

(904) Crack Baby

Pregnant again she confides in a friend.
No where to go, no one will take her in.
Walking the streets in the dark of night.
Hiding in alleys, trying to stay out of sight.

She's hurting and frustrated with pain,
anxiety hits over and over again.
What will become of this new born babe,
a decision certainly must be made.

Crack, heroin, marijuana, cocaine,
what will happen to the poor baby's brain.
She carries this baby while drinking beer,
no one stops her, nobody cares.

In the eight month baby comes early,
a cute baby boy with hair very curly.
Doctor's stand by, but baby won't cry.
He looks at Mom, please say goodbye.

Crack Baby and Other Poems Addie Lee,1990 **Indigenous Poetics in Canada** Neal McLeod,2014-05-16

Indigenous Poetics in Canada broadens the way in which Indigenous poetry is examined studied and discussed in Canada Breaking from the parameters of traditional English literature studies this volume embraces a wider sense of poetics including Indigenous oralities languages and understandings of place Featuring work by academics and poets the book examines four elements of Indigenous poetics First it explores the poetics of memory collective memory the persistence of Indigenous poetic consciousness and the relationships that enable the Indigenous storytelling process The book then explores the poetics of performance Indigenous poetics exist both in written form and in relation to an audience Third in an examination of the poetics of place and space the book considers contemporary Indigenous poetry and classical Indigenous narratives Finally in a section on the poetics of medicine contributors articulate the healing and restorative power of Indigenous poetry and narratives

Infinite Poetry Al "Infinite" Carrasco,2012-09-12 Al tells his story through the very words that saved his life from the streets he was king of and those very same ones that tried to kill him Ms Streets was his mistress money was his ticket and Castle Hill was his kingdom the powder was his product Today after surviving the 80s and 90s Al Carrasco is an accomplished spoken word artist has been seen on BETs 106 Park a hip hop artist and motivational speaker He is the bridge for the youth to make it from teenage to adulthood through his gift He went from growing up in a family where they dealt with hardship and pain to a place where surviving struggles made you stronger for it Please celebrate life through the eyes of this street prophet

Awarded an American Legion Scholarship I am also an award winning author and have published numerous articles and books Having attended several colleges and universities eventually earning my Ph D in Human Behavior I hold several life credentials in education earned during many years as an educator together with years spent working in the Aerospace Industry and other occupations But to call Einstein s famous equation $E=MC^2$ incomplete because it does not account for life and death does seem quite extraordinary yet these remain the two greatest mysteries they have ever been denying us thus far a theory of everything Something animates life and departs with death but what this something is not all our science has yet discovered though things like the Large Hadron Collider may provide needed insight and it has been in the pursuit of knowledge about these two greatest mysteries that has compelled me into so many varied academic studies and careers attempting to make sense of the world and our place in it and how people think and deal with the issues of life and death philosophically religiously and politically The things I have discovered along the way compelled me to much research and speculation about these mysteries and how they impact our lives to communicate my thoughts about them to share with others in a daily journal and posted to my website and provided in book format each year These writings are of importance in an increasingly dangerous world with a most uncertain future due to so much corruption ineptitude and lack of accountability in our own government as well as that of others the abject failure of our schools due to the very same things especially the same lack of accountability we find in government the religious and political hatreds with protracted wars worldwide and little to give hope for world peace I believed my articles about these important enough to publish in book format Some years ago I removed from the greater part of society to live in semi seclusion alone with my books and thoughts in a quiet part of the Sequoia National Forest devoting myself to contemplation speculating about many things and committing my thoughts in writing fulltime As a writer and author given to much introspection and fascinated by human behavior nature and our universe it was important to me to simplify my life as much as possible as anyone given to philosophical speculation about many things must That much of my writing covers some metaphysical thoughts about God angels and demons an afterlife and Biblical stories of origins of prophecies of the End Times and so much more have been absorbing studies as well and I freely share my thoughts about these in this volume Life Through Poetry Nzinga,2009-06-03 In this book I have a compiled a series of poems which reach beyond poetry My poetry touches on subjects I feel have been put in the back burner by society

Through poetry I have undertaken the task of advocating for the weakened beaten forgotten and many times silenced LIFE THROUGH POETRY's mission is to bring to light these very complex and pushed aside issues which affect us all one way or another by bringing them to the forefront of the public's consciousness I'm hoping to stimulate each individual whose hands this book finds itself in to do something more than just feel sympathy for those directly affected by them

Affection and Other Poems Carmelita Ledesma Agnas, 2012-07-12 I think poetry is the dancing and singing of words at the back of the brain hoping to get out and be written down When I felt these words struggling I wrote them down It became the poems beautiful and not too appealing to some senses They are the words expressing my thoughts and feelings looking at the focus of the poems words that aim for the soul's perfection but never attained I believed perfection is beyond the human reach C L Agnas

English as a Second Language and Other Poems Jaswinder Bolina, 2023-10-24 Warm tenderness and fiery critique sit side by side in Bolina's English as A Second Language a collection that skewers laments and celebrates America with intelligence humility and a disarming sense of humor In Jaswinder Bolina's English as A Second Language and Other Poems we are asked to imagine the tender and harsh realities of this world within a single breath a Steiff monkey resting next to a child in a crib and the tired hands of a thousand women in Sidi Bouzid assembling the stuffed animal Coated in an armor of wit and humor and steeped in the idiosyncrasies of language English as a Second Language pits sentimentality against cynicism and the personal against the national What remains is the kaleidoscopic image of the modern American condition From elegy to persona wide ranging poems tell the story of a child of immigrants becoming a parent against the tumultuous backdrop of our politics and culture Where the collection asks What chance do any of us have the poet finds hope possibility

Bolina's musical poems zip across time challenging the fixity of the book Clues offer the possibility of an alternate reading where backwards a new emotional arc appears dreamlike the nostalgic origin story of a sleep deprived parent tracing a path through language and history Forwards backwards English as a Second Language skewers laments and celebrates America with intelligence and humility **Library Journal**, 1990 *The Household Book of Poetry* Charles Anderson Dana, 1882
