OF TWENTIETH-CENTURY MEXICAN ART

THE COVARRUBIAS CIRCLE

KURT HEINZELMAN, General Editor

Covarrubias Circle Nickolas Murays Colle

Peter Mears

Covarrubias Circle Nickolas Murays Colle:

The Covarrubias Circle Peter Mears, 2004 New York in the 1920s and 1930s was a modernist mecca that drew artists writers and other creators of culture from around the globe Two such expatriates were Mexican artist and Renaissance man Miguel Covarrubias and Hungarian photographer Nickolas Muray Their lifelong friendship gave Muray an entrance into Covarrubias's circle of fellow Mexican artists Frida Kahlo Rufino Tamayo Juan Soriano Fernando Castillo Guillermo Meza Roberto Montenegro and Rafael Navarro whose works Muray collected This outstanding body of Mexican modernist art now owned by the Harry Ransom Humanities Research Center HRC at the University of Texas at Austin forms the subject of this beautifully illustrated volume Produced in conjunction with the Ransom Center's exhibition Miguel Covarrubias A Certain Clairvoyance this volume contains color plates of virtually all the items in Nickolas Muray's collection of twentieth century Mexican art The majority of the works are by Covarrubias while the excellent works by the other artists reflect the range of aesthetic shifts and modernist influences of the period in Mexico Accompanying the plates are five original essays that establish Covarrubias's importance as a modernist impresario as influential in his sphere as Ezra Pound T S Eliot and Jean Cocteau were in theirs Likewise the essays reestablish the significance of Nickolas Muray whose success as a master of color photography portraiture advertising imagery and commercial illustration has made him difficult to place within the history of photography as a fine art As a whole this publication of the Nickolas Muray Collection vividly illustrates the transgression of generic boundaries and the cross fertilization among artists working in different media from painting and photography to dance and ethnography that gave modernism its freshness and energy It also demonstrates that American modernism was thoroughly infused with a fervor for all things Mexican of which Covarrubias was a principal proponent and that Mexican modernists no less than their American and European counterparts answered Pound's call to make it new

Becoming the Ex-Wife Marsha Gordon, 2023-04-25 *Becoming the Ex Wife* tells the story of US women's changing prospects in early twentieth century life through the lens of its once famous but now forgotten subject Ursula Parrott Parrott was a prolific and best selling author whose books Hollywood deals quartet of marriages and divorces and numerous run ins with the law made headlines over the course of her unconventional life Part biography part cultural history *Becoming the Ex Wife* is a timely story about women and careers divorce reproductive rights and single motherhood told through the life of a woman who was on the front line of a culture war that is still being fought today

Transatlantic Intellectual Networks, 1914-1964 Hans Bak, Céline Mansanti, 2019-11-13 The twelve essays in this book by scholars from the U S France Germany the Netherlands and the Czech Republic offer new transnational perspectives in transatlantic historical literary and cultural studies They explore the special role of American and European intellectuals as agents of transatlantic cultural transfer and examine the mechanisms and instruments through which artists writers and intellectuals communicated across oceans and national borders in the half century between 1914 and 1964 Their focus is on transatlantic networks and the instruments of culture

through which such networks become operative as sites of cross cultural exchange circulation and interaction magazines caf s publishing houses book fairs agents translators and mediators and last but not least transatlantic personal friendships

Contending that the dynamics of transatlantic cultural transfer need to be understood as reciprocal and multi directional they also exemplify the shift within transatlantic intellectual history from a traditional concern with European U S relations to a multidirectional triangular exploration of cultural political and intellectual relations between Europe the United States and Latin America

Fantasies of Ito Michio Tara Rodman, 2024-10-01 Born in Japan and trained in Germany dancer and choreographer Ito Michio 1893 1961 achieved prominence in London before moving to the U S in 1916 and building a career as an internationally acclaimed artist During World War II Ito was interned for two years and then repatriated to Japan where he contributed to imperial war efforts by creating propaganda performances and performing revues for the occupying Allied Forces in Tokyo Throughout Ito continually invented stories of voyages made artists befriended performances seen and political activities carried out stories later dismissed as false *Fantasies of Ito Michio* argues that these invented stories unrealized projects and questionable political affiliations are as fundamental to Ito s career as his real activities helping us understand how he sustained himself across experiences of racialization imperialism war and internment Tara Rodman reveals a narrative of Ito s life that foregrounds the fabricated and overlooked to highlight his involvement with Japanese artists such as Yamada Kosaku and Ishii Baku and global modernist movements Rodman offers fantasy as a rubric for understanding how individuals such as Ito sustain themselves in periods of violent disruption and as a scholarly methodology for engaging the past

