Cowgirl Poems Alan R. Gatrell, 2007-05 I will begin by telling you a little about the person who I am and how I came to write these pages Today I own and operate a real working cattle ranch along with a Country Western Bar and Grill Western Wear Feed and Saddle at the base of the Blue Ridge Mountains in North Carolina I grew up in a small farming community in rolling hills of rural Ohio I enlisted in the Military at age 17 and was selected by the US CID to do covert operations in the North Carolina region of USACIDC I worked as a CID Agent for 7 years and then left the CID but continued to work with special operations for an additional two years After 10 years of working as a covert undercover officer I decided to change direction and become and retired a North Carolina State Trooper The following poems and short stories were inspired by true events or friends who have touched my life in some matter and have forever changed my life It is said that friendship is clairvoyant With a true friend words are never needed What you enjoy doing together will come natural and such a friendship shall stand throughout the ages I hope you find such a friendship in your life and then you savor each day and share it with that someone special in your life as you go Whether we realize it or not everyone we know is very special to us When we look back on our younger years we will remember The people who went to school with us the people who made us laugh the people who hung out with us when nobody else would and the people who made our lives much better simply by being a part of it That's the wonderful thing about friendship you always feel loved and cared about The most important thing to remember is to always appreciate the friends that you have Seek out and find the time in each day to see the Beauty and Love in the world around you

Gender, Whiteness, and Power in Rodeo Tracey Owens Patton,Sally M. Schedlock,2012-08-20 The lure of cowgirls and cowboys has hooked the American imagination with the lure of freedom and adventure since the turn of the twentieth

century The cowboy and cowgirl played in the imagination and made rodeo into a symbolic representation of the Western United States As a sport that is emblematic of all things Western rodeo is a phenomenon that has since transcended into popular culture Rodeo s attraction has even spanned oceans and lives in the imaginations of many around the world From the modest start of this fantastic sport in open fields to celebrate the end of a long cattle drive or to settle a friendly who s the best bet between neighboring ranches rodeo truly has grown into an edge of the seat money drawing and crowd cheering favorite pastime However rodeo has diverse history that largely remains unaccounted for unexamined and silenced In *Gender Whiteness and Power in Rodeo* Tracey Owens Patton and Sally M Schedlock visually explore how race gender and other issues of identity complicate the mythic historical narrative of the West The authors examine the experiences of ethnic minorities specifically Latinos American Indians and African Americans and women who have continued to be marginalized in rodeo Throughout the book Patton and Schedlock questioned the binary divisions in rodeo that exists between women and men and between ethnic minorities and Whites divisions that have become naturalized in rodeo and in the mind of the general public Using iconic visual images along with the voices of the marginalized Patton and Schedlock enter into the sometimes acrimonious debate of cowgirls and ethnic minorities in rodeo **Red Can Origami** Madelaine
