David J. Mullan

Contesting Apartheid U S Activism 1960 1987:

Contesting Apartheid Donald R. Culverson, 2019-03-08 This book examines how U S citizen groups have been drawn to the issue to develop more comprehensive explanations of American connections to the production and distribution of wealth and poverty in southern Africa and to expand options for transnational citizen activism **A Global History of**

Anti-Apartheid Anna Konieczna, Rob Skinner, 2019-04-15 This book explores the global history of anti apartheid and international solidarity with southern African freedom struggles from the 1960s It examines the institutions campaigns and ideological frameworks that defined the globalization of anti apartheid the ways in which the concept of solidarity was mediated by individuals organizations and states and considers the multiplicity of actors and interactions involved in generating and sustaining anti apartheid around the world It includes detailed accounts of key case studies from Europe Asia and Latin America which illustrate the complex relationships between local and global agendas as well as the diverse political cultures embodied in anti apartheid Taken together these examples reveal the tensions and synergies transnational webs and local contingencies that helped to create the sense of being global that united worldwide anti apartheid campaigns

Conservatism and Racism, and Why in America They Are the Same Robert C. Smith, 2010-09-09 In this provocative wide ranging study Robert C Smith contends that ideological conservatism and racism are and always have been equivalent in the United States In this carefully constructed and thoroughly documented philosophical historical and empirical inquiry Smith analyzes conservative ideas from John Locke to William F Buckley Jr as well as the parallels between the rise and decline of the Civil Rights Movement in the 1950s and 1970s and the ascendancy of the conservative movement to national power in 1980 Using archival material from the Reagan library the book includes detailed analysis of the Reagan presidency and race focusing on affirmative action the Voting Rights act the Grove City case welfare reform South Africa policy and the Martin Luther King Jr holiday Conservatism and Racism and Why in America They are the Same goes beyond a focus on the right wing concluding with an analysis of the enduring impact of the conservative movement and the Reagan presidency on liberalism race and the Democratic Party **Struggle for a Free South Africa** Derek Charles Catsam, 2024-02-15 This

book explores anti apartheid movements on university and college campuses across Africa and the United States in the 1970s and 1980s In the wake of the March 1960 Sharpeville Massacre in South Africa the country s apartheid policies drew increasing critical international attention By the 1970s South Africa found itself isolated due to growing sporting economic and cultural boycotts Africans across the continent showed solidarity with Black South Africans through a range of boycotts and protests by hosting South Africans exiled from their home country and by vilifying the apartheid government at every turn This volume looks at elite institutions as well as state colleges and universities in the United States and the actions of university students in Nigeria Kenya Ghana and South Africa during the anti apartheid movements in the 1970s and 1980s revealing the local manifestations of a global struggle The chapters showcase how vibrant campus anti apartheid movements

