CONTINUITY & CHANGE IN RURAL RUSSIA A GE GREGORY. IOFFE,2019-06-14 **Rural Reform in Post-Soviet Russia** David J. O'Brien,Stephen K. Wegren,2002-03-20 Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages

Continuity And Change In Rural Russia Grigory Ioffe,Tatyana Nefedova,1997-05 After carefully examining ongoing reform efforts in Russian agriculture against the backdrop of European and Russian agrarian history and rural spatial development since the late nineteenth century the authors conclude that private farming is not a viable option in Russia s future Instead they find that a convergence of Soviet style subsidiary farming with traditional and reorganized collective farms is most likely *Continuity And Change In Rural Russia A Geographical Perspective* Gregory Ioffe,Tatyana Nefedova,2018-02-23 Contrary to the viewpoint of many Western scholars the authors of this penetrating analysis argue that private farming is not a viable option in Russia s future Instead a convergence of Soviet style subsidiary farming with traditional and reorganized collective farms is the most plausible path of evolution in most rural areas Grigory Ioffe and Tatyana Nefedova arrive at this conclusion by a careful examination of ongoing reform efforts in Russian agriculture against the backdrop of European and Russian agrarian history and rural spatial development since the late nineteenth century The comparisons at the national level are then filled in with consideration of a number of Russian provinces oblasti and regions raiony Their research reveals the substantial negative impact of rural depopulation on the Russian agrarian economy Seventy original maps richly complement and support the narrative **Rural Development in Eurasia and the Middle East** Kurt Engelmann,2016-04-18 Rural Development in Eurasia and the Middle East Land Reform Demographic Change and

Environmental Constraints **Rural Inequality in Divided Russia** Stephen Wegren,2013-07-24 This book examines economic and political polarisation in post Soviet Russia and in particular analyses the development of rural inequality It discusses how rural inequality has developed in post Soviet Russia and how it differs from the Soviet period and goes on to look at the factors that affect rural stratification and inequality using human and social capital profession gender and village location as independent variables The book uses survey data from rural households and fieldwork in Russia in order to highlight the multiplicity of divisions that act as fault lines in contemporary rural Russia **Rural Adaptation in Russia**

Stephen K. Wegren,2022-05-19 The current dominant approach to Russian peasant behaviour emphasizes rural resistance to reform in broad terms and to the introduction of market forces in particular Bringing together some of the finest scholars on rural Russia this groundbreaking volume examines this perception with an analysis of both historical and contemporary patterns of rural adaptation in Russia Four articles included analyze peasant responses in the post Soviet era and focus on

the relationship between poverty and rural adaptation the social origins of private farmers in southern Russia and Ukraine response patterns by large farms formerly collective and state farms household adaptation using a standardized set of criteria This fascinating book gives an illuminating picture of the ways in which peasants respond to new environmental conditions and stimuli created by reform The substantive material included draws on fieldwork and survey data collected from rural Russia from the Stolypin reforms in the pre Soviet era and collectivisation of agriculture during the 1930s in the Soviet era This book was previously as a special issue of The Journal of Peasant Studies

Geography in America at the Dawn of the 21st Century Gary L. Gaile, Cort J. Willmott, 2005 Geography in America at the Dawn of the 21st Century surveys American geographers current research in their specialty areas and tracks trends and innovations in the many subfields of geography As such it is both a state of the discipline assessment and a topical reference It includes an introduction by the editors and 47 chapters each on a specific specialty The authors of each chapter were chosen by their specialty group of the American Association of Geographers AAG Based on a process of review and revision the chapters in this volume have become truly representative of the recent scholarship of American geographers While it focuses on work since 1990 it additionally includes related prior work and work by non American geographers The initial Geography in America was published in 1989 and has become a benchmark reference of American geographical research during the 1980s This latest volume is completely new and features a preface written by the eminent geographer Gilbert White

