Covenant Experience:

Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M.

Harris, 2023-09-25 The revelatory experience or in common parlance hearing God's voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life. Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament. Drawing on the tools of practical theology, this book presents the findings of a unique and ground-breaking study among Australian Pentecostals. With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church, many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose.

Inventing Hebrews Michael Wade Martin, Jason A. Whitlark, 2018-06-07 *Inventing Hebrews* uncovers a template of arrangement ubiquitous in antiquity as the key to the conundrum of Hebrews structure and purpose.

Galatians Carl P. Cosaert, 2011 Every day people are punished for breaking the law but how often are they scolded for obeying it? The *Galatians* were that's why Paul's letter to the church at Galatia has perplexed Bible scholars for decades. Is Paul who upholds the law in other epistles now declaring it futile? What does he really believe the relationship between obedience to the law and righteousness by faith is? Carl P. Cosaert confronts these questions head-on by thoroughly exploring Paul's themes: the centrality of faith in Christ, the role of the law in salvation and in the Christian life, the significance of the new covenant, the nature of true Christian freedom, how to walk in the Spirit, and why Christians should glory in the cross of Christ.

Covenant Theology in the Reformed Perspective Mark W. Karlberg, 2000-07-31 *Sunday Law* Tom Ogren, 2022-06-28 The Bible warns of deceptions. Being deceived in one way or another is something we all have experienced. The Bible has been on this platform of communication between God and man for thousands of years. Like many forms or ways to communicate, there is always something or someone infiltrating that which has been established, making what was meant to be a blessing now turned into an actual curse. Communication has always been essential; something man has always tried to make improvements on, from runners to messaging with flags or smoke to what we are more familiar with, electronic messaging. Electronic messaging has evolved from the simple tapped-out code across a single wire to what we have available today. Methods of communicating throughout history have evolved and have had their problems. There are many things that can go wrong when getting our point across, even when we think what is said is straightforward. In communication, words that we hear may come to us perfect in every way, but to our understanding, they have gotten misconstrued, partially or totally. The Bible has stood the test of time in this respect, so it should not surprise us to see it attacked for its righteous character. The Bible does not leave us in the dark on this subject. Matthew 13:13-15. Our heart naturally has an unhealthy fear of God's word. The Holy Spirit desires to transform this fear into a fear of respect. This takes place in an atmosphere of unselfish love. The cross Jesus has been nailed to proves that untainted communication and pure love does exist, still waiting our acceptance.

Yahweh Versus Baal Norman C. Habel, 2018-12-04 Since 1929 scholars have been concerned with the interpretation of certain Canaanite literary materials found at Ras Shamra in North Syria known as Ugarit in ancient times Attention has been paid primarily to certain linguistic and cultural parallels between this corpus of literature and sections of the Old Testament But despite the numerous treatments of the isolated points of contact between Ugaritic and biblical thought one major question has not received an adequate answer How and to what extent are the Ugaritic texts and especially the Baal texts relevant for an appreciation of the fundamentals of the Israelite religion Professor Habel seeks to answer at least part of this question by translating pertinent segments of the Baal texts according to the sequence of G R Driver summarizing their context and considering their import thought sequence and basic ideas in relation to appropriate materials from the early faith of Israel The succinct results of this comparison are provocative to say the least The author begins by isolating the major features of an underlying conflict tradition The conflict between Israel's beliefs and the religious forces of its environment was a vital influence in the formulation of Israel's earliest religious faith and experience The content of this faith as summarized in the concise wording of Exodus 19 3 6 is shown to be virtually identical with that of Israel's earliest poetic heritage where a lively polemic against the Canaanite religious is discernible One of the highlights of Professor Habel's comparison of the Baal texts with Israel's archaic poetic traditions is his contribution to the understanding of Exodus 15 In this connection he discovers a clearly defined sequence of ideas common to certain Baal texts and Exodus 15 1 18 By skillfully utilizing the work of other scholars the author sheds additional light on the polemical and theological import of several passages depicting theophanies of Yahweh A similar evaluation of the relevance of the Ugaritic texts for the cultic practices of Israel is made possible by a sober evaluation of the pertinent texts

Systematic Theology Wayne A.