The Alcalde , 2005-03 As the magazine of the Texas Exes *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years *The Alcalde* serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

Miguel Covarrubias Carolyn Kastner, 2014-09-15 This catalogue of an exhibition at the Georgia O Keeffe Museum broadens our understanding of twentieth century modernism by exploring the prolific Mexican artist Miguel Covarrubias s substantial contributions to a cosmopolitan sensibility in modernist art

The Hispanic American Historical Review James Alexander Robertson, 2005 Includes Bibliographical section

Nexus New York Deborah Cullen, 2009 An examination of the pioneering Caribbean and Latin American artists who resided in New York prior to WWII and shaped the American avant garde Between 1900 and 1942 New York City was the site of extraordinary creative exchange where artists could share ideas in a global context The swiftly changing urban landscape before and between the World Wars inspired the erosion of artistic boundaries and fostered a new climate of modernist experimentation *Nexus New York* focuses on key artists from the Caribbean and Latin America who entered into dynamic cultural and social

dialogues with the American based avant garde and participated in the development of a new modern discourse Featuring both celebrated and little known figures of this period including Carlos Enr quez Alice Neel Marius de Zayas Francis Picabia Joaquin Torres Garcia Jos Clemente Orozco Matta and Robert Motherwell contributing authors also discuss the specific environments in which they flourished including the Art Students League the Siqueiros Experimental Workshop and the New School for Social Research A fascinating look at 20th century modernism this book provides the first view of the important encounters between artists of the Americas Published in association with El Museo del Barrio New York Exhibition Schedule El Museo del Barrio New York 10 17 09 2 28 10

Hispanic New York Claudio Iván Remeseira, 2010-06-11 Over the past few decades a wave of immigration has turned New York into a microcosm of the Americas and enhanced its role as the crossroads of the English and Spanish speaking worlds Yet far from being an alien group within a mainstream and supposedly pure Anglo America people referred to as Hispanics or Latinos have been part and parcel of New York since the beginning of the city's history They represent what Walt Whitman once celebrated as the Spanish element of our nationality *Hispanic New York* is the first anthology to offer a comprehensive view of this multifaceted heritage Combining familiar materials with other selections that are either out of print or not easily accessible Claudio Iván Remeseira makes a compelling case for New York as a paradigm of the country's Latinoization His anthology mixes primary sources with scholarly and journalistic essays on history demography racial and ethnic studies music art history literature linguistics and religion and the authors range from historical figures such as Jos Mart Bernardo Vega or Whitman himself to contemporary writers such as Paul Berman Ed Morales Virginia Sánchez Korrol Roberto Suro and Ana Celia Zentella This unique volume treats the reader to both the New York and the American experience as reflected and transformed by its Hispanic and Latino components

Miguel Covarrubias Caricatures Beverly J. Cox, Miguel Covarrubias, Denna Jones Anderson, 1985 *Art Journal*, 1960

I Will Never Forget You -- Salomón Grimberg, Nickolas Muray, 2004 *The Streets of Laredo* José E. Limón, 2025-05-01 Arguing that the well known cowboy ballad *The Streets of Laredo* is an early expression of discontent with an encroaching modernity author Jos E Limón draws upon ethnomusicology folklore history contemporary literature and other sources to provide a deeply contextualized analysis of the song He explores its place in the imaginative construction of the American West and its role in the interpretation of both Anglo American and Mexican American identity in the Texas borderlands and beyond With the ballad as his point of departure Limón takes readers on a tour that includes formative experiences from his childhood in Laredo and Corpus Christi examination of the works of Américo Paredes Larry McMurtry and others and considerations of American popular music cinema baseball and associated socio cultural phenomena The result is a complex and intriguing view of Texas and American culture as seen through the lens of a simple cowboy song It is my hope Limón writes in his introduction that this account of these central figures in Texas history the ordinary cowboy and this ballad will prove useful as Texas deals with the current and deeply conflicted phase in its long struggle with modernity

The Streets of Laredo Texas Modernity and Its Discontents offers readers important new perspectives on how society struggles with understands and comes to terms or fails to come to terms with the inevitable changes wrought by an evolving culture

Thank you utterly much for downloading **Covarrubias Circle Nickolas Murays Colle**. Most likely you have knowledge that, people have look numerous times for their favorite books taking into account this Covarrubias Circle Nickolas Murays Colle, but stop stirring in harmful downloads.

Rather than enjoying a fine book taking into account a mug of coffee in the afternoon, otherwise they juggled in imitation of some harmful virus inside their computer. **Covarrubias Circle Nickolas Murays Colle** is user-friendly in our digital library an online permission to it is set as public hence you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency period to download any of our books taking into consideration this one.
