Courting Christina:

The Court of Christina of Sweden, and the Later Adventures of the Queen in Exile Francis Gribble, 2010-06-01
Francis Henry Gribble 1862 1946 was a prolific biographer *Courting Christina* Claudette Williams, 1996 A high spirited country beauty and hoyden Christina finds her life irrevocably altered by the death of her guardian when the Earl of Halloway according to the terms of his uncle's will arrives to turn her into a lady and find her a husband Original **The Marrying of Anne of Cleves** Retha M. Warnicke, 2000-04-13 A study of the marrying of Anne of Cleves to Henry VIII and of sexual court politics The Bridal Discipline Omnibus Golden Angel, 2021-06-21 Five stern lords five naughty wives and Fifty Shades of Hot This collection of historical romances will have you reaching for your smelling salts Golden's Victorian books are some of my favorites She creates unique characters and a developed storyline all with some hot as sin scenes I'm always hungry for more Marie Philip's Rules Cordelia's determined to be the perfect wife but her stepdaughter from her first marriage is just as determined to undermine her every step of the way His method of correction for both Cordelia and Gabrielle isn't what either lady expected Undisciplined A Novella Gabrielle is used to being a burden and when her stepmother finds a new husband she knows that's exactly what she is to both of them She's prepared to marry anyone to try and grasp for what happiness she can find and no longer be underfoot of the happy couple This novella was written at the request of readers who wanted to know what was happening between Felix and Gabrielle during Book 1 of the Bridal Discipline series Gabrielle's Discipline To escape the scandal of trying to elope with an unworthy man Gabrielle finds herself married to the man she loves a charming rake and her guardian's best friend Mr Felix Hood He's the third son of a Viscount he's darkly handsome and he's in love with her stepmother Or so she thinks Lydia's Penance Lydia is desperate to escape her stepfather's household so when she hears the Duke of Manchester say that he doesn't care who he weds she decides his reputation from being an honorable man and his indifference to who his wife will be makes him the perfect husband Unfortunately the Duke is not pleased to be trapped into a marriage with a woman who is keeping secrets from him Can love still find a way Benedict's Commands Love Marriage Lady Christina Rowan Dowager Marchesse of Stanhope doesn't think so She avoids both heavy emotions and heavy commitments Time away from Christina has made Benedict realize how deep his own feelings for her run when he returns to London for the Season he's determined to court his former lover and turn her into his wife Arabella's Taming Lady Arabella Windham sister to the Duke of Manchester has given up on ever attracting the positive attention of Lord Thomas Hood After discovering he still sees her as the same hoydenish young woman she was in the past she throws caution to the wind and becomes more reckless than ever When her return to feckless and indiscreet behavior results in disgrace however it's Lord Thomas Hood who is caught up in the scandal with her With a strong willed bride determined to make her new husband dance to her tune and a stubborn lord determined to curb his new wife's imprudent ways is a happily ever after even possible The complete collection of Bridal Discipline romance lords and ladies

Roterling,2010-10 A young boy named Abner lies alone under the stars wondering about his future and what impact his life will have on the world He can t possibly imagine the plans God has for him and his family plans that will affect thousands and shape the future of the world The Faithful takes the reader along with Abner and his family as they embark on an epic adventure to find a new home in a strange new land Along their journey they will witness untold wonders encounter fantastic creatures battle ruthless villains and with the help of angels struggle against the powerful forces of hell itself intent on destroying them The reader is front and center as the spiritual war between good and evil rages in the temporal affairs of men Intense battles will be fought Heroes of faith will be revealed In the end the faithful will stand Terrence L Roterling is known for his action packed novel STAND which portrays the eternal struggle between good and evil in both the physical and spiritual realms STAND the second book in the Trinian saga is described by readers online as thrilling uplifting and meaningful Christian fiction an intriguing story using a C S Lewis J R R Tolkien and Frank Peretti style having truth solidly imprinted in its DNA The Faithful successfully follows suit laying the foundation for the Trinian series with an epic serving of mounting suspense relentless action and heroic conviction intent on leaving the reader satisfied edified and strengthened in the faith Terrence Roterling serves his Lord and Savior Jesus Christ at his local church and in his community He and his wife Theresa live in Colorado with their two children Tanner and Thomas The Faithful is the first book in the Chronicles of Trinian series A *Deadly Light* Charles Ayer,2015-10-30 Why did two apparently unrelated murder victims a young prostitute and an unidentified Korean man die on the streets of New York City with the same cryptic words A thousand points of light on their lips NYPD Detective Sergeant Walter Hudson s efforts to find out unexpectedly but inexorably lure him into the treacherous worlds of political intrigue unchecked power and limitless wealth worlds that he is ill equipped to understand But he has to learn fast as he begins to peel back the layers of a monstrous plot that threatens not only the city he loves but his country as well It s a race against time and Detective Hudson has less time than he thinks **Royal Portraits in Hollywood** Elizabeth A. Ford,Deborah C. Mitchell,2009-06-26 Few lives provide as much history or drama as those of monarchs Filmmakers from the silent era to onward have displayed a deep fascination with the lives of royalty and with queens in particular Still the

question remains what do these films really tell us about the women beneath the crowns Drawing on films from the 1930s to those of today *Royal Portraits in Hollywood* Filming the Lives of Queens investigates the ways in which these films reproduce history and represent women Though hardly progressive in nature many early films offered an acceptable nonthreatening way to present strong female characters in an economic and social landscape run almost exclusively by men Authors Elizabeth Ford and Deborah Mitchell track the evolution of queens on film noting how depictions of prominent women have changed over the past several decades and calling attention to the ways in which films both reflect and dictate the social norms of their eras By comparing historical records of monarchs such as Queen Christina of Sweden Catherine the Great Cleopatra and Elizabeth I with their onscreen personas and examining the biographical details of the actresses who portrayed these women Ford and Mitchell present a fascinating inquiry into issues of historical accuracy and gender politics in film