Grudem, 2009-05-18 The Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem's bestselling Systematic Theology has several distinctive features A strong emphasis on the scriptural basis for each doctrine Clear writing with technical terms kept to a minimum A contemporary approach treating subjects of special interest to the church today A friendly tone appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies

Jesus' Transfiguration and the Believers' Transformation Simon S. Lee, 2009 Revision of the author's thesis Th D Harvard University 2008

[Straight Answers to 35 Tough Questions](#) Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin' in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with

enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers **Behold the Lamb** David Kang,1996-09

Like Spring Rain John Brough,2011-11-01 Looking at key concepts such as sealing regeneration indwelling filling baptism spiritual gifts and speaking in tongues this book seeks to set the Pentecostal and Toronto experiences on a biblical doctrinal basis which is both evangelical and conservative The New England Soul Harry S. Stout,2012-01-05 Harry Stout s groundbreaking study of preaching in colonial New England changed the field when it first appeared in 1986 Here twenty five years later is a reissue of Stout s book a reconstruction of the full import of the colonial sermon as a multi faceted institution that served both religious and political purposes and explained history and society to the New England Puritans for one and a half centuries Perspectives on the Sabbath Charles P. Arand,2011 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture **God's Solution to the Doubting Dilemma** Gordon Kainer,2016-02-02 Are you facing doubting dilemmas that challenge you doubts you find extremely annoying the kind that are messing up your Christian life Do you want to discover real solutions that are biblical effective and easy to understand If the answer is yes then this book offers the answers you are seeking Readers will discover the reasons why believers in Christ like everyone else have doubting quandaries about such significant topics as God the Bible especially the story of creation In presenting the only effective solution that comes through God s grace this book will unveil the intimate relationship between heaven s rebellion and the creation event It will also reveal why there is such an aggressive present day effort to present the creation story as a myth or parable rather than a literal historical event **A Window to the Divine** Zachary Hayes,2009 This new edition of A Window to the Divine presents a summary of developments on a number of basic questions pertaining to creation theology and what a synthesis might look like at this time It is based on the premise that contemporary believers can sense a remarkably rich communication of the divine mystery through the insights of science and that the sciences may open even richer and more challenging possibilities to the understanding of our tradition Our tradition is rooted in the belief that however the universe may look empirically it is precisely this universe described to us at the empirical level by the sciences that our faith holds to be the fruit of God s creative knowledge and love It is my hope that these reflections may help us discover in what sense this universe may truly be seen as a window to the mystery of the divine from the preface to A Window to the Divine

Impossible to Be Restored? Marcus A. Mininger,2025-09-01 The letter to the Hebrews contains and engages with some of the most perplexing passages of Scripture Temptation and apostasy provide one way of reading this New Testament book This volume in the New Studies in Biblical Theology series examines the Letter to the Hebrews what temptation its audience

was facing and what Hebrews meant when it warned that some who fall away cannot be restored to repentance **Passage Into Discipleship** Christopher Walker Wilson, 2009-07-01 Passage Into Discipleship is designed to help older children and youth more faithfully prepare for the act of baptism by teaching what it means to walk a Christian journey This book incorporates four different learning models that stimulate young people in being excited about becoming followers of Jesus Learning models include classroom instruction community and communal hands on experiences mentors that guide youth throughout the process and a day long retreat that concludes the curriculum Topics discussed in the book include confession contrition covenant community and connection which are each coupled with key scripture texts Each topic covered connects church theological concepts with daily life application **The Covenant of Grace in Puritan Thought** John Von Rohr, 2010-09-01 A comprehensive account of the major theological themes in the late sixteenth and early seventeenth century Puritanism of England and New England as seen through the concept covenant of grace The covenant of grace von Rohr argues enabled Puritanism to affirm both a continuation of Calvinistic predestinationism and an emergent voluntaristic pietism pastorally both the absolute and conditional promises of God An extensive array of primary source material is used in substantiating the author's thesis **Mitzvoth Ethics and the Jewish Bible** Gershom M. H. Ratheiser, 2007-03-01 Ratheiser's study provides the framework for a non confessional mitzvoth ethics centered and historical philological approach to the Jewish bible and deals with the basic steps of an alternative paradigmatic perspective on the biblical text The author seeks to demonstrate the ineptness of confessional and ahistorical approaches to the Jewish bible Based on his observations and his survey of the history of interpretation of the Jewish bible Ratheiser introduces an alternative hermeneutical exegetical approach to the Jewish bible the paradigm of examples His study concludes that the biblical text is a collection of writings designed and formed from a specifically ethical ethnic outlook In other words he regards the Jewish bible to be written as an etiology of ancient instruction by ancient Jews to Jews and for Jews As such it serves as a religious ethical identity marker that provides ancient Jews and their descendants with an etiology of Jewish life Ratheiser regards this religious ethical agenda to have been the driving force in the minds of the final editors compilers of the biblical text as we have it today **Wesleyan-Pentecostal Nazarene** Darrell Poeppelmeyer, This is book four of a six volume series that focuses on the salvation experiences of the people called Nazarenes This book covers the years 1895 1928 We examine every book of theology used in the Ministerial Course of Studies We examine the hymnals used and songs sung during each period of Nazarene history We listen to the testimonies of the people involved We discuss the liturgy and worship patterns We ask scores of Crazy Good Questions for discussions The book includes hundreds of Scripture verses and references to over two hundred academic journals and articles on Nazarene theology
