Wolf and Coyote Trapping A.R Harding,2020-07-31 Reproduction of the original Wolf and Coyote Trapping by A R Harding *Tobacco Among the Karuk Indians of California* John Peabody Harrington,1932 The Mythology of the Wichita George Amos Dorsey,1995 Forward by Elizabeth A H John **Colombian Memoirs** Paul A. Lopez,2012-08-22 This book is based on the true story about my family the personal memoirs of my father a young Colombian man his journey to the United States the sacrifice and the struggle in bringing his family to be with him How a young Hispanic family had to cope with the constant fear of persecution and threat of deportation while dealing with the pressures of poverty and learning the thin line between good and bad ambition Life as an immigrant proved to be very difficult for my father hurling him into the dangerous life of a Colombian Drug Dealer **Tewa Tales** Elsie Clews Parsons,1994-03 The Tewa are a Pueblo Indian group from New Mexico some of whom migrated around 1700 in the aftermath of the second Pueblo Revolt to their present location

on First Mesa of the Hopi Reservation in northern Arizona This collection of more than one hundred tales from both New Mexico and Arizona Tewa first published in 1926 bears witness to their rich cultural history In addition to emergence and animal stories these tales also provide an account of many social customs such as wedding ceremonials and relay racing that show marked differences between the two tribal groups A comparison of tales from the two divisions of the tribe reveals something of what has happened to both emigrant and home staying Tewa over two centuries of separation Yet while only half of the Arizona tales are distinctly parallel to the New Mexican additional similarities may be found in such narrative features as the helpfulness of Spider old woman and her possession of medicine creating life magically under a blanket or Coyote beguiling girls into marriage Elsie Clews Parsons was a pioneering anthropologist in the Southwest whose works included the encyclopedic Pueblo Indian Religion The Tewa tales she gathered for this volume are thus notable not only as fascinating stories that will delight curious readers but also as authentic reflections of a people less known to scholars

We Give Our Hearts to Dogs to Tear Alston Chase, 2017-09-29 More than a hauntingly beautiful memoir about small dogs in Big Sky country this book is a wise account of the relationships among dogs humans and the land that surrounds them It is the story of successive generations of Jack Russell terriers their animal friends and their human companions Alston Chase searches for the immortality of dogs what makes them unique companions and why we humans willingly give them our hearts knowing that someday they will be broken This book will resonate with anyone who has ever loved a dog Chase muses that dogs are the embodiment of spirit over mortality and through the window of their brief lives we glimpse eternity This eternal includes the Earth the land and the bonds forged between people and dogs over thousands of years Chase sees threats in the decline of rural life unbridled urbanization and in dog breeders who judge by conformation to breed standards and fashion rather than ability and health An uplifting tribute to the dogs we love and a reflection on the limitations of life this book shows a triumph of the spirit Rich in poetic citations it is an environmental cry for help a naturalistic appreciation of a dissolving world and a deeply spiritual reminder that nothing loved is ever lost
