## **Continuity And Change In Canadian Politics:**

**Parties, Elections, and the Future of Canadian Politics** Amanda Bittner, Royce Koop, 2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper's Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country's national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history *Canadian Politics* James Bickerton, Alain Gagnon, 2009-01-01 The new fifth edition of Canadian Politics continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated *The Comparative Turn in Canadian Political Science* Linda White, Richard Simeon, Robert Vipond, Jennifer Wallner, 2009-01-01 Over the past decade the study of Canadian politics has changed profoundly The introspective insular and largely atheoretical style that informed Canadian political science for most of the postwar period has given way to a deeper engagement with and integration into the global field of comparative politics This volume is the first sustained attempt to describe analyze and assess the comparative turn in Canadian political science Canada's engagement with comparative politics is examined with a focus on three central questions In what ways and how successfully have Canadian scholars contributed to the study of comparative politics How does study of the Canadian case advance the comparative discipline Finally can Canadian practice and policy be reproduced in other countries *In Search of Canadian Political Culture* Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada **Partisanship, Globalization, and Canadian Labour Market Policy** Rodney S. Haddow, Thomas Richard Klassen, 2006-01-01 Using various theoretical approaches this

book examines industrial relations workers compensation occupational health employment standards training and social assistance measuring the impact of partisanship and globalization on policy making in several areas It is useful for those interested in the field of labour market policy     Constitutional Policy in Multilevel Government Arthur Benz,2016 This volume compares processes of constitutional reform in federal and regionalized states     The Blueprint J.P. Lewis,Joanna Everitt,2017-01-01 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional Toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party     Government and Politics in Alberta Allan Tupper,Roger Gibbins,1992 Alberta s politics are changing in response to powerful economic social and political forces The contributors focus on developments since the election of the Progressive Conservatives in 1971     Canadian Political Behaviour Sylvia B. Bashevkin,1985     Canadian Political Economy Heather Whiteside,2020-11-19 Engaging with themes of conflict change and crisis this book re invigorates the distinct interdisciplinary field of Canadian political economy     *Comparative Politics: Western Europe and the United States: foundations of comparative politics* ,2005     **Change and Continuity** Mark P. Thomas,Leah F. Vosko,Carlo Fanelli,Olena Lyubchenko,2019-08-28 In a period characterized by growing social inequality precarious work the legacies of settler colonialism and the emergence of new social movements Change and Continuity presents innovative interdisciplinary research as a guide to understanding Canada s political economy and a contribution to progressive social change Assessing the legacy of the Canadian political economy tradition a broad body of social science research on power inequality and change in society the essays in this volume offer insight into contemporary issues and chart new directions for future study Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research seeking new understandings of the forces that shape society the ensuing conflicts and contradictions and the potential for social justice Engaging with interconnected topics that include shifts in immigration policy labour market restructuring settler colonialism the experiences of people with disabilities and the revitalization of workers movements this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada The latest in a series of related volumes on Canadian political economy Change and Continuity explores the past present and potential futures of the discipline in a global context offering insight into some of the most

pressing issues of our time      Canadian Parties in Transition, Fifth Edition Alain-G Gagnon,Brian Tanguay,2024-10-01 The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism brokerage politics and political marketing It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics Contributors address the representation and democracy through an exploration of voting systems direct democracy the role occupied by constituencies gender politics and the distinct Quebec dynamics in the federal party system Finally the book analyses topical issues such as electoral participation social movements right wing populist parties political campaigning and digital party politics This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics *Canadian Parties in Transition* presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy      **Thinking Historically** Stéphane Lévesque,2008-01-01 Drawing on a rich collection of personal national and international studies in history education L Lévesque offers a coherent and innovative way of looking at how historical expertise in the domain intersects with the pedagogy of history education      *Looking West* Loleen Berdahl,Roger Gibbins,2014-02-25 Although a history of protest politics has done so much to define western Canada and to place it outside the Canadian mainstream the aspirations and frustrations that animated western discontent over the years have been replaced by a new reality the West is in and many of the levers of national economic and political power rest in western Canadian hands The protest tradition has yielded a dynamic region that leads rather than reacts to national economic social and political change The westward shift of the Canadian economy and demography is likely to be an enduring structural change that reflects and is reinforced by the transformation of the continental and global economies At the same time western Canada faces major challenges including finding a place for a sustainable resource economy in a rapidly changing global environment establishing a full and modern partnership with Aboriginal peoples and creating urban environments that will attract and retain human capital None of these challenges are unique to the West but they all play out with great force and great immediacy in western Canada      **The Oxford Handbook of Canadian Politics** John Courtney,John Childs Courtney,David Smith,2010-04-29 The *Oxford Handbook of Canadian Politics* provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy      The Transformation of the Supreme Court of Canada Donald R. Songer,2008-01-01 The first book on the

Supreme Court to incorporate extensive in depth interviews with former justices this study provides both insiders accounts of how decisions are made and an empirical analysis of more than 3 000 Court decisions Anti-Political Establishment Parties Amir Abedi,2004-07-31 Recent electoral success of the Freedom Party in Austria List Pim Fortuyn in The Netherlands the People s Party in Denmark and the National Front in France have demonstrated the appeal of parties that challenge the political establishment This book seeks to explain why these parties have achieved a political breakthrough but unlike other studies in the area does not concentrate on only one type of party Instead it attempts to determine preconditions for the success of anti political establishment parties in general avoiding any time specific or ideology specific explanations

**Policy Paradigms in Theory and Practice** John Hogan,Michael Howlett,2015-07-13 The contributors investigate policy paradigms and their ability to explain the policy process actors ideas discourses and strategies employed to provide readers with a better understanding of public policy and its dynamics **Identity Discourses and Canadian Foreign Policy in the War on Terror** Taylor Robertson McDonald,2023-03-17 This book examines how popular narratives of Canadian identity became implicated in Canada s foreign policy in the Global War on Terror McDonald argues that Canada s decisions to join the 2001 Afghanistan War yet abstain from the 2003 Iraq War became politically possible because parliamentarians linked these policies to similar narratives of an enduring Canadian identity even while re imagining their meanings These decisions are explored through politicians mobilization of three discourses Canada as America s neighbour Canada as protector of foreign civilians and Canada as a champion of multilateralism This book challenges conceptions of national identity as entirely stable or fluid and contests predominant arguments that downplay the role of identity discourses in Canadian foreign policy The relevance of these narratives is assessed by exploring the rhetoric of Canadian foreign policy in light of contemporary international challenges including the Donald Trump presidency the COVID 19 pandemic and Russia s War on Ukraine

## **Continuity And Change In Canadian Politics** Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Continuity And Change In Canadian Politics**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
