Covenant Bible Study: Leader Guide Covenant Bible Study, 2014-04-15 This Covenant experience will guide participants in a comprehensive in depth study of the Bible over twenty four weeks Unlike the learning participants may have experienced in other groups this in depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others The Leader Guide contains comprehensive and detailed direction for each meeting experience While each group's chemistry will vary the Leader Guide contains the following elements The Group Meeting Experience Each Covenant Bible Study episode follows the same essential structure by balancing conversational teaching from biblical experts with engaging discussion among the participants Covenant is

designed so that the meaning of the Bible isn't found in just listening to a biblical scholar or listening to one's own inner voice. Only through conversation in community in the Covenant Group Meeting Experience can we discover the Bible's transformative power. During some weeks the group might be so full of energy and questions that conversation leaves less time for the video. That's okay. The spiritual energy that wakes up and transforms a life is the most important result from this kind of Bible study.

Gathering Together 10 min The opening questions of this segment in each episode are designed to prompt conversation on a general topic that connects to the main theme of the episode. Begin by reading the scriptures in the Covenant Prayer section for Episode 1. Have one person say the phrase "For those who" and then the whole group responds by reading the scripture passage aloud. Neh 8:8 and then 8:10.

Reflecting Together 10 min This segment guides participants to share what they learned from the week's scripture readings with questions that tie their discoveries into a central theme. The study also encourages participants to memorize and share verses from the readings that they found particularly meaningful.

Video Segment 25 min Play the orientation video for Episode 1. The cohosts for this opening conversation are Reverend Shane Stanford, senior pastor at Christ United Methodist Church in Memphis, Tennessee, and Reverend Christine Chakoian, senior pastor of First Presbyterian Church in Lake Forest, Illinois. They will meet with a different biblical scholar in each video episode.

Discovering Together 15 min This segment in the following episodes builds on the insights of the biblical scholar and analyzes a single passage from the week's readings. The questions in the Group Meeting Experience section of the participant guide encourage a comprehensive look at the form, style, and central meaning of the scripture text. This segment will teach participants how to go deeper in the way they explore the Bible's meaning. If you handed out the participant guides before the first meeting or if individuals downloaded the participant guides to their mobile devices, assign a single Bible passage, Deuteronomy 10, to be read before the meeting as well. It will be discussed briefly at the first meeting during this segment.

Centering Together 10 min This segment provides a meditation which is a devotional way to read the Bible. This is a critical part of the experience because it ensures the study experience is not only informative for the mind but also formative for the heart. It will teach participants how to use imagination, prayer, and listening while reading scripture. These spiritual practices can strengthen their relationship with God. You may choose to have willing participants report on this experience, always located on Day 6 in the participant guide, if they are trying it at home. As an alternative, the leader guide includes this as a weekly group practice every week because some individuals are unfamiliar with this kind of meditation. Decide the best fit for your group: try it both ways as individuals and as a group.

Serving Together 5 min Read together the Signs of Faithful Love at the end of this episode. Then remind them that they are committing to a twenty-four week Covenant experience together where they will read the Bible daily and write responses in their participant guides, pray for other members of the group, each day meet with the group every week, listen for God speaking through the Bible and each other, and invite the Holy Spirit to change their lives through exposure to the good news of salvation in Jesus Christ encountered in the scriptures. Participants

