The Evolution of Insect Mating Systems David M. Shuker, Leigh W. Simmons,2014 Insects display a staggering diversity of mating and social behaviours Studying these systems provides insights into a wide range of evolutionary and behavioural questions such as the evolution of sex sexual selection sexual conflict and parental care This edited volume provides an authoritative update of the landmark book in the field *The Evolution of Insect Mating Systems* Thornhill and Alcock 1983 which had such a huge impact in shaping adaptationist approaches to the study of animal behaviour and influencing the study of the evolution of reproductive behaviour far beyond the taxonomic remit of insects This accessible new volume brings the empirical and conceptual scope of the original book fully up to date incorporating the wealth of new knowledge and research of the last 30 years It explores the evolution of complex forms of sex determination in insects and the role of sexual selection in shaping the evolution of mating systems Selection arising via male contest competition and female choice both before and after copulation are discussed as are the roles of parasites and pathogens in mediating the strength of sexual selection and the role that parental care plays in successful reproduction *The Evolution of Insect Mating Systems* is suitable for both graduate students and researchers interested in insect mating systems or behaviour from an evolutionary genetical physiological or ecological perspective Due to its interdisciplinary and concept driven approach it will also be of relevance and use to a broad audience of evolutionary biologists

An Unconventional Courtship Scotty Cade,2012-10-12 Tristan Moreau loves his job as chief administrative officer and personal assistant to Webber Kincaid President Chairman and CEO of Kincaid International It would be the perfect job if only he hadn t fallen in love with his boss as well as the work After two years he s still doing everything in his power to keep his feelings hidden mostly because he wants to protect the reputation of his famous boss but also because he wants to keep his job Webber Kincaid has stayed in the closet using his best friend and confidante as his beard Everything in his life was working out just fine until he met Tristan Moreau Within months Tristan stole his heart and became his lifeline But Webber knows the rules of

the workplace better than anyone so he's kept his distance But two years is too long to wonder what if especially when business takes them to a private Caribbean island When Tristan and Webber succumb to the tropical heat their professionalism starts to backslide It's a seemingly impossible relationship making a go at it under the paparazzi's microscope It may be the best or the worst business decision they ever made **Gods of Aberdeen** Micah

Nathan, 2005-06-03 A haunting novel about a brilliant young man who enrolls at a small New England college and becomes entangled in a mysterious death and the ultimate scientific quest Eric Dunne is a sixteen year old academic phenom Desperate to escape his foster family Eric graduates early from high school and earns a scholarship to Aberdeen College a small prestigious school in northern Connecticut Aberdeen is a school for the privileged youth of America's elite an isolated world where hard drinking and hard studying go hand in hand When Eric is assigned a work study job with the college's head librarian Cornelius Graves Eric begins to hear strange and disconcerting rumors about his new mentor Despite himself he is curiously drawn to Cornelius if only to divine whether it's true that he's searching for the Philosopher's Stone a mythical substance that supposedly holds the secret to eternal life At the same time Eric's preternatural aptitude for Latin quickly attracts the attention of Arthur Fitch a charismatic and aloof senior who invites him to become a research assistant for Dr William Cade Aberdeen's most celebrated professor Eric is accepted into Cade's small circle of sophisticated students all of whom live off campus on Cade's country estate and soon discovers that his new friends are not just conducting research for Dr Cade they too are searching for the Philosopher's Stone When an alchemical experiment goes fatally wrong Eric is drawn deeper into the dark secrets surrounding the legendary substance As the police investigation narrows and Eric gets swept up in Professor Cade's obsession the tensions on the estate and in Eric's new friendships threaten to explode and with them Eric's idealized world Like *The Secret History* and *A Separate Peace* *Gods of Aberdeen* demonstrates the selfishness and savagery that can lie at the heart of the most rarefied academic setting *Corner-Office Courtship* Victoria Pade, 2012-09-18 When a

CEO comes a calling What's a girl like small business owner Natalie Morrison to do especially when said CEO is Cade Camden First there's the fact that his family double crossed hers a few generations back It's even worse that this rich boy is so darn charismatic just like the ex husband who walked all over her Nati won't let herself swoon anytime soon Cade is on a mission for his grandmother to make amends for the Camdens' ruthless treatment of the Morrisons in the early days of Camden Incorporated But is matchmaking Gran's ulterior motive Because there's something so kissable about Nati so tempting He's here to mend fences can he mend this woman's broken heart too **Sex-based Differences in the Use and**

Oliveira, Michael Taborsky, H. Jane Brockmann, 2008-03-13 The study of alternative reproductive tactics the behavioural strategies used by individuals to increase their reproductive success is an evolutionary puzzle and one of great interest to researchers For instance why do some males guard both nest and eggs while others sneak into nests while pairs are

spawning and fertilise those eggs The field offers a special opportunity to study the evolution and functional causes of phenotypic variation which is a general problem in the field of evolutionary biology By integrating both mechanistic psychological and evolutionary behavioural ecology perspectives and by covering a great diversity of species *Alternative Reproductive Tactics* addresses this integrated topic of longstanding interest bringing together a multitude of otherwise scattered information in an accessible form that is ideal for graduate students and researchers
