Contemporary Quest For Jesus:

The Contemporary Quest for Jesus Nicholas Thomas Wright, 2002 One of the most prominent voices in New Testament research today concisely explores what he sees as the six major questions historical Jesus research must address including How does Jesus fit into Judaism What were Jesus aims and Why did Jesus die **Contemporary Quest for Jesus [book Review]** James L. Bailey, 2005 Three Jesus Certitudes Leonard J. Swidler, 2018-07-25 The Jesus of the four Gospels and we have no knowledge of any other appears mainly as a healer and a teacher that is as a healer of the soul Three of the historically most certain facts about him were 1 his pacifism 2 his feminism and 3 that his women followers were the true founders of Christianity The proof of these astounding claims you will find in the book An Introduction to Religious and Theological Studies, Second Edition Cyril Orji, 2021-01-07 An Introduction to Religious and Theological Studies walks students through topical issues to be encountered in the study of the Abrahamic religions Judaism Christianity and Islam as these religions encounter other religions in the context of the wider ecumenism The text is written from a Christian point of view and aims at helping students understand that to be Christian is to be ecumenical African Traditional Religions ATRs has been included in this survey to provide background for the religious traditions and cultures of peoples of Africa as Christianity moves inexorably southward The book has been written with undergraduate general education students in mind including meeting the needs of those in seminaries and theological institutes **A History of the Quests for the Historical Jesus, Volume 2** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

The Oxford Handbook of Eschatology Jerry L. Walls, 2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence

Finding Salvation in Christ Christopher D. Denny, Christopher McMahon, 2011-05-01 Finding Salvation in Christ brings together some of the most important figures in contemporary theology to honor the work of William Loewe systematic theologian and specialist in the theology of Bernard Lonergan SJ For over three decades Loewe's writings have sought to make classic christological and soteriological doctrines comprehensible to a Catholic Church that is working to integrate individual subjectivity communal living and historical consciousness in the wake of the Second Vatican Council Essays included in this volume assess Loewe's reinterpretation of patristic and medieval Christology from Irenaeus to Anselm of Canterbury and explain the significance of the theology of Lonergan and Loewe for the fields of soteriology economics family life and interreligious theology While some recent postliberal theologies have polarized the church's relationship with contemporary culture by minimizing similarities between Christianity and other worldviews the contributors in this volume continue Lonergan's project of integrating the findings of various intellectual disciplines with Christian theology and use Loewe's historical and systematic work as a guide in that endeavor While Lonergan's transcendental Thomism has been criticized by both traditionalists and revisionists essays in this collection apply Loewe's theological methodology in a variety of ways to demonstrate that time honored doctrines about Christ can be transplanted into new cultural contexts and gain intelligibility and credibility in this process Having lived and labored through the far reaching changes in Catholic thought introduced in recent decades Loewe's career provides a model for theologians attempting to build bridges between the past and the present and between the church and the world

A Quest for the Historical Christ Anthony Giambrone, 2022-02-18 A Quest for the Historical Christ brings together a collection of interrelated essays on the historical Jesus and primitive Christology Sensitive to the diverse but traditionally Protestant

assumptions and perspectives of the Quest as well as to the widely lamented disconnect between New Testament exegesis and classical dogmatic theology an alternative approach is proposed in these pages Ecumenical and conciliar reference points along with non confessional historical methods e g archeology shape the basic project which nevertheless assumes some distinctive and important Catholic contours The book is divided into three sections Historical Foundations Theological Perspectives and Jesus and the Scriptures While the individual chapters represent independent probes the cumulative argument and arc of the study drives in clear and concerted directions After a first approach to the Gospel data attentive at once to historiographical and historical questions a series of interventions reorienting the present scholarly discussion are suggested These various foundational essays lead finally to a sustained meditation on the mind of Christ considered as a unique reader of the Scriptures a meditation having its proper reflex and reflection in the way Christians themselves as readers of the Gospels participate in the Lord s own encounter with the living Word

The Flesh was Made Word Susan Lochrie Graham, 2000 **Issues in Contemporary Christian Thought** Duane Olson, Olson s clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment He discusses the range of contemporary opinions their rationales and what s at stake Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe how to understand the figure of Christ today and the distinctively new notions of being human Specifically geared to the novice theologian in college or seminary settings Olson s text includes Reflection Research Questions Suggestions for Further Reading and a Glossary The Historical Jesus Gary R.

Habermas, 1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index **Josué: Prisoner at Shalem** Steven H. Propp, 2005-11-21 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he s on a mission to share it Man I ain t never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can t stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu s own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see some things in the story that you d never noticed before

Who on Earth was Jesus? David Boulton, 2008 Surveys the differing conclusions and schools of thought among academic scholars and historians about Jesus s human life on earth *Jesus the Purifier* Craig L. Blomberg, 2023-02-28 Christianity Today 2024 Book Award Biblical Studies The third quest for the historical Jesus has reached an impasse But a fourth quest is underway one that draws from a heretofore largely neglected source John s Gospel In this book now in paperback renowned

New Testament scholar Craig Blomberg advances the idea that John is a viable and valuable source for studying the historical Jesus. The data from John should be integrated with that of the Synoptics which will yield additional insights into Jesus's emphases and ministry. Blomberg begins by reviewing the first three quests, reassessing both their contributions and their shortcomings. He then discusses the emerging consensus regarding demonstrably historical portions of John which are more numerous than usually assumed. Peeling back the layers we discover in Jesus's ministry an emphasis on purity and purification. The Synoptics corroborate this discovery specifically in Jesus's meals with sinners. Blomberg then explores the practical and contemporary applications of Jesus the purifier including the contagious holiness that Jesus's followers can spread to others.

[Global Bible Commentary](#) Teresa Okure, 2004. The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions. These scholars have approaches and concerns that often are poles apart. Yet they share two basic convictions: biblical interpretation always matters and reading the Bible with others is highly rewarding. Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift: namely the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which she/he reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked.

Need more info? Download Global Bible Commentary Marketing Brochure PDF. Free Adobe Acrobat Reader. If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation, this is it. Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting. In so doing, they shed eye-opening light on the biblical texts. The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social, political, cultural, and economic dynamics of our world today. This collection can change the way you read the Bible: scholars and students, clergy and laity alike.

The Philosophy of Christology Hue Woodson, 2022-01-31 Given the perpetual problem of the historical

Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer's bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann's period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way The Philosophy of Christology offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida's philosophical question into the meaning of love in 2002

Post-Christian Feminisms Dr Kathleen McPhillips, Professor Lisa Isherwood, 2013-05-28 This book explores the impact and contribution of post theories in the field of Christian feminist theology Post theory is an important and cutting edge discursive field which has revolutionized the production of knowledge in both feminism and theology This book fills a gap by providing a text that can make authoritative statements on the use and status of post theory in feminist theology and secondly it makes an ongoing contribution to the discourse of Christian feminist theology and its liberation agenda Distinguished and established scholars contribute conclusive essays on the most recent and exciting developments in post theory feminism and theology

Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or

who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever

The Top Books of the Year Contemporary Quest For Jesus The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
