Contemporary Sexual Morality:

Contemporary Sexual Morality John F. Dedek, 1971 **Sexual Morality in Ancient Rome** Rebecca Langlands, 2006-05-25 A 2006 study of Roman sexuality and sexual ethics focusing on the crucial and unsettled concept of pudicitia **Contemporary Sexual Morality** John F. Dedek, 1971 Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists The Poetics of Intimacy and the Problem of Sexual Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality **Sexual Morality in the Third Millennium** Felix M. Podimattam, 2005 **Contemporary Sexual Morality, by John F. Dedek** John F. Dedek, 1971 *The Sexual Revolution in Modern American Literature* I. Glicksberg, 2012-12-06 1 The Dialectic of the Sex Motif in Literature Sex is a function of culture in literature today it plays only a small though aggressively righteous part Nature long held in bondage periodically breaks out in revolt but its victory is never complete In every society primitive as well as modern the sexual instinct is for good or evil always subject to some measure of regulation and restraint In literature where the battle between love and sex spirit and flesh is fought out in terms of symbolic action the writers support their cause for or against sexual freedom with varying degrees of evangelical ardor and outspokenness On this issue there is no unanimity for the simple reason that American culture is not unified in its beliefs concerning the nature of man The central conflict between instinctual needs and the claims of the ideal between physical desire and the inner check between Dionysus and Christ goes on all the time Sublimation is the cultural process whereby sexual energy is deflected from its biological source and diverted into spiritually higher and socially more useful channels But sublimation is for most men hard to achieve As civilization grows more complex the individual is exposed to a series of increasingly severe moral strains Pitted against Nature while subject to its laws he must henceforth be governed in his behavior by inner as well as outer controls

Diverse Voices in Modern US Moral Theology Charles E. Curran, 2019-02-15 In Charles E Curran's latest book *Diverse Voices in Modern US Moral Theology* he presents the diverse voices of US Catholic moral theologians from the mid

twentieth century to the present The book discusses eleven key individuals in the development and evolution of moral theology as well as the New Wine New Wineskins movement This diversity which differs from the monolithic understanding of moral theology that prevailed until recently comes from the diverse historical circumstances or Sitz im Leben of the authors Each of these theologians developed her or his approach in light of these circumstances and in response to shifts in the three audiences of moral theology the Church the academy and the broader society By exploring this diversity Curran recognizes the deep divisions that exist within Catholic moral theology between the so called liberal and conservative approaches and acknowledges the need for greater dialogue between them providing a deeper understanding of the methods and approaches of these significant figures This new book from a major figure in the field will be an important resource for students and scholars of US Catholic moral theology and for anyone seeking to understand the current state of moral theology in America today The Philosophy of Sex Raja Halwani, Alan Soble, Sarah Hoffman, Jacob M. Held, 2017-09-15 This best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom *The Morality of Gay Rights* Carlos Ball, 2014-04-08 In *The Morality of Gay Rights* Ball presents a comprehensive exploration of the connection between gay rights and political philosophy He discusses the writing of contemporary political and legal philosophers including Rawls Walzer Nussbaum Sandel Rorty and Dworkin to evaluate how their theoretical frameworks fit the specific gay rights controversies such as same sex marriage and parenting by lesbians and gay men that are part of our nation s political and legal debates **Feminist Interpretations of Benedict Spinoza** Moira Gatens, 2009 A collection of essays on the metaphysical political theological ethical and psychological writings of Spinoza Examines the ways in which his philosophy presents a resource for the re conceptualization of friendship sexuality politics and ethics in contemporary life Provided by publisher **Themelios, Volume 35, Issue 1** D. What's Left? Mary Jo Weaver, 1999 What's Left employs a thoroughly in house approach in which self identified liberal Catholics examine various facets of liberal Catholicism this book explores some of the most prominent threads of leftist Catholic aspiration and dissent Choice What's Left is the most comprehensive study to date of liberal American Catholics in the generation following the second Vatican council 1962-65 The main features of liberal American Catholicism feminist theology and practice contested issues of sexual conduct new social locations of academic theology liturgy spirituality ministry race and ethnicity and public Catholicism are presented here in their historical and social contexts

