Courage To Change:

Forty Something the Courage to Change, 1993 A book on addiction and the recovery process **Do You Have the Courage to Change?** Dr. W'alter J. Urban, 2004-05-01 This book is a breakthrough book and the first of its kind It focuses on specific reasons why people don't change Understanding the obstacles through a conscious awareness makes it easier for people to take the responsibility to change Many people offer reasons or excuses for maintaining the status quo They seldom look in the mirror and confront their issues and then challenge themselves to make the changes that they know would create a healthier lifestyle If you don't change for the better you will keep heading in the same direction and probably get worse Your old habits and patterns are reinforced each day and become harder and harder to change That's why the book offers simple suggestions of what you can do to start the changing process today These exercises will get you on the right track and help you develop discipline and new habits in which you take more responsibility for your greater well being There are no other books like this one Other books tell you what you should do to live a healthier lifestyle but lack the self confronting issues that are clearly and simply presented in this book With this in mind the benefits of *Do You Have The Courage To Change* cannot be found anywhere else *Courage to Change* Nkechi Anayo Iloputaife, 2020-02-20 As humans we hope and pray for things to change in all ramifications of our lives But more often than not we are not prepared for the change and worse off we do not have the courage to effect the changes we desire Having lived through the decades and gone through several phases of life that demanded the need for change from her Rev Dr Nkechi F Iloputaife reveals key principles for taking a hold of your destiny even in the midst of crisis and tragedy Taking a case study of the life of Moses and the major changes he had to go through to fulfill his destiny she outlines 7 practical steps everyone must take to stay on top of life's ever changing conditions So whether you are going through change by choice chance or crisis in *Courage to Change* you will discover a powerful instrument God has given every one of us for navigating our way through life's uncharted path *Courage to Change* lays bare the practical steps you can take to harness the opportunities and overcome the challenges in today's reality You will discover how to become the architect of your own destiny and not a victim of constantly changing times and circumstances If you like practical easy to read and action inspiring books you will absolutely love *Courage to Change*
