The Living Church ,1955 **God in Christian Perspective** George M. Newlands, 2008-07-17 In this book George Newlands seeks to work out a modern restatement of a Christian understanding of God Father Son and Spirit Evil on the scale experience in modern wars and the awareness of the variety of transcendent values in the pluralism of the contemporary world have tended to reinforce intellectual objections to traditional doctrines If the whole picture must remain

partly obscure to us nevertheless we must continue to reflect on the character and activity of the God of the Christian faith and renew our attempts to describe and state beliefs In the first part of his study Professor Newlands considers the sources of a Christian understanding of God and analyses the substantive content of the doctrine of God as creator and reconciler of the cosmos as personal self differentiated transcendent being The second part reflects on christology and examines the social and ethical dimensions of the cost of discipleship Throughout Professor Newlands demonstrates the importance of thinking about God not in unreflecting slogans but with all our intellectual resources An Introduction to Theology in Africa and the Kpelelogical Foundations of Christian Theology Charles Amarkwei, 2021-10-12 In this book African Christian theology is introduced as a Kpelelogical reflection about life in the context of Africa which exists in the context of the cosmos Kpelelogy is the ontological mode of being grasped by the agape of God in Christ by grace through faith in the power of the Holy Spirit By this mode African theology is introduced by way of a definition a principle of paradox and a description as well as a critical view of the works of African theologians It examines the issues of method criteria and sources of doing theology in Africa and introduces the method of Kpelelogy as an African theological method This is explored further as a holistic theological method that is conscious of its being in existence and its life in history that is driven by faith in the triune God in a pneumatic experience that has been termed in this book as the Kpelelogical ontological mode The book is ecumenical in view of its engagement with Christian tradition It presents a Kpelelogical theology that is concretely African and universally Christian in the Okpelejen Wulormor the cosmic Jesus Christ who is and was but beyond the munus triplex Priest King and Prophet threefold office of Jesus Christ that is to come Hence it is a theology which embraces elements of Reformed Lutheran Methodist Pentecostal Charismatic Roman Catholic and Eastern Orthodox theological insights in the African context

Teaching for Christian Wisdom Samy Estafanos, 2018-08-20 In many ways Christian education in the Presbyterian Church in Egypt was deeply influenced by public education in Egypt One of the negative consequences of such influence is the significant lack of developing and using critical thinking as a basic element of the process While multiple factors educational and theological contribute to forming it this problem manifests itself in many ways The present research deals with the lack of critical thinking as a central problematic reality of the Christian education process in the Presbyterian Church in Egypt In order to illuminate and address this problematic situation Richard Osmer's understanding of Christian education as practical theology is used to bring into dialogue American philosopher psychologist and educator John Dewey and reformer and theologian John Calvin In light of this dialogue not only the lack of critical thinking but also multiple other dimensions of the problematic situation of Christian education in the Presbyterian Church in Egypt are illuminated Lack of democracy lack of the use of experience lack of creative pedagogies lack of practical reason and lack of theology from the process are some of these dimensions Adapting Osmer's comprehensive approach to Christian education as practical theology Samy Estafanos proposes a holistic approach towards Christian education that aims at transforming education into

a reconciling process Gems of Exquisite Beauty Peter Jameson Mercer-Taylor,2020 In the antebellum period most Americans first encountered European classical music through hundreds of hymn tunes that tapped into classical melodies This book is the first in depth study of the rise and fall of these popular but largely overlooked adaptations and their place in nineteenth century American musical life **The Oxford Handbook of Mormonism** Terryl Givens,Philip L. Barlow,2015 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons

The Routledge Handbook of Christianity and Culture Yaakov Ariel,Gregor Thuswaldner,Jens Zimmermann,2024-11-15 The centrality and importance of the intersection of Christianity and culture when it comes to English speaking countries and particularly American culture history and politics is beyond doubt The Routledge Handbook of Christianity and Culture is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over 35 chapters by a team of international contributors the handbook is divided into five parts Practicing Christianity Christianity and the Word Social and Political Aspects of Christianity and Culture Christianity and Culture in a Global Context Christianity and the Arts Within these parts central issues debates and problems are examined including liturgy material Christianity education missions religion and science hermeneutics Bible translations Christian wars human rights law social action the secular ecumenicalism inter religious relations visual arts literature music theatre and film The Routledge Handbook of Christianity and Culture is essential reading for students and researchers of religious studies and Christian studies The handbook will also be very useful for those in related fields such as cultural studies area studies visual studies literature and material religion **Worship and Congregational Singing** David Neu,2016-06-30 This book constitutes the author s effort to provide a biblical foundation for answers to questions regarding congregational singing The present work is broader in scope than the author s smaller book Volumes of Praise for a Vanishing God and unlike the earlier volume contains full documentation and end notes many of which pursue topics of interest that are mentioned only briefly in the text proper Each chapter of this book ends with a brief list of questions to spur further study and discussion It is hoped that this book may be useful as a text for a seminary course on congregational singing a course that the author believes to be great need for the church of the twenty first century Special attention is given to the issues raised in the music wars of the past fifty years