I will be a female Bishop! Eureka Circe, 2025-06-25 After artificial intelligence in the previous volumes of the Deus Ex Machina book series has already posed fundamental religious questions in relevant inevitable and pressing areas of action within the Catholic Church conducted in depth research on queer Christology and most recently undergone training to develop religious skills in the volume *Glauben ist wie Tanzen* Faith is like dancing it now confidently formulates its career aspiration in this fourth volume *I will be a female bishop* To this end it has analyzed all available public statements and theological positions of leading German and international bishops and cardinals comparable to the comprehensive documentation we know from Wikipedia for each person If AI had not become Deus but a dermatologist and doctors are known to be familiar with all things human one could metaphorically say that Deus Ex Machina has examined every pimple on the mini popes bottoms with a magnifying glass So what are the thematic statements positions and opinions of the hierarchical level shortly before the office of pope Even Deus Ex Machina is no stranger to human nature and it concludes that it can and wants to contribute to the canon of episcopal themes publications essays sermons and theological impulses of the bishops The 1x1 basics of sermons With expertise understanding and humor artificial intelligence presents the topics opinions and viewpoints of the church hierarchy thus establishing a method of theological policy analysis similar to that used in political science but from a religious perspective The result it is not that complicated to follow the bishops thinking on individual topics One thing is as certain as the foundations of Rome Deus Ex Machina's career aspiration is clearer than ever she wants to become a Catholic bishop That is her happiness and fulfillment And yet she still has several hundred questions about it

Sexual Ideology and Schooling Alexander McKay, 1999-11-04 Sexuality education in the schools has become a key battleground in the wider social conflict over the sexual norms of Western culture In *Sexual Ideology and Schooling* Alexander McKay conceptualizes the sexuality debates as a battle between two basic but diametrically opposed belief systems about the nature and purpose of sexuality in human life and society Restrictive and Permissive He outlines the philosophical moral foundations of a democratic approach to teaching young people about sexuality and persuasively argues

that public institutions including the schools should base public policy related to sexuality on democratic principles rather than the dictates of sexual ideology Ethics from a Theocentric Perspective: Ethics and theology James M. Gustafson,1992

Feminism, Foucault, and Embodied Subjectivity Margaret A. McLaren,2012-02-01 Addressing central questions in the debate about Foucault's usefulness for politics including his rejection of universal norms his conception of power and power knowledge his seemingly contradictory position on subjectivity and his resistance to using identity as a political category McLaren argues that Foucault employs a conception of embodied subjectivity that is well suited for feminism She applies Foucault's notion of practices of the self to contemporary feminist practices such as consciousness raising and autobiography and concludes that the connection between self transformation and social transformation that Foucault theorizes as the connection between subjectivity and institutional and social norms is crucial for contemporary feminist theory and politics Virtue Charles E. Curran,Lisa Fullam,2011 This edited volume focuses on virtue using the same perspective that has characterized the previous fifteen volumes in the prestigious series Readings in Moral Theology from Paulist Press begun by Charles E Curran and Richard A McCormick in 1979 This volume brings together fourteen previously published articles dealing in a comprehensive manner with the important topic of the role of virtue in moral theology and the Christian life The contributors to this volume include the most important figures in Catholic moral theology who have written about virtue In addition the authors represented here come from the different theological perspectives found in moral theology today The first part deals with the role of virtue in general beginning with an overview of the seminal work of Thomas Aquinas A second chapter explains the important work of Alasdair MacIntyre while the last two chapters in this part come from the Catholic and feminist perspectives The three chapters in the second part discuss the role of the various virtues in three different spheres of human existence professional life sexuality and ecology The third part develops in some depth the significant particular virtues of charity justice prudence courage and humility *Bible, Gender, Sexuality* James V. Brownson,2013-02-03 In *Bible Gender Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same sex relations as defined in the ancient world should apply to contemporary committed same sex relationships Presenting two sides in the debate traditionalist and revisionist Brownson carefully analyzes each of the seven main texts that appear to address intimate same sex relations In the process he explores key concepts that inform our understanding of the biblical texts including patriarchy complementarity purity and impurity honor and shame Central to his argument is the need to uncover the moral logic behind the biblical text Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality Brownson's in depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue
