Special Religious Education in Australia and its Value to Contemporary Society Zehavit Gross, Suzanne D. Rutland, 2021-02-22 This book explores the advantages of and challenges concerning Special Religious Education SRE in multicultural Australia and argues for the need for General Religious Education GRE as well Through the lens of the most recent scholarship and drawing on an in depth qualitative study and specific case studies the book examines the current debate on the role of religious education within government schools It addresses key concepts of values education spirituality health and wellbeing and cultural and religious identity It analyses why it is important to retain SRE together with GRE as government policy It explores highly relevant controversial and contested issues regarding SRE including the 30% of Australia s population who declare themselves as having no religion and brings fresh insights to the table While secularization has increased in both the national and international spheres there has also been an increase in fundamentalism within religious beliefs Events such as the September 11 terror attacks and the more recent mass shootings by white supremacists and eco fascists in Christchurch New Zealand and Pittsburgh and San Diego in the USA are reminders that religion is still a major actor in the twenty first century This poses new challenges for the relationship between church and state and demonstrates the need to revisit the role of religious education within government schools While the importance of GRE is generally acknowledged SRE has increasingly come under attack by some researchers and teacher and parent bodies as being inappropriate and contradictory to the values of the postmodern world On the other hand the key stakeholders from all the faith traditions in Australia wish to retain the SRE classes in government schools The book addresses this burning issue and shows that it is relevant not only for Australia but also globally [Catalogue of the Library of the Boston Athenaeum](#) ,1880 [Religion and Law in Serbia](#) Marko Nikolić, Vladimir Davidović†, Darko Tanasković, Mileta Radojević†, 2024-04-17 Derived from the renowned multi volume International Encyclopaedia of Laws this convenient resource provides systematic information on how Serbia deals with the role religion plays or can play in society the legal status of religious communities and institutions and the legal interaction among religion culture education and media After a general introduction describing the social and historical background the book goes on to explain the legal framework in which religion is approached Coverage proceeds from the principle of religious freedom through the rights and contractual obligations of religious communities international transnational and regional law effects and the legal parameters affecting the influence of religion in politics and public life Also covered are legal positions on religion in such specific fields as church financing labour and employment and matrimonial and family law A clear and comprehensive overview of relevant legislation and legal doctrine make the book an invaluable reference source and very useful guide Succinct and practical this book will prove to be of great value to practitioners in the myriad instances where a law related religious interest arises in Serbia Academics and researchers will appreciate its value as a thorough but concise treatment of the legal aspects of diversity and

multiculturalism in which religion plays such an important part **Catalogue of the Library of the Boston Athenaeum, 1807-1871** Boston Athenaeum,1970 2024 Global Religious Recognition Report Cometan,Monica Gyimah,2024-08-15 The 2024 Global Religious Recognition Report is a compilation of the most recent available data on recognition and registration impacting conditions of religious freedom throughout the world Each page of the 259 page report is dedicated to each sovereign state and dependent or disputed territory including an overview of the constitutional structure secularity and recognition and registration policies and practices Detailed explanations of registration policy have been gathered from the Office of International Religious Freedom s International Religious Freedom Report in addition to other credible sources The RoRB classification for each country and territory has been updated in accordance with the criteria set out in the Spectrum of Religious Recognition SRR which was included towards the front of this year s report This year s report includes an abridged version of Dr Monica Gyimah s article the full article can be found in Journal of Astronist Studies Volume 1 Issue 1 that highlights recognition and registration issues specifically impacting indigenous religious communities **The Missionary Register for MDCCCXLIII.
