**Contemporary Quilts** Sandra Meech, 2003 Quilters yearning to extend their creativity and take their work to a higher level will find exactly what they're looking for in this unique guide. With more than 200 illustrations plus the author's unique Design Classes and Artist's Hints in every chapter, it offers a fresh approach to the craft. The aim is to help those who know the basics to break away from the traditional block or prescribed pattern and build something original. A review of design and color principles shows how to find sources of inspiration and develop a theme, and quilters will also learn how to experiment on paper and cloth, use new stitching, and add embellishments. The templates and creative exercises will prove valuable again and again.

**Creative Quilts** Sandra Meech, 2013-06-04 Following on from her bestselling first book *Contemporary Quilts*, award-winning contemporary quilt artist Sandra Meech explains how to harness your own creativity to add innovation and depth to your quilt and embroidery work. In *Creative Quilts*, she shows you how to take inspiration from a wealth of sources including art, textiles, and architecture, and gives special emphasis to journals and sketchbooks. The book contains full instructions for a range of exciting techniques, including surface embellishment, mixed media techniques, and taking quilt work into three dimensions, plus practical advice on exhibiting work. Special Creativity Plus and Design Workshop exercises help you to develop confidence in your own creativity. Illustrated with work from the world's leading quilt and textile artists, this book is both a practical workbook and a precious source of inspiration.

*Connecting Art To Stitch* Sandra Meech, 2009-08-03 In *Connecting Art to Stitch*, the third book from international stitched textile artist and teacher Sandra Meech, fine art skills and materials are explored through a structured series of short exercises that are specially designed to increase confidence and unlock creativity. The exercises then go on to cover fabrics and stitch techniques, reinforcing the connection between the two disciplines. Fifteen Art Classes explore some of the subjects in more depth, covering topics such as simple sketching, working with acrylics, mixed media approaches including collage, painting on fabric, working with disperse transfer dyes, photography, and image transfer. Different subject ideas are suggested throughout the book, so exercises can be repeated again and again as a personal theme is developed. Sewing techniques and stitch applications are reviewed and illustrated with stunning examples by the author and other leading textile artists. The connection between art and stitch is continually enforced throughout the book, making this book an invaluable guide to the important link between contemporary art and creative stitched textiles.
