Nietzel, 1985 Private Eyes is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones The Continental Op Dashiell Hammett, 2019-12-12 He is master of the detective novel yes but also one hell of a writer Boston Globe Dashiell Hammett is the true inventor of modern detective fiction and the creator of the private eye the isolated hero in a world where treachery is the norm THE CONTINENTAL OP was his great first contribution to the genre and these seven stories which first appeared in the magazine Black Mask are the best examples of Hammett's early writing in which his formidable literary and moral imagination is already operating at full strength THE CONTINENTAL OP is the dispassionate fat man working for the Continental Detective Agency modelled on the Pinkerton Agency whose only interest is in doing his job in a world of violence passion desperate action and great excitement **The Continental Op -1925-26** Dashiell Hammett, 2023-11-08 The seven Continental Op stories that Dashiell Hammett wrote during 1925 and 1926 for The Black Mask magazine Written in first person these are the stories of an unnamed operative for the Continental Detective Agency The operative deals with the gamut of human crime and cruelty Mike or Alec or Rufus was published in the January 1925 issue The Whosis Kid was published in the March 1925 issue A novelette of thirteen chapters The Scorched Face was published in the May 1925 issue A novelette of eleven chapters Corkscrew was published in the September 1925 issue A novella of seventeen chapters Dead Yellow Women was published in the November 1925 issue A novelette of eleven chapters The Gutting of Couffignal was published in the December 1925 issue A novelette of nine chapters The Creeping Siamese was published in the March 1926 issue A novelette of two chapters **Detectives in the Shadows** Susanna Lee, 2020-08-04 A century of American history reflected in the iconic private eye Steadfast in fighting crime but operating outside the police force and sometimes even the law is the private detective Driven by his own moral code he is a shadowy figure in a trench coat standing on a street corner his face most likely obscured by a tilted fedora a lit cigarette dangling from his hand The hard boiled detective is known by his dark past private pain and powers of deduction He only asks questions never answers them In his stories he is both the main character and the narrator America has had a love affair with the hard boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law And nowhere did this hero shine more than in crime fiction In Detectives in the Shadows literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones Lee explores

how this character type morphs to fit an increasingly troubled world offering compelling interpretations of *The Wire* *True Detective* and *Jessica Jones* Suddenly in the present day the hard boiled detective wears his or her fatigue outwardly revealing more vulnerability than ever before But the detective remains resolute in the face of sinister forces ever the person of honor For anyone interested in crime fiction and television or for those wanting to understand America's idolization of the good guy with a gun *Detectives in the Shadows* is essential reading **Hard-Boiled** Erin Smith, 2010-07-07 An examination of the culture that produced and supported pulp fiction *The Big Book of the Continental Op* Dashiell Hammett, 2017-11-28 Now for the first time ever in one volume all twenty eight stories and two serialized novels starring the Continental Op one of the greatest characters in storied history of detective fiction Dashiell Hammett is the father of modern hard boiled detective stories His legendary works have been lauded for almost one hundred years by fans and his novel *The Maltese Falcon* was adapted into a classic film starring Humphrey Bogart One of Dashiell Hammett's most memorable characters the Continental Op made his debut in *Black Mask* magazine on October 1 1923 narrating the first of twenty eight stories and two novels that would change forever the face of detective fiction The Op is a tough wry unglamorous gumshoe who has inspired a following that is both global and enduring He has been published in periodicals paperback digests and short story collections but until now he has never in all his ninety two years had the whole of his exploits contained in one book The book features all twenty eight of the original standalone Continental Op stories the original serialized versions of *Red Harvest* and *The Dain Curse* and previously unpublished material This anthology of Continental Op stories is the only complete one volume work of its kind *Booze and the Private Eye* Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works **The Continental Op** Dashiell Hammett, Steven Marcus, 1984 *Men Alone* Jopi Nyman, 1997 This study examines masculinity and individualism in four American novels of the 1920s and 1930s usually regarded as belonging to the genre of hard boiled fiction The novels under study are *Red Harvest* by Dashiell Hammett *The Postman Always Rings Twice* by James M Cain *They Shoot Horses Don't They* by Horace McCoy and *To Have and Have Not* by Ernest Hemingway In this first full length study of gender in hard boiled fiction the genre is discussed as a representation of the ideologies of masculinity and individualism Hard boiled fiction is located in its historical and cultural context and it is argued that the

