Contemporary Issues In Corporate Governance:

Contemporary Issues in Corporate Governance John Hynes Farrar, Susan Watson, 2011 Corporate Governance P.V. Sarma, S. Rajani, 2007 Dr P V Sarma is currently Professor in the School of Management Studies Gayatri Vidya Parishad College for Degree and P G Courses Rushikonda Visakhapatnam. Earlier he was Professor of Economics and former Chairman Faculty of Arts Andhra University Visakhapatnam. He headed the Department of Economics, served as Chairman Board of Studies, Special Officer of Andhra University Centre Srikakulam and Coordinator School of Economics. Dr S Rajani is a Professor in Management Studies and the Head of the Department of Management Studies Gayatri Vidya Parishad College for Degree and P G Courses Corporate Governance Reeta Kumari Bhagat, 2015 **Contemporary Issues in International Corporate Governance** Suzanne Young, 2009 **Contemporary Issues in Corporate Governance** Daniel David Prentice, 1993 The origins of this book lie in the Second Oxford Law Colloquium held in September 1992 and organized by the Faculty of Law of the University of Oxford and Allen and Overy. The subject of this volume corporate governance is one that is currently highly topical but which has a long intellectual pedigree. Ever since the formation of the first joint stock company there has been a continuing debate about the structure of corporate governance and the controls both legal and institutional that are or should be exercised over corporate management. The essays contained in the volume explore the debate from a variety of perspectives but each keeps in mind that a clear understanding of the wider commercial and financial context is necessary before examining the relevant legal structures and rules. This wider picture is examined at both national and comparative level and the attitudes and practices of managers and investors are considered as part of the backdrop to competing theories on corporate governance. The contributors drawn from the practising and the academic worlds bring their own specialist knowledge to bear in a volume which will be required reading for all those interested in the subject. Issues in Business Ethics Mary W. Vilcox, Thomas O. Mohan, 2007 Business ethics is a form of the art of applied ethics that examines ethical rules and principles within a commercial context the various moral or ethical problems that can arise in a business setting and any special duties or obligations that apply to persons who are engaged in commerce Business ethics can be both a normative and a descriptive discipline As a corporate practice and a career specialisation the field is primarily normative In academia descriptive approaches are also taken The range and quantity of business ethical issues reflects the degree to which business is perceived to be at odds with non economic social values Historically interest in business ethics accelerated dramatically during the 1980s and 1990s both within major corporations and within academia For example today most major corporate websites lay emphasis on commitment to promoting non economic social values under a variety of headings e g ethics codes social responsibility charters In some cases corporations have redefined their core values in the light of business ethical considerations Catching business ethics in action however remains a seldom spotted nugget for in reality it depends on the characters of the characters *Current Issues in Business Ethics* Peter W. F. Davies, 2016-01-08 Current Issues in Business Ethics analyzes the questions which underlie business activities arguing that the prime object for a legitimate business must be sustainability It also looks at the issues between individuals and business and asks whether businesses can support their employees as an alternative to family and church Finally it assesses the impact of most recent trends in business looking at the activities of multinational companies the changing gender balance privatization the loss of power of the trade unions
