fifty years ago he met a sassy soiled dove in a Montana saloon Nell Dearly had wandered too far from home and was struggling to survive But the long lost farm girl has no idea just how far out she ll go The cyborg cowboys of Carbon County have fought for each other for love and for Earth itself But the consortium they escaped never stopped seeking them Now every star they see from Big Sky Country is in danger and only a lonely Theta and the saloon girl he kissed once upon a time might save us
