are in charge and the men take care of the children A wonderful ode to a truly singular group of women Publishers Weekly *The Island of Sea Women* is a beautiful story about the endurance of friendship when it s pushed to its limits and you will love it Cosmopolitan *When Sherman Marched North from the Sea* Jacqueline Glass Campbell, 2006-05-26 Home front and battle front merged in 1865 when General William T Sherman occupied Savannah and then marched his armies north through the Carolinas Although much has been written about the military aspects of Sherman s March Jacqueline Campbell reveals a more complex story Integrating evidence from Northern soldiers and from Southern civilians black and white male and female Campbell demonstrates the importance of culture for determining the limits of war and how it is fought Sherman s March was an invasion of both geographical and psychological space The Union army viewed the Southern landscape as military terrain But when they brought war into Southern households Northern soldiers were frequently astounded by the fierceness with which many white Southern women defended their homes Campbell argues that in the household centered South Confederate women saw both ideological and material reasons to resist While some Northern soldiers lauded this bravery others regarded such behavior as inappropriate and unwomanly Campbell also investigates the complexities behind African Americans decisions either to stay on the plantation or to flee with Union troops Black Southerners delight at the coming of the army of emancipation often turned to terror as Yankees plundered their homes and assaulted black women Ultimately *When Sherman Marched North from the Sea* calls into question postwar rhetoric that represented the heroic defense of the South as a male prerogative and praised Confederate women for their feminine qualities of sentimentality

patience and endurance Campbell suggests that political considerations underlie this interpretation that Yankee depredations seemed more outrageous when portrayed as an attack on defenseless women and children Campbell convincingly restores these women to their role as vital players in the fight for a Confederate nation as models of self assertion rather than passive self sacrifice

The Women Who Invented Twentieth-Century Children's Literature

Elizabeth West,2022-10-24 Publishing for children between 1930 and 1960 has been denigrated as a relatively fallow period for creativity and quality certainly in comparison with the golden ages of children s literature that preceded and succeeded it This book questions this perception by using archival evidence to argue that the work of what was predominantly a female group of editors illustrators authors and librarians collectively referred to as bookwomen resulted in many titles which are still considered as classics today The bookwomen reframed ideas about how children s publishing should be approached and valued and in doing so laid the foundations for a subsequent generation of children s authors and publishers who were to achieve far greater prominence The key to the success of the bookwomen was their willingness to experiment the strength of their relationships and their comprehensive understanding of the book production process By focusing on a selection of women working across all aspects of the book production process this book demonstrates that both individually and collectively women capitalised on their position as other to the existing male institutions

Women and War

Jean Bethke Elshtain,1995-07-15 Jean Elshtain examines how the myths of Man as Just Warrior and Woman as Beautiful Soul serve to recreate and secure women s social position as noncombatants and men s identity as warriors Elshtain demonstrates how these myths are undermined by the reality of female bellicosity and sacrificial male love as well as the moral imperatives of just wars

Oxford Dictionary of Quotations by Subject

Susan Ratcliffe,2010-03-11 Over 7 000 quotations arranged by subject for easy look up Nearly 600 subjects covered from Memory and Humour to Television and Weddings

Patriotic Toil

Jeanie Attie,1998 During the Civil War the United States Sanitary Commission attempted to replace female charity networks and traditions of voluntarism with a centralized organization that would ensure women s support for the war effort served an elite liberal vision of nationhood Coming after years of debate over women s place in the democracy and status as citizens soldier relief work offered women an occasion to demonstrate their patriotism and their rights to inclusion in the body politic Exploring the economic and ideological conflicts that surrounded women s unpaid labors on behalf of the Union army Jeanie Attie reveals the impact of the Civil War on the gender structure of nineteenth century America She illuminates how the war became a testing ground for the gendering of political rights and the ideological separation of men s and women s domains of work and influence Attie draws on letters by hundreds of women in which they reflect on their political awakenings at the war s outbreak and their increasing skepticism of national policies as the conflict dragged on Her book integrates the Civil War into the history of American gender relations and the development of feminism providing a nuanced analysis of the relationship among gender construction class development and state formation in nineteenth century America

From

Fear to Hope: Alternative Australian Narratives on War and Peacemaking Pamela Leach, 2018-07-10 This book scrutinises peace and war through Australian lenses It uncovers a deeper understanding of these terms and reflects a desire to bring to light alternative Australian ideas of war and peacemaking Certain stories have eclipsed others that add importantly to Australia s history This Quaker initiative considers a plurality of voices and the truths they purport It unpacks the act of memorialising to discover the marked impact we make in our efforts to hold on to meaning and to our past What have been the effects of our responses to the maxim Lest we forget

The Maritime World of Early Modern Britain Richard Blakemore, James Davey, 2025-10-01 Britain s emergence as one of Europe s major maritime powers has all too frequently been subsumed by nationalistic narratives that focus on operations and technology This volume by contrast offers a daring new take on Britain s maritime past It brings together scholars from a range of disciplines to explore the manifold ways in which the sea shaped British history demonstrating the number of approaches that now have a stake in defining the discipline of maritime history The chapters analyse the economic social and cultural contexts in which English maritime endeavour existed as well as discussing representations of the sea The contributors show how people from across the British Isles increasingly engaged with the maritime world whether through their own lived experiences or through material culture The volume also includes essays that investigate encounters between English voyagers and indigenous peoples in Africa and the intellectual foundations of imperial ambition

why we call it *The Truth Made Clear* International Woman Suffrage: October 1916-September 1918 Sybil Oldfield, 2003
As the monthly periodical of the early twentieth century women's movement *International Woman Suffrage* originally *Ius Suffragii* was read by the leading figures of the suffrage movement in more than thirty countries Featuring an in depth introduction to the material and its social and historical context this four volume set reprints eight years of the journal making this rare resource available to students and researchers in a variety of disciplines In addition to women's fight for the vote *International Woman Suffrage* 1913-1920 covered such highly controversial topics as the age of consent for girls alcohol control education of girls new employment openings for women divorce law reform health insurance for mothers maternity benefits minimum wages prostitution women medical workers women police women politicians and other subjects of debate Truly global for its time issues included articles by women from Argentina Australia Austria Belgium Bohemia British India Bulgaria Canada China Denmark Egypt Finland France Germany Great Britain Hungary Iceland Ireland Italy Japan Netherlands New Zealand Norway Philippines Rumania Russia South Africa Sweden Switzerland Turkey and the USA

The Bookman, 1890 Civil War Special Forces Robert P. Broadwater, 2014-08-26 This timely addition to Civil War history shares the stories of 25 unique military organizations showing how past and future collided in the first modern war The Civil War of course pitted North against South It also pitted ancient ways of war against new technology inspired weaponry and tactics In surveying the war's elite fighting units this work covers both The book showcases novel weapons and unorthodox strategies including machine gunners rocket battalions chemical corps the Union balloon corps and the Confederate submarine service all of which harnessed new technologies and were forerunners of the modern military Chapters also cover archaic special forces such as lancers and pikers that had their last hurrah during this transformational conflict Readers will also meet the fighting youth of the North Carolina Junior Reserves the Graybeards of North Carolina and the female combatants of the Nancy Harts Militia of Georgia Going where few other studies have gone the book fills a gap in existing Civil War literature and brings to life the stories of many of the most extraordinary units that ever served in an American army The tales it tells will prove fascinating to Civil War and weapons buffs and to general readers alike

The Publishers Weekly, 1918 Lutherans and the Longest War David E. Settje, 2007-01-01 With its unique theology yet simultaneous representation of the silent majority American Lutheranism provides a compelling case study for U S citizens and their attitudes toward war faith foreign policy religious institutions and communism from 1964 to 1975 This book demonstrates how Lutherans maintained a hostility toward communism the Soviet Union and the People's Republic of China while debating the threat of communist infiltrations into the United States and the Vietnam War all in the context of their denominations periodicals and congregations *Critical Issues in Public Art* Harriet Senie, 2014-07-15 In this groundbreaking anthology twenty two artists architects historians critics curators and philosophers explore the role of public art in creating a national identity contending that each work can only be understood by analyzing the context in which it is

commissioned built and received They emphasize the historical continuum between traditional works such as Mount Rushmore the Washington Monument and the New York Public Library lions in addition to contemporary memorials such as the Vietnam Veterans Memorial and the Names Project AIDS Quilt They discuss the influence of patronage on form and content isolate the factors that precipitate controversy and show how public art overtly and covertly conveys civic values and national culture Complete with an updated introduction Critical Issues in Public Art shows how monuments murals memorials and sculptures in public places are complex cultural achievements that must speak to increasingly diverse groups

The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: A-E Joseph Wright, 1898 **Marie Marvingt, Fiancee of Danger** Rosalie Maggio, 2019-04-26 Marie Marvingt 1875 1963 set the world's first women's aviation records won the only gold medal for outstanding performance in all sports invented the airplane ambulance was the first female bomber pilot in history fought in World War I disguised as a man took part in the Resistance of World War II was the first to survive crossing the English Channel in a balloon worked all her life as a journalist spent years in North Africa and invented metal skis Her life story was so unusually rich in exploits and accomplishments that some dismissed it as a hoax This biography explores the life of the most incredible woman since Joan of Arc and investigates the reasons she has been forgotten Known as the fiancee of danger she was the model for the silent film series The Perils of Pauline