were what universal problems emerged and where unique concerns manifested at a wide range of institutions Taking innovative approaches and offering case studies *Struggle for a Free South Africa* reveals the myriad ways the anti apartheid struggle manifested in a range of academic environments and how those campaigns have been remembered and documented This book was originally published as a special issue of *Safundi* **Urban Politics of Human Rights** Janne Nijman, Barbara Oomen, Elif Durmuş, Sara Miellet, Lisa Roodenburg, 2022-11-14 Increasingly urban actors invoke human rights to address inequalities combat privatisation and underline common aspirations or to protect vested private interests The potential and the pitfalls of these processes are conditioned by the urban and deeply political These urban politics of human rights are at the heart of this book An international line up of contributors with long term engagement in this field shed light on these politics in cities on four continents and eight cities presenting a wealth of empirical detail and disciplinary theoreticalisation perspectives They analyse the city society the urban actors involved and the mechanisms of human rights mobilisation In doing so they show the commonalities in rights engagement in today s globalised and often deeply unequal cities characterised by urban law private capital but also communities that rally around concepts as the right to the city Most importantly the chapters highlight the conditions under which this mobilisation truly contributes to social justice be it concerning the simple right to presence cultural rights accessible housing or in times of COVID health care *Urban Politics of Human Rights* provides indispensable reading for anyone with a practical or theoretical interest in the complex deeply political and at times also truly promising interrelationship between human rights and the urban Creative Commons Attribution Non Commercial No Derivatives 4 0 license **Political Opportunities Social Movements, and Democratization** Patrick G. Coy, 2001-08-02 Presents a series of papers that discuss political opportunity and social movements This book includes case studies of specific social movements comparative case studies of social movements and comparative case studies of transnational issue networks **Black Power, Inc.** Jessica Ann Levy, 2026-01-13 No detailed description available for Black Power Inc **Reclaiming American Virtue** Barbara J. Keys Keys, 2014-02-17 The American commitment to promoting human rights abroad emerged in the 1970s as a surprising response to national trauma In this provocative history Barbara Keys situates this novel enthusiasm as a reaction to the profound challenge of the Vietnam War and its aftermath Instead of looking inward for renewal Americans on the right and the left looked outward for ways to restore America s moral leadership Conservatives took up the language of Soviet dissidents to resuscitate the Cold War while liberals sought to dissociate from brutally repressive allies like Chile and South Korea When Jimmy Carter in 1977 made human rights a central tenet of American foreign policy his administration struggled to reconcile these conflicting visions Yet liberals and conservatives both saw human rights as a way of moving from guilt to pride Less a critique of American power than a rehabilitation of it human rights functioned for Americans as a sleight of hand that occluded from view much of America s recent past and confined the lessons of Vietnam to narrow parameters From world s judge to world s policeman

was a small step and American intervention in the name of human rights would be a cause both liberals and conservatives could embrace Encyclopedia of African-American Politics, Third Edition Robert Smith,2021-05-01 This A to Z volume examines the role of African Americans in the political process from the early days of the American Revolution to the present Focusing on basic political ideas court cases laws concepts ideologies institutions and political processes this book covers all facets of African Americans in American government Written by a nationally renowned scholar in the field the Encyclopedia of African American Politics Third Edition will enlighten readers to the struggles and triumphs of African Americans in the American political system Entries include Abolitionist Movement African immigrants Barack Obama Black Lives Matter Black Panther Party Civil Rights Act of 1964 Emancipation Proclamation Forty Acres and a Mule Freedmen s Bureau Hurricane Katrina Institutional racism Integrationism Juneteenth Lynching Malcolm X Million Man March Raphael Warnock

Defending the American Way of Life Kevin B. Witherspoon,2018-12-01 Winner 2019 NASSH Book Award Anthology The Cold War was fought in every corner of society including in the sport and entertainment industries Recognizing the importance of culture in the battle for hearts and minds the United States like the Soviet Union attempted to win the favor of citizens in nonaligned states through the soft power of sport Athletes became de facto ambassadors of US interests their wins and losses serving as emblems of broader efforts to shield American culture both at home and abroad against communism In *Defending the American Way of Life* leading sport historians present new perspectives on high profile issues in this era of sport history alongside research drawn from previously untapped archival sources to highlight the ways that sports influenced and were influenced by Cold War politics Surveying the significance of sports in Cold War America through lenses of race gender diplomacy cultural infiltration anti communist hysteria doping state intervention and more this collection illustrates how this conflict remains relevant to US sporting institutions organizations and ideologies today Encyclopedia of African American Politics Robert C. Smith,2003 An A to Z presentation of over 400 articles on African American politics and notable people from the abolitionist movement to Whitney Young *The Cold War and the Color Line* Thomas BORSTELMANN,2009-06-30 After World War II the United States faced two preeminent challenges how to administer its responsibilities abroad as the world s strongest power and how to manage the rising movement at home for racial justice and civil rights The effort to contain the growing influence of the Soviet Union resulted in the Cold War a conflict that emphasized the American commitment to freedom The absence of that freedom for nonwhite American citizens confronted the nation s leaders with an embarrassing contradiction Racial discrimination after 1945 was a foreign as well as a domestic problem World War II opened the door to both the U S civil rights movement and the struggle of Asians and Africans abroad for independence from colonial rule America s closest allies against the Soviet Union however were colonial powers whose interests had to be balanced against those of the emerging independent Third World in a multiracial anticommunist alliance At the same time U S racial reform was essential to preserve the domestic consensus needed to sustain the Cold War

struggle The Cold War and the Color Line is the first comprehensive examination of how the Cold War intersected with the final destruction of global white supremacy Thomas Borstelmann pays close attention to the two Souths Southern Africa and the American South as the primary sites of white authority's last stand He reveals America's efforts to contain the racial polarization that threatened to unravel the anticommunist western alliance In so doing he recasts the history of American race relations in its true international context one that is meaningful and relevant for our own era of globalization Table of Contents Preface Prologue 1 Race and Foreign Relations before 1945 2 Jim Crow's Coming Out 3 The Last Hurrah of the Old Color Line 4 Revolutions in the American South and Southern Africa 5 The Perilous Path to Equality 6 The End of the Cold War and White Supremacy Epilogue Notes Archives and Manuscript Collections Index Reviews of this book In rich informing detail enlivened with telling anecdote Cornell historian Borstelmann unites under one umbrella two commonly separated strains of the U S post WWII experience our domestic political and cultural history where the Civil Rights movement holds center stage and our foreign policy where the Cold War looms largest No history could be more timely or more cogent This densely detailed book wide ranging in its sources contains lessons that could play a vital role in reshaping American foreign and domestic policy Publishers Weekly Reviews of this book Borstelmann traces the constellation of racial challenges each administration faced focusing particularly on African affairs abroad and African American civil rights at home rather than highlighting the crises that made headlines By avoiding the crutch of turning points for storytelling convenience he makes a convincing case that no single event can be untied from a constantly thickening web of connections among civil rights American foreign policy and world affairs Jesse Berrett Village Voice Reviews of this book Borstelmann analyzes the history of white supremacy in relation to the history of the Cold War with particular emphasis on both African Americans and Africa In a book that makes a good supplement to Mary Dudziak's Cold War Civil Rights he dissects the history of U S domestic race relations and foreign relations over the past half century This book provides new insights into the dynamics of American foreign policy and international affairs and will undoubtedly be a useful and welcome addition to the literature on U S foreign policy and race relations Recommended Edward G McCormack Library Journal *South African Transitions* Christopher J. Lee, Andrew Offenburger, 2025-01-08 This book addresses the multiple repercussions of South Africa's democratic transition beginning in 1994 by examining a number of themes with local national regional and global relevance the politics of nation building public memory residential segregation higher education media racism trade unionism women's rights and global climate change to name only a few Drawing from the rich archive of previously published articles from the journal *Safundi* South African Transitions documents both the country's and the journal's mutual history over the past quarter century Divided into five sections the first part of the book explores the broad theme of South Africa's transition to non racial democracy by foregrounding issues of nationalism diplomacy rural change social trauma historical commemoration and political feeling at local national and international levels The second section focuses on the question of civil society including

essays on media racism histories of segregation legacies of criminal violence and comparative patterns of incarceration underscoring the endurance of certain long term problems and the emergence of new ones Part three surveys the role of education in transforming South Africa while part four situates South Africa s opportunities and challenges within regional and global contexts to better understand the South African situation and its relationship to conditions around the world The penultimate section has contributions that confront the present by identifying the struggles and crises of South Africa s current political moment including labor movements the matter of land restitution feminist activism LGBTQI rights and the Marikana Massacre of 2012 The book ends with an essay on the fire at Jagger Library at the University of Cape Town by historian Bill Nasson a moment of contingent destruction that speaks of the Covid 19 pandemic and the burgeoning climate crisis at present Traversing across time and place South African Transitions will be an indispensable resource for scholars researchers activists and policymakers as well as those readers who are generally interested in understanding South Africa s social political and intellectual transformations over the past several decades

The Origins of Global Humanitarianism Peter Stamatov, 2013-12-23 This book locates the historical origins of modern global humanitarianism in the recurrent conflict over the ethical treatment of non Europeans

