## **Continuing Dilemmas Understanding Social Consciousness:**

**Civil Society and Democratization in India** Sarbeswar Sahoo, 2013-04-26 Developing a distinctive theoretical framework on civil society this book examines how Non Governmental Organizations NGOs contribute towards democratization in India and what conditions facilitate or inhibit their contribution It assesses three different kinds of politics within civil society liberal pluralist neo Marxist and communitarian which have had different implications in relation to democratization By making use of in depth empirical analysis and comparative case studies of three developmental NGOs that work among the tribal communities in the socio historical context of south Rajasthan the book shows that civil society is not necessarily a democratizing force but that it can have contradictory consequences in relation to democratization It discusses how the democratic effect of civil society is not a result of the stock of social capital in the community but is contingent upon the kinds of ideologies and interests that are present or ascendant not just within the institutions of civil society but also within the state The book delivers new insights on NGOs democratization civil society the state political society tribal politics politics of Hindu Nationalism international development aid and grassroots social movements in India It enables readers to understand better the multifaceted nature of civil society its relationship with the state and its implications for development and democratization

**Multiculturalism in the British Commonwealth** Richard T. Ashcroft, Mark Bevir, 2019-07-12 At publication date a free ebook version of this title will be available through Luminos University of California Press's Open Access publishing program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more Multiculturalism as a distinct form of liberal democratic governance gained widespread acceptance after World War II but in recent years this consensus has been fractured Multiculturalism in the British Commonwealth examines cultural diversity across the postwar Commonwealth situating modern multiculturalism in its national international and historical contexts Bringing together practitioners from across the humanities and social sciences to explore the legal political and philosophical issues involved these essays address common questions What is postwar multiculturalism Why did it come about How have social actors responded to it In addition to chapters on Australia Britain Canada and New Zealand this volume also covers India Malaysia Nigeria Singapore and Trinidad tracing the historical roots of contemporary dilemmas back to the intertwined legacies of imperialism and liberalism In so doing it demonstrates that multiculturalism has implications that stretch far beyond its current formulations in public and academic discourse

**Mirabai** Nancy M. Martin, 2023-07-11 Mirabai an iconic sixteenth century Indian poet is renowned for her unwavering love of God her disregard for social hierarchies and gendered notions of honor and shame and her challenge to familial feudal and religious authorities In Mirabai Nancy M Martin traces the story of this immensely popular Indian saint from the earliest manuscript references to her through colonial and nationalist developments to scholarly and popular portrayals in the decades leading up to Indian independence

**Beyond Western Economics** Trent Schroyer, 2009-05-08 This book combines intellectual history with contemporary events to offer a critique of mainstream

economic thought and its neoliberal policy incarnation in global capitalism The critique operates both theoretically at the level of metaphysics and the philosophy of science and concretely in case studies of globalization and world events Trent Schroyer provides a moral and cultural interpretation of modernity and scientism highlighting their political and economic consequences but the book's main purpose is not to criticize The author moves beyond this to offer alternative economic cultures again combining abstract theoretical analysis with concrete case studies of alternative economic formations from local self sufficiency movements to cooperatives and other anti capitalist institutional experiments These case studies exhibit an impressive range of variation from first world to third world from reformist to utopian transformative Finally Schroyer links the project to the global justice movement that opposes corporate globalization and eventually links participatory economics and democratic politics to a new image of science as participatory social learning

Juvenile Nation Stephanie Olsen, 2014-01-16 In the first five months of the Great War one million men volunteered to fight Yet by the end of 1915 the British government realized that conscription would be required Why did so many enlist and conversely why so few Focusing on analyses of widely felt emotions related to moral and domestic duty Juvenile Nation broaches these questions in new ways Juvenile Nation examines how religious and secular youth groups the juvenile periodical press and a burgeoning new group of child psychologists social workers and other experts affected society's perception of a new problem character the adolescent By what means should this character be turned into a fit citizen Considering qualities such as loyalty character temperance manliness fatherhood and piety Stephanie Olsen discusses the idea of an informal education focused on building character through emotional control and how this education was seen as key to shaping the future citizenry of Britain and the Empire Juvenile Nation recasts the militarism of the 1880s onwards as part of an emotional outpouring based on association to family to community and to Christian cultural continuity Significantly the same emotional responses explain why so many men turned away from active militarism with duty to family and community perhaps thought to have been best carried out at home By linking the historical study of the emotions with an examination of the individual's place in society Olsen provides an important new insight on how a generation of young men was formed

**The Oxford History of Hinduism: Hindu**

**Practice** Gavin Flood, 2020-08-20 Traditions of asceticism yoga and devotion bhakti including dance and music developed in Hinduism over long periods of time Some of these practices notably those denoted by the term yoga are orientated towards salvation from the cycle of reincarnation and go back several thousand years These practices borne witness to in ancient texts called Upanishads as well as in other traditions notably early Buddhism and Jainism are the subject of this volume in the Oxford History of Hinduism Practices of meditation are also linked to asceticism tapas and its institutional articulation in renunciation sannyasa There is a range of practices or disciplines from ascetic fasting to taking a vow vrata for a deity in return for a favour There are also devotional practices that might involve ritual making an offering to a deity and receiving a blessing dancing or visualization of the master guru The overall theme the history of religious practices might even be seen

as being within a broader intellectual trajectory of cultural history In the substantial introduction by the editor this broad history is sketched paying particular attention to what we might call the medieval period post Gupta through to modernity when traditions had significantly developed in relation to each other The chapters in the book chart the history of Hindu practice paying particular attention to indigenous terms and recognizing indigenous distinctions such as between the ritual life of the householder and the renouncer seeking liberation between inner practices of and external practices of ritual and between those desirous of liberation *mumukshu* and those desirous of pleasure and worldly success *bhuktu* This whole range of meditative and devotional practices that have developed in the history of Hinduism are represented in this book