genre with its explicit emphasis on masculinity and masculine virtues attempts to reaffirm a masculine order The study argues that this emphasis is a counter reaction to more general changes in the gender relations of the period Indeed hard boiled fiction is argued to be an attempt to reconstruct a masculine identity based on anti modern values generally accepted in the cultural context of the genre In Search of The Thin Man Philip Zwerling,2024-02-14 The man who created the boldest hard boiled fiction Dashiell Hammett wrote The Thin Man in 1933 and launched the fun loving booze swilling mystery solving couple Nick and Nora Charles into American culture MGM sold millions of movie tickets by casting William Powell and Myrna Loy as this classiest of romantic couples Over 14 years and six films these stars navigated grave periods of history the Great Depression World War II and the Cold War The novel and films live on as gems of a unique gritty sophistication This complete history of The Thin Man series covers the brightest stars tastiest scandals headlines and conflicts behind these classic films With a cast of hundreds we see Hammett his lover Lillian Hellman and their friend Dorothy Parker fight alcoholism sexual convention and Senator Joe McCarthy in culture wars of eerie contemporaneity Connecting Detectives Lewis D. Moore,2014-11-24 A literary examination of the influence of 19th century sleuths on the early hard boiled investigators this book explores the importance of works by Edgar Allan Poe Charles Dickens Wilkie Collins and Sir Arthur Conan Doyle to the development of detective series by Carroll John Daly Dashiell Hammett Raymond Chandler Brett Halliday Mickey Spillane Thomas B Dewey John D MacDonald Ross Macdonald Richard S Prather and William Campbell Gault Authors from the transitional 1964 1977 and modern periods 1979 to the present are also discussed to show the ongoing influence of the 19th century detective writers *Crime Fiction* John Scaggs,2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction **Enemies of All Humankind** Sonja Schillings,2016-12-06 Hostis humani generis meaning enemy of humankind is the legal basis by which Western societies have defined such criminals as pirates torturers or terrorists as beyond the pale of civilization Sonja Schillings argues that the legal fiction designating certain persons or classes of persons as enemies of all humankind does more than characterize them as inherently hostile it supplies a narrative basis for legitimating violence in the name of the state The book draws attention to a century old narrative pattern that not only underlies the legal category of enemies of the people but more generally informs interpretations of imperial expansion protest against structural oppression and the transformation of institutions as legitimate interventions on behalf of civilized society Schillings traces the Anglo American interpretive history of the concept which she sees as crucial to understanding US history in particular with regard to the frontier race relations and the war on terror Raymond Chandler's Philip Marlowe John Paul Athanasourelis,2014-01-10 Since their inception detective novels have been a wildly successful genre of American fiction featuring a uniquely American belief in rugged individualism This book focuses on Raymond Chandler s creation of Philip Marlowe a detective whose feeling for community and willingness to compromise radically changed the

genre s vigilantism and violence It compares Chandler s work to early and mid 20th century American detective novels particularly those by John Carroll Daly Mickey Spillane Dashiell Hammett and Ross Macdonald as well as contemporary British detective fiction highlighting Chandler s contribution to the American genre *The BFI Companion to Crime* Phil Hardy,1997-01-01 Robbers gangsters murderers and criminals of every description have long been a staple of popular entertainment Movies are no exception and film buffs and scholars alike now have a complete guide to the vast array of films that make up the fascinating world of crime cinema The BFI Companion to Crime offers detailed information on the sub genres and motifs of movies dealing with criminals and their behavior prison dramas heist stories kidnappings the exploits of serial killers juvenile delinquents and hired guns Phil Hardy also includes articles on the historical and social background of crime movies The Mafia the Japanese yakuza the FBI and the underworld of union rackets prostitution and drugs are some of the topics covered Fictional characters such as Sherlock Holmes Inspector Maigret Philip Marlow and Pretty Boy Floyd appear in these pages along with the literary sources of many crime films The works of Graham Greene Dashiell Hammett Mickey Spillane and Eric Ambler are among those featured Abundantly illustrated with more than 500 photographs this is the book for film enthusiasts and anyone interested in the crime genre **The Age of Dimes and Pulps** Jeremy Agnew,2018-07-25 From the dime novels of the Civil War era to the pulp magazines of the early 20th century to modern paperbacks lurid fiction has provided thrilling escapism for the masses Cranking out formulaic stories of melodrama crime and mild erotica often by uncredited authors focused more on volume than quality publishers realized high profits playing to low tastes Estimates put pulp magazine circulation in the 1930s at 30 million monthly This vast body of disposable literature has received little critical attention in large part because much of it has been lost the cheaply made books were either discarded after reading or soon disintegrated Covering the history of pulp literature from 1850 through 1960 the author describes how sensational tales filled a public need and flowered during the evolving social conditions of the Industrial Revolution Reading Early Hammett LeRoy Lad Panek,2004-09-22 Dashiell Hammett like most successful writers honed his skills in the trenches Long before *The Maltese Falcon* and *The Thin Man* made him a household name Hammett developed his technique writing satirical magazine pieces then moved on to churn out tales of sex crime and adventure for pulp magazines Characters like Sam Spade and Nick and Nora Charles made him famous but Hammett perfected his style and created the first hard boiled detective fiction writing stories and novels about an anonymous middle aged detective known as the Continental Op This detailed examination of the early works of Dashiell Hammett takes a new look at one of the 20th century s most influential crime writers and his creation of the hard boiled detective story Each chapter covers an element of Hammett s early writing career his magazine fiction the Continental Op s development as a character the Continental Op novels and the last Continental Op stories A concluding chapter provides afterthoughts on Hammett s career style and place in the history of detective fiction A chronology of works cited a bibliography and an index supplement the text

The Truman Gumshoes J.K. Van Dover, 2022-02-14 The hard boiled style of detective fiction emerged in America in the years after the First World War In the late 1940s following the Depression the New Deal and the Second World War a new generation of young writers revisited the conventions governing the fictional private eye and began to move him the tough detective was still always male and his world in new directions This book examines the work of the four most important writers of this second generation of hard boiled fiction It offers the first substantial literary analysis of the Max Thursday novels of Wade Miller and the Carney Wilde novels of Bart Spicer and it develops new perspectives on the well known Mike Hammer novels of Mickey Spillane and the Lew Archer novels of Ross Macdonald A particular focus is upon the theme of the detective's status as a loner who succeeds in discovering truth and achieving justice because he works outside organized social structures
