Neibaur takes a film by film look at each of the superstar's signature works from *A Fistful of Dollars* in 1964 to his modern day classic *Unforgiven* which earned him two Academy Awards including best director The author discusses in detail the production impact influences and successes both critical and commercial of each film In addition Neibaur examines the continued success and influence of these works how they redefined challenged and progressed the western genre The book also features chapters that look at Eastwood's other films in the context of his overall career From the spaghetti westerns he made with Leone including *The Good the Bad and the Ugly* to his revisionist look at the Old West in *Unforgiven* *The Clint Eastwood Westerns* shines a spotlight on some of the most thrilling films of the genre For devotees of Eastwood the actor or director or simply fans of the western this book is an entertaining look at one of Hollywood's most enduring stars
