1950 this book considers many facets of these unique and significant structures **The Courthouses of Central Texas** Brantley Hightower, 2015-04-15 The county courthouse has long held a central place on the Texas landscape literally as the center of the town in which it is located and figuratively as the symbol of governmental authority As a county's most important public building the courthouse makes an architectural statement about a community's prosperity and aspirations or the lack of them Thus a study of county courthouses tells a compelling story about how society's relationships with public buildings and government have radically changed over the course of time as well as how architectural tastes have evolved through the decades A first of its kind *The Courthouses of Central Texas* offers an in depth comparative architectural survey of fifty county courthouses which serve as a representative sample of larger trends at play throughout the rest of the state Each courthouse is represented by a description with information about date of construction and architects along with a historical photograph a site plan of its orientation and courthouse square and two and sometimes three dimensional drawings of its facade with modifications over time Side by side drawings and plans also facilitate comparisons between courthouses These consistently scaled and formatted architectural drawings which Brantley Hightower spent years creating allow for direct comparisons in ways never before possible He also explains the courthouses formal development by placing them in their historical and social context which illuminates the power and importance of these structures in the history of Texas as well as their enduring relevance today **Housing and Planning References**, 1978 House documents, 1883 **The Sandstone Architecture of the Lake Superior Region** Kathryn Bishop Eckert, 2000 Eckert stresses the importance of the building materials as she explores the architectural history of a region whose builders wanted to reflect the local landscape *Documents of the Senate of the State of New York* New York (State).
