Becoming Wollstonecraft Brenda Ayres, 2024-04-09 *Becoming Wollstonecraft* The Interconnection of Her Life and Works draws from biography to explain her works and it analyses the works to draw a biographical composite of Wollstonecraft *Becoming Wollstonecraft* will be more fully developed than previous works with added information that has not previously been associated with Wollstonecraft such as the story of Reverend Mr Joshua Waterhouse Although there are over fifty book length biographies published on Wollstonecraft very few agree on much about Wollstonecraft She seems to have become an everywoman or a figure unfixed in time and protean Deemed the Mother of Feminism like feminism itself she is what people have wanted her to be and is by no means an immutable or universal personage A study of her life as evident by her works and vice versa this monograph intends to refocus the image of Wollstonecraft for students and scholars informed by biographical texts on Wollstonecraft and on those people in Wollstonecraft's life and acquaintance historical context and exposition from her works [Program](#) Organization of American Historians. [Permanent State of Emergency](#) Ryan Alford, 2017-06-01 In the wake of the attacks of September 11 2001 the United States launched initiatives that test the limits of international human rights law The indefinite detention and torture of detainees at Guantamo Bay targeted killing and mass surveillance require an expansion of executive authority that negates the rule of law In *Permanent State of Emergency* Ryan Alford establishes that the ongoing failure to address human rights abuses is a symptom of the most serious constitutional crisis in American history Instead of curbing the increase in executive power Congress and the courts facilitated the breakdown of the nation's constitutional order and set the stage for presidential supremacy The presidency Alford argues is now more than imperial it is an elective dictatorship Providing both an overview and a systematic analysis of the new regime he objectively demonstrates that it does not meet even the minimum requirements of the rule of law At this critical juncture in American democracy *Permanent State of Emergency* alerts the public to the structural transformation of the state and reiterates the importance of the constitutional limits of the American presidency [The British National Bibliography](#) Arthur James Wells, 2005
