Courageous Visions:

Vision, Courage and Service Brigadier Satish K. Issar, 2021-06-15 Born in a traditional Indian middle class family in 1921 Tapishwar Narain Tappy Raina rose to the pinnacle of the Indian Army in 1975 A decorated and battle hardened soldier Tappy Raina proved also to be a visionary Army Chief He pushed through ground breaking initiatives both for making the Indian Army future ready and for the welfare of its officers and men Equally his quiet but firm stand against the Indian Army being drawn into the maelstrom of Indian politics during the period of Emergency was a truly signal service to India s democracy Tappy Raina was pitched into the 2nd World War at the very outset of his army career and saw action in the Middle East Burma and the Far East During this period he was wounded and lost his right eye but never let this early setback affect him professionally His finest hour as a soldier came during India s war with China in 1962 Amidst the ruins elsewhere along the borders Brigadier Raina won laurels as a battlefield commander in Ladakh where Indian Army blunted the Chinese PLA in the battle of Chushul For this exemplary military leadership Tappy Raina was conferred the country s second highest gallantry award the Maha Vir Chakra MVC Later for his contribution in the war against Pakistan in 1971 then Lt General Raina was conferred the award of Padma Bhushan Not even sixty yet General Raina passed away in 1980 with his boots on while serving in India s High Commissioner in Canada Interspersed in the book are notes by Tappy Raina s wife Ninette which etch out some personal facets of his life and reveal his innate decency modesty and compassion General T N Raina s was an inspiring life of outstanding service to the nation embodying vision professional excellence and courage

Courageous Hope Leonard Doohan, 2011 This book s focus on leadership and hope is very appropriate given today s climate of distrust that many find results in a sense of hopelessness in their current leaders Individuals and organizations are desperate for leaders of hope Many books on leadership point to the need for inner motivation but that inner motivation must be hope in new possibilities for a changed future It is hope that gives a meaningful expression to leadership and enables the leader to be creative in dealing with the present More than anything else it is a vision of hope that can excite and empower leaders to inspire others to strive for a common vision You can have faith in a vision but it is only hope that keeps you working for it for dedication to vision is only proved in hope Today s world and its many manifestations in organizational life are crying out for a new dedication to the vocation of leadership The greedy the abusers the power hungry the selfish will always be with us May there also always be those men and women who will give their lives to leadership in service for others and in dedication to a future for which we hope The aim of this book is to invite the reader to think about what he or she hopes for in leadership and how to be faithful to those hopes *Vision, Values, and Courage* Neil Snyder, 2010-06-15 Today quality is the battleground on which global competition takes place yet without effective leadership no quality program can succeed This penetrating book exposes the problems that arise when leadership in business fails to do its job and offers powerful inspirational examples of firms that have confronted this problem and prevailed through leadership that aims at

producing quality results By highlighting the practices of such noted leaders as Walt Disney and Michael Eisner at Walt Disney Ray Kroc at McDonald s Sam Walton at Wal Mart David Kearns at Xerox and Robert Galvin at Motorola the authors reveal how each of these legendary leaders possessed three crucial leadership characteristics vision strong values and beliefs and the active courage to make their visions a reality These characteristics they show make the difference between superior performance and business as usual With eloquent case studies the authors demonstrate that unusually successful business leaders show the way for their employees by nurturing cultures that encourage and reward quality performance and by exhibiting personal characteristics that inspire excellence A leader dedicated to a single vision the authors show inspires personal commitment to a common purpose Walt Disney had a vision of a company that would never stop creating innovating and growing Values and beliefs serve as the basis for direction and action in a business Superior leaders the authors argue are expert in the promotion of values such as Ray Kroc s obsession with high quality inexpensive food in a clean environment The courage to make things happen is exhibited most dramatically by Sam Walton s perseverance in mass market retailing The payoffs for these superior leaders included the loyalty and commitment of their employees quality and profits The authors approach to leadership for quality management with its focus on vision values and courage emphatically demonstrates what leaders must do to consistently produce quality results if they want their organizations to prosper and grow

A Vision of Courage James Nathan Post, George Mendoza, III, 2000-10 An exciting motivational and inspirational action romance A Vision Of Courage is the fast paced adventure of a young man s struggle to overcome adversity and rise to fulfillment beyond the goal he was seeking and to find understanding he had not known he was seeking *Courage and Calling* Gordon T. Smith, 2024-05-28 What is my calling How do I best live it out Will my vocation change In this third edition of his popular book Gordon Smith addresses these questions and more providing rich insight for all who long to courageously follow God s call This is your invitation to discover your calling by listening to God and becoming a coworker with him

The Splendor, Wonder, Vision and Courage of America Dr. Alex Huxley Westfried, 2011-06-01 The purpose for writing this book is that America s role on a global scale since 2009 is being made more difficult by major changes on the global scene However the United States will continue to be the leading power for the next decade China the Middle East Pakistan Iran and the Al Quida are major challenges to the America s economic and moral supremacy Ben Bernanke chairman of the Federal Reserve has created major reforms in our economy to stabilize the US and avoid a depression He has poured 1 6 trillion dollars in the American economy plus 1 7 trillion dollars in unconventional loans in 2009 reduced the interest rate to practically zero started seven Blue Sky Lending Programs negotiated conditions with the major international leaders in Europe that will help to recover the American economy through a major recession and invested 700 billion dollars to help Wall Street recover from a major disaster *The Eternal Vision* , 2002 For many years the author has used his enormous collection of quotations this anthology is only the tip of the iceberg with students in Reflection Groups Each week

