## **Contemporary Governmental Politics:**

Contemporary Political Theory J. C. Johari, 1987      A Companion to Contemporary Political Philosophy Robert E.

Goodin, Philip Pettit, Thomas W. Pogge, 2012-03-12 This new edition of A Companion to Contemporary Political Philosophy has been extended significantly to include 55 chapters across two volumes written by some of today's most distinguished scholars. New contributors include some of today's most distinguished scholars among them Thomas Pogge, Charles Beitz and Michael Doyle. Provides in depth coverage of contemporary philosophical debate in all major related disciplines such as economics, history, law, political science, international relations and sociology. Presents analysis of key political ideologies including new chapters on Cosmopolitanism and Fundamentalism. Includes detailed discussions of major concepts in political philosophy including virtue, power, human rights and just war.      CONTEMPORARY POLITICAL THEORY VINOD, M. J., DESHPANDE, MEENA, 2013-01-11 Intended as a text for the postgraduate students of political science, this well researched book attempts to track the evolution of political ideas in the recent past and their background. It brings out the contemporary epistemological and methodological debates within the discipline and social sciences as a whole and incorporates the latest developments in the field. Divided into forty chapters under eleven parts, the book deals with the core concepts and debates in political theory and focuses on the state-society interactions. It tries to explain how the states, societies and cultures have responded to the emerging challenges thrown up by the social, economic and political factors and the direction of the response. It also dwells on the impact of globalisation on current trends. Finally, the book analyses the ideas of modern Indian thinkers such as V. D. Savarkar, Jawaharlal Nehru, Ram Manohar Lohia, B. R. Ambedkar and Jayaprakash Narayan. Besides the postgraduate students of political science, the book would also be useful to the aspirants of civil services examinations and the initiated readers.      **Ohio: Historical and Contemporary Political Perspectives** Pasquale De Marco, 2025-08-10 Ohio

is a fascinating state with a rich political history. As the birthplace of presidents, astronauts and inventors, Ohio has played a pivotal role in shaping the course of American history. From the early days of the Northwest Territory to the modern era, Ohio's political landscape has been shaped by a diverse range of factors including its geography, economy and demographics. In this book, we explore the key institutions, processes and actors that have shaped Ohio's political development. We examine the role of the executive, legislative and judicial branches of government as well as the influence of political parties, interest groups and the media. We also explore the challenges and opportunities facing Ohio politics in the 21st century. This book is a valuable resource for anyone interested in Ohio politics. It is also an essential read for students of American politics and history. The book is written in a clear and concise style and it is packed with information.
