Cps Economic Policy In Britain:

Macroeconomic Policy in Britain 1974-1987 Andrew J. Britton, 1994-09-29 Arguing that there were important elements of continuity in the decisions of the Treasury and the Bank of England this survey of macroeconomic policy in Britain contains a chronological account of policy actions that covers the most influential writings of economists during this period **The**

Consumer, Credit and Neoliberalism Christopher Payne, 2012 This book is an investigation into the economic policy formulation and practice of neoliberalism in Britain from the 1950s through to the financial crisis and economic downturn that began in 2007 8 It demonstrates that influential economists such as F A Hayek and Milton Friedman authors at key British think tanks such as the Institute of Economic Affairs and the Centre for Policy Studies and important political figures of the Thatcher and New Labour governments shared a similar conception of the consumer For neoliberals the idea that consumers were weak in the face of businesses and large corporations was almost offensive Instead consumers were imagined to be sovereign agents in the economy whose consumption decisions played a central role in the construction of their human capital and in the enabling of their aspirations Consumption just like production came to be viewed as an enterprising and entrepreneurial activity Consequently from the early 1980s until the present day it was felt necessary that banks should have the freedom to meet the borrowing needs of consumers Credit rationing would be a thing of the past Just like businesses consumers and households could use debt to expand their stock of personal assets By utilizing the method of French philosopher Michel Foucault this book provides an original analysis of the policy ideas and political speeches of key figures in the New Right in government and at the Bank of England And it addresses the key question as to why policy makers both in Britain and the United States did little or nothing to stem rising consumer and household indebtedness instead always choosing to see increasing house prices and homeownership as a positive to be encouraged **Ideas and**

welfare state and social morality and social change are all explored In the concluding chapter the author evaluates the extent to which the Conservative Right has succeeded in its core objectives since 1945 and addresses how it can best respond to a contemporary Britain in which it instinctively feels uncomfortable The book is based on extensive elite interviews and archival research and will be of interest to anyone who seeks to place the contemporary Conservative Right in a greater historical context Capturing the Political Imagination Diane Stone,2013-01-11 Think tanks are proliferating Although they are outside of government many of these policy research institutes are perceived to influence political thinking and public policy This book develops ideas about policy networks epistemic communities and policy learning in relation to think tanks

Free Market Missionaries Sharon Beder,2012-06-25 In her recent book *Suiting Themselves* bestselling author Sharon Beder exposed how the global corporate elite have brazenly rewritten the rules of the global economy to line their pockets In this new book she turns her sights on the insidious underbelly of this global trend to show how they have also orchestrated a mass propaganda campaign to manipulate community values and convince us that their interest co-opting and controlling all of us in the name of the free market is in our interest During the 20th century business associations coordinated mass propaganda campaigns combining 20th century American PR methods with revitalized free market ideology from 18th century Europe The aim was to persuade people to eschew their own power as workers and citizens and forego their democratic power to restrain and regulate business activity Sophisticated corporate funded think tanks augmented these campaigns in the 1970s and 1980s promoting free enterprise and business friendly policies These free market missionaries now seek to change individual and institutional values through bolder strategies such as expanding share ownership and manipulating wider public concerns In each case the goal is the same the triumph of business values over community values Beder's is an intellectual call to arms challenge the ideology of the free market missionaries or be converted to it