20 or 30 such groups meet at the University College chaplaincy for contemplation and discussion of a chosen theme Beginning with quotations from the Bible other sources are called upon to recollect the knowledge and wisdom of the past as well as present day insights The aim is to enrich hearts and minds after the manner of Philippians 4 8 Whatever is true honourable just pure lovely gracious think on these things

Achieving Entrepreneurial Success Through Passion, Vision & Courage Brooke R. Envick Ph. D.,2013-06 The quintessential American Dream is to own a business and make a living doing what you love For many this seems quite difficult because there tends to be information overload when you search for ways to do it On top of that many people believe that entrepreneurship is only reserved for a select group of people with a certain personality type While being an entrepreneur is certainly not for everyone it is a viable option for many You probably have more passion vision and courage than you realize to make your entrepreneurial dreams come true Based on a 20 year study of approximately 200 successful entrepreneurs this book is designed to unleash your passion vision and courage provide it with direction and elevate it to a whole new level called dynamic success The Entrepreneurial Intelligence Model is the basis for the book and it includes three themes and eight qualities for entrepreneurial success Passion Ambition Work Ethic Continuous Learning Vision Innovation Using People as an Asset Courage Taking Informed Risk Integrity Resilience The Entrepreneurial Intelligence Model also includes five action steps which are Generating Ideas Creating Value Propositions and a Competitive Advantage Conducting an Idea Merit Survey Completing a Feasibility Analysis Developing a Business Plan This is all provided in an easy to read understandable step by step format If you want to make your American Dream a reality this book is for you

The Minimalist Vision of Transcendence Jerome A. Stone,1992-11-03

Double Vision Tzachi Zamir,2012-06-24 Hamlet tells Horatio that there are more things in heaven and earth than are dreamt of in his philosophy In Double Vision philosopher and literary critic Tzachi Zamir argues that there are more things in Hamlet than are dreamt of or at least conceded by most philosophers Making an original and persuasive case for the philosophical value of literature Zamir suggests that certain important philosophical insights can be gained only through literature But such insights cannot be

reached if literature is deployed merely as an aesthetic sugaring of a conceptual pill Philosophical knowledge is not opposed to but is consonant with the literariness of literature By focusing on the experience of reading literature as literature and not philosophy Zamir sets a theoretical framework for a philosophically oriented literary criticism that will appeal both to philosophers and literary critics Double Vision is concerned with the philosophical understanding induced by the aesthetic experience of literature Literary works can function as credible philosophical arguments not ones in which claims are conclusively demonstrated but in which claims are made plausible Such claims Zamir argues are embedded within an experiential structure that is itself a crucial dimension of knowing Developing an account of literature's relation to knowledge morality and rhetoric and advancing philosophical literary readings of Richard III Macbeth Romeo and Juliet Othello Antony and Cleopatra Hamlet and King Lear Zamir shows how his approach can open up familiar texts in surprising and rewarding ways *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George V. Wigram, 1860

The Englishman's Hebrew and Chaldee Concordance of the Old Testament George Vicesimus Wigram, 1843 *The Englishman's Hebrew and Chaldee concordance of the Old Testament* [based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.]. George Vicesimus Wigram, 1860 **The Imitation of Saint Paul** Jim Reapsome, 2013-08-07 The Imitation of

Saint Paul takes us behind the headlines of his career and offers a fresh compelling contemporary look at the man who changed the world When the exemplary apostle got into the face of his converts he bluntly held up his own life as the pattern for theirs How risky is that The purpose of this readable work with a modern twist is to discover how Paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him What elements in the apostle's life made him the man he was How does his life become the format of ours What changes can we make to follow in his footsteps This work serves as both an introduction to the apostle for those new to the Christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for Christ **Educational Courage**

Mara Sapon-Shevin, Nancy Schniedewind, 2012-09-04 Lost amid the debate over educational policies are the stories of the educators parents and students who are most affected by legislation such as No Child Left Behind and Race to the Top In Educational Courage veteran educators and activists Nancy Schniedewind and Mara Sapon Shevin bring together the voices of those who are resisting market driven initiatives such as high stakes testing charter schools mayoral control and merit pay The diverse narrators who write in this volume confront the educational agendas that undermine teachers judgment and knowledge ignore the different backgrounds of students and parents and debase the learning process Yet these educators parents and activists also offer stories of resistance and hope as they fight to uphold the ideals of democratic public education **Lead with Vision, Inspire with Action: The Essential Traits of Transformational Leaders** Silas

Mary, 2025-02-19 Transformational leaders are visionaries who inspire greatness in others by leading with purpose and action Lead with Vision Inspire with Action explores the core traits of transformational leaders and provides a roadmap for