In Search of Power Brenda Gayle Plummer, 2013 In Search of Power is a history of the era of civil rights decolonization and Black Power In the critical period from 1956 to 1974 the emergence of newly independent states worldwide and the struggles of the civil rights movement in the United States exposed the limits of racial integration and political freedom Dissidents leaders and elites alike were linked in a struggle for power in a world where the rules of the game had changed Brenda Gayle Plummer traces the detailed connections between African Americans involvement in international affairs and how they shaped American foreign policy integrating African American history the history of the African Diaspora and the history of United States foreign relations These topics usually treated separately not only offer a unified view of the period but also reassess controversies and events that punctuated this colorful era of upheaval and change

A Companion to Ronald Reagan Andrew L. Johns, 2015-04-20 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

The Future Almost Arrived Itai Nartzizenfeld Sneh, 2008 This book is a study of Jimmy Carter s career his approach to human rights his formulation of goals and his practices before during and after his presidency with a focus on the extent to which the promotion and protection of human rights influenced his actions at home and abroad Historians underestimate the uniqueness of the juncture in the 1970s when Carter missed an

opportunity to change priorities in American diplomacy a misreading that might be explained by the disparity between Carter's agenda and the reality created by his administration's record This book identifies and examines how Carter's ambitious words and promising ideals did not translate into policy though his intentions were noble At a pivotal moment his administration adopted human rights as a tenet for foreign policy but Carter did not design imaginative guidelines or prescribe new practices to advance this theme The Future Almost Arrived illuminates how had Carter succeeded in recruiting senior staff to support and implement an innovative agenda the result might have been an overhaul of U S foreign policy with human rights at its center which by improving his chances for re election would have changed the course of history

United States Relations with South Africa Y. G.-M. Lulat, 2008 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late seventeenth century to the present Unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways Set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geopolitical location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Methodologically written from the perspectives of both traditional narrative history and Khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the Braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations Written for both scholars and policy analysts this book's examination of the agency of the marginalized should also be of interest to activists and the reading public

The Ends of European Colonial Empires Miguel Bandeira Jerónimo, António Costa Pinto, 2016-02-16 This volume provides a multidimensional assessment of the diverse ends of the European colonial empires addressing different geographies taking into account diverse chronologies of decolonization and evaluating the specificities of each imperial configuration under appreciation Portuguese Belgian French British Dutch

Inside and Outside Canadian Administrative Law David J. Mullan, 2006-01-01 The rise to prominence of administrative law in the second half of the twentieth century is often remarked upon as the greatest legal development of the period In this process there has been considerable borrowing of ideas and learning from experiences elsewhere in the common law world This volume brings together administrative law scholars and judges from around the globe to address important issues in the field and to honour the career of one of the leading administrative lawyers in the Anglo Commonwealth world Professor David Mullan Editors Grant Huscroft and Michael Taggart have identified the broad themes in Mullan's work procedural fairness scope of review

and deference the interrelationship of administrative law and human rights the legitimacy of state regulation and tribunal adjudication common law comparativism and invited contributions on those themes from leading scholars in Canada the United Kingdom Australia South Africa and the United States A fitting tribute to a great scholar Inside and Outside Canadian Administrative Law will prove fascinating to students teachers and practitioners of administrative law as well as policy makers and political scientists

rare earth doped fibers an overview sciencedirect topics - May 25 2022

web rare earth doped fluorozirconate fiber lasers in the infrared erbium doped fiber amplifiers basic physics and characteristics erbium doped fiber amplifiers recent

analytical model for rare earth doped fiber amplifiers and lasers - Aug 28 2022

web recent developments in rare earth doped fiber lasers and amplifiers are reviewed fiber lasers have been made to operate at a variety of wavelengths including the important