are encouraged to conceive and share tangible ways that each week's readings will alter their priorities and perspectives and shape their behavior. More Questions Visit <http://covenantbiblestudy.com> for more information. Numerous helps for leaders are available including group calendars, daily emailed Bible readings, video training tips, bonus videos, and supplemental Bible resources. Every Covenant leader will want a copy of the CEB Study Bible. [Covenant Bible Study: Living Participant Guide](#) [Large Print](#) Covenant Bible Study, 2014-08-19. This Covenant experience will guide participants in a comprehensive in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide: COVENANT TRANSLATES INTO ACTIONS into how we behave in our everyday lives. That's why the second module, Living the Covenant, focuses on how the community lives out their covenant in faithful love, how it's applied to actual relationships in daily life. The books included in these eight episodes examine the practical challenges of faithful covenant life. We explore leadership problems among tribal chieftains, kings, and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. And by demonstrating how people of vastly different cultures came together in a common purpose, they show how faithful love is the root of the covenant life. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Living Participant Guide is 8 weeks long and has a lay-flat binding making it easy to take notes in the generous space provided on each page. The Living Participant Guide contains the following episodes: Episode 9, Ruth, Esther, Song of Songs. Ruth, Esther, and Song of Songs are a part of the Festival Scroll and linked to sacred celebrations in Israel's life. In the story of Ruth, both Ruth and Boaz risk caring beyond conventional expectations, displaying faithful, expansive love with consequences for Israel's royal future. Esther risks everything to identify with her people and rescue them from a genocidal plot. Song of Songs displays the power and passion of a crazy love that also helps us understand God's love. Episode 10, Luke and Acts. Luke and Acts offer a vision of who God is and what salvation means. For the writer of Luke, Jesus is a prophet who reveals God's heart and intention to remake human beings and the broader world through a new community gathered in Jesus' name, the church. Living out Jesus' prophetic role in the power of the Holy Spirit, the church continues God's call to changed hearts and lives. Through Jesus and the church, God's Spirit calls people to belong, serve, and love by welcoming those considered outsiders by the world. Episode 11, 2 Samuel 1 and 2 Kings. In these books, the prophets serve as truth tellers to Israel's kings. They stress that relationship rather than power is central to choosing what's best for the people God loves. Kings are at their best when they are moved by compassion that trumps every preoccupation with

power Idolatry splits our attention and distorts our priorities distracting us from the main thing God alone is worthy of absolute loyalty and trust Episode 12 1 and 2 Thessalonians 1 and 2 Timothy Titus 1 and 2 Thessalonians are written to a community Paul loves a community suffering and anxious about Jesus return 1 and 2 Timothy and Titus pastoral letters are written to Paul's younger partners in ministry While 1 Timothy is intimate 2 Timothy reads like a last will and testament for Paul Episode 13 Wisdom Proverbs and Ecclesiastes Wisdom literature begins and ends with what is good for human beings in life Starting with everyday insights gathered across time by courts scribes these sayings are short and easy to remember The wise person is one who understands these teachings and can apply them appropriately in real life situations Life is fragile and short so wise people will enjoy family friends and the simple things in life Episode 14 Philemon Philippians Colossians Ephesians From a place where hope goes to die an imprisoned Paul says that God is able to restore hope and encourages reconciliation between Philemon home church leader and his runaway slave Onesimus To the Philippians Paul passes on an early hymn that speaks of Jesus as the self emptying suffering servant exalted by God Paul is a pastoral thinker and his words about slaves and masters must be understood in the context of Jesus expected return Episode 15 James Jude 1 and 2 Peter These letters are written to churches suffering harassment and struggling to keep the faith when Jesus promised return hasn't occurred They are written in the voice of those closest to Jesus and speak to new circumstances and situations Concerned about real life issues like gossip and favoritism toward the rich James is a practical book stressing who God is and what you should do about it Peter writes to guide the church in a negotiated faithfulness that requires discernment Episode 16 Prophets Isaiah 1 39 and the Book of the Twelve The prophets express the feelings of God God's deep love for Israel and all of humanity but also God's deep pain disappointment and anger when the people fail to be a loving community of neighbors They also communicate God's yearning to call the people back to taking care of each other especially those they are most likely to exclude widows orphans strangers immigrants For prophets like Hosea God has a parent's heart and refuses to give up on a faithless people More Questions Visit <http://covenantbiblestudy.com> for more information Covenant Bible Study: Participant Guides (Creating, Living, Trusting) Covenant Bible Study, 2017-01-12 Covenant Bible Study guides small groups through a comprehensive in depth study of the whole Bible over twenty four sessions broken into three eight session modules Unlike the learning participants may have experienced in other groups this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while we share signs of God's love with others Each Covenant Bible Study participant needs a Participant Guide and a Bible The CEB Study Bible is preferred but not required The Participant Guide walks study participants through the daily scripture readings and offers space to interact personally with the readings the group experience and the weekly meditations This single volume Participant Guide contains the materials required for all three
