A Covert Agenda Nicholas Redfern,1997 This text describes how the government has been concealing the evidence of routine penetration of British airspace by rationally controlled machines from outside Earth over which the military infrastructure has little or no control It suggests that there is evidence that there has been an official shift in policy and that there is a desire to disseminate to the public top secret UFO data collected over the past 50 years Having examined the available evidence the author is convinced that there is an active alien presence on the Earth and that official confirmation of such a presence will soon be forthcoming

A Covert Agenda Nick Redfern,2014-06-29 Researcher Nick Redfern discovered that the British government has been tracking UFOs since 1947 The Ministry of Defence has documented and investigated hundreds of Royal Air Force police and public encounters with UFOs But it has never acknowledged these activities and has deliberately prevented its citizens from discovering these UFO encounters But according to Redfern this conspiracy of silence is cracking After decades of cover up the truth can finally be told UFOs are real and the British government knows it

Light and Dark Trevor J. Hawkeswood,2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In Light and Dark he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced it and he shares it all in Light and Dark But it hasn't all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him A comprehensive handbook for the paranormal enthusiast Hawkeswood's work also provides a glossary and reference list of English language UFO books In Light and Dark he shares a lifetime of experiences ideas and theories about this fascinating field of study