[rare earth doped fiber lasers and amplifiers revised](#) - Aug 08 2023

web recent developments in rare earth doped fibre lasers and amplifiers are reviewed fibre lasers have been made to operate at a variety of wavelengths including the important

rare earth doped fiber lasers and amplifiers revised and - May 05 2023

web may 31 2001 covering all aspects of this revolutionary technology the book reviews fiber fabrication methods and the basic spectroscopic properties of rare earth ions in glasses

rare earth doped fiber lasers and amplifiers revised and - Oct 10 2023

web may 31 2001 abstract rare earth doped fiber lasers and amplifiers second edition discusses the essential principles operating characteristics and current

rare earth doped fibers rp photonics - Nov 18 2021

rare earth doped waveguide amplifiers and lasers - Feb 02 2023

web abstract rare earth doped fibre lasers and amplifiers have been demonstrated at several wavelengths in the visible and near infrared regions the authors describe recent

rare earth doped fiber enable nir lasers and - Jan 01 2023

web nov 8 2023 rare earth doped optical fibres are widely used in lasers and amplifiers the incorporation of ytterbium and aluminium oxide in a high doping concentration has

rare earth doped fiber lasers and amplifiers revised and - Apr 04 2023

web in this chapter we review the methods of producing these fibers and the effect of the host composition and the rare earth doping on the quality of the final product we then

review of rare earth doped fibre lasers and amplifiers - Jun 25 2022

web amplifiers revis rare earth doped devices ii fiber lasers erbium doped fiber amplifiers coherent laser beam combining rare earth doped fiber lasers and

rare earth doped fiber lasers and amplifiers - Sep 09 2023

web several technical revolutions over the last ten years have led to the increasing use of rare earth doped fiber lasers and amplifiers as a key component of optical communication

rare earth doped optical fibers and amplifiers for space core - Jul 27 2022

web 6 2 3 doped fiber amplifiers rare earth doped fibers can be used as amplified sources when they are pumped with a laser having a high powered continuous output at an

rare earth doped fluoride fiber amplifiers and fiber lasers - Sep 28 2022

web rare earth doped optical fibers and amplifiers for space applications optics photonic universit  de lyon politecnico di bari dipartimento di ingegneria elettrica e

powder process for fabrication of rare earth doped fibers for - Feb 19 2022

web jan 31 2003 rare earth doped fiber lasers and amplifiers request pdf january 2003 doi authors david colin hanna university of southampton discover the world s

rare earth doped fiber lasers and amplifiers revised and - Jun 06 2023

web may 31 2001 rare earth doped fiber lasers and amplifiers revised and expanded michel j f digonnet crc press may 31 2001 technology engineering 798

rare earth doped fiber lasers and amplifiers semantic scholar - Mar 03 2023

web jan 1 2017 described are the foundations and recent examples of highly efficient rare earth doped waveguide amplifiers and lasers their performance requires careful

rare earth doped fiber lasers and amplifiers revised and - Oct 18 2021

rare earth doped fibre lasers and amplifiers semantic scholar - Jan 21 2022

web the rp photonics buyer s guide contains 20 suppliers for rare earth doped fibers among them nkt photonics our ytterbium and thulium double clad fibers offer the largest

rare earth doped fibre lasers and amplifiers iet conference - Nov 30 2022

web oct 1 1994 abstract this paper describes the latest results on fluoride fiber amplifiers and fiber lasers doped with erbium er³ neodymium nd³ praseodymium pr³

multimode ytterbium aluminosilicate core optical fibre for - Oct 30 2022

web analytical model for rare earth doped fiber amplifiers and lasers abstract an analytical model for two three and four level system rare earth doped fiber amplifiers and

rare earth doped fiber lasers and amplifiers request pdf - Dec 20 2021

web may 31 2001 a discussion of the theories operating characteristics and current technology of main fiber laser and amplifier devices based on rare earth doped silica

rare earth doped fiber lasers and amplifiers revis - Apr 23 2022

web jun 20 2018 powder process for fabrication of rare earth doped fibers for lasers and amplifiers valerio romano sönke pilz hossein najafi living reference work entry

review of rare earth doped fibre lasers and amplifiers - Jul 07 2023

web may 31 2001 2018 tldr the state of the art regarding the knowledge of radiation effects on the performance of fiber based technologies from the microscopic effects observed

rare earth doped fiber lasers and amplifiers searchworks catalog - Mar 23 2022

web rare earth doped fibre lasers and amplifiers have been demonstrated at several wavelengths in the visible and near infrared regions the authors describe recent