The Cambridge History of Russia: Volume 3, The Twentieth Century Maureen Perrie, Ronald Grigor Suny, 2006-11-02 A major history of twentieth century Russia by leading scholars in the field

State Capability and Challenges to Russia's Food Security in the Twenty-first Century Stephen K. Wegren, 2025-11-24 This book offers a rigorous examination of Russia's state capability through the critical lens of food security revealing profound implications for domestic stability and international relations Drawing on extensive research the author demonstrates how food insecurity has historically catalyzed political instability in Russia explaining the Putin regime's substantial investment in agricultural self sufficiency since 2014 The analysis extends beyond domestic considerations to interrogate Russia's unique position as the sole major authoritarian grain exporter in a changing global order It contains compelling evidence that Russia's management of food security challenges constitutes a pivotal factor in contemporary geopolitics As climate change threatens future Russian grain production it shows the consequences extend to dependent regimes and global market stability This timely contribution advances scholarly understanding of how control over fundamental resources influences state capability and international relations It will be essential reading for researchers and students in Russian studies international relations food security and political economy as well as policymakers engaged with global food systems and security governance

The End of Peasantry? Grigory Ioffe, Tatyana Nefedova, Ilya Zaslavsky, 2006-10-19 The End of Peasantry examines the dramatic recent decline of agriculture in post Soviet Russia Historically Russian farmers have encountered difficulties relating to the sheer abundance of land the

vast distances between population centers and harsh environmental conditions More recently the drastic depopulation of rural spaces decreases in sown acreage and overall inefficiency of land usage have resulted in the disruption and spatial fragmentation of the countryside For many decades rural migration has been a selective process resulting in the most enterprising and self motivated people leaving the rural periphery The new agricultural operators representing nascent but aggressive Russian agribusiness have difficulty co-opting traditional rural communities afflicted by profound social dysfunction The contrast between agriculture in proximity to large cities and in their hinterlands is as sharp as ever and some vacant niches are increasingly occupied by ethnically non-Russian migrants All of these conditions existed to some degree in pre-Soviet times but they have been exacerbated since Russia took steps toward a market economy Understudied and often underestimated in the West the crisis facing Russian agriculture has profound implications for the political and economic stability of Russia The authors see hope in the significant increase in land use intensity on vastly diminished farmland The lessons gathered from this thoroughly researched study are far-reaching and relevant to the disciplines of Slavic and European studies agriculture political science economics and human geography

The Shadow of War Stephen Lovell, 2011-06-24 Taking the achievements ambiguities and legacies of World War II as a point of departure The Shadow of War The Soviet Union and Russia 1941 to the Present offers a fresh new approach to modern Soviet and Russian history Presents one of the only histories of the Soviet Union and Russia that begins with World War II and goes beyond the Soviet collapse through to the early twenty-first century Innovative thematic arrangement and approach allows for insights that are missed in chronological histories Draws on a wide range of sources and the very latest research on post-Soviet history a rapidly developing field Supported by further reading bibliography maps and illustrations

Human Interactions with the Geosphere Lucy Wilson, 2011 Human impact on our environment is not a new phenomenon For millennia humans have been coping with or provoking environmental change We have exploited extracted over-used but also in many cases nurtured the resources that the geosphere offers Geoarchaeology studies the traces of human interactions with the geosphere and provides the key to recognizing landscape and environmental change human impacts and the effects of environmental change on human societies This collection of papers from around the world includes case studies and broader reviews covering the time period since before modern human beings came into existence up until the present day To understand ourselves we need to understand that our world is constantly changing and that change is dynamic and complex Geoarchaeology provides an inclusive and long-term view of human geosphere interactions and serves as a valuable aid to those who try to determine sustainable policies for the future

The Politics of Fresh Water Catherine M. Ashcraft,Tamar Mayer,2016-12-08 Water scarcity is not simply the result of what nature has to offer but always involves power relations and political decisions This volume discusses the politics of the freshwater crisis specifically how access to water is determined in different regions and historical periods how conflict is constructed and managed and how identity and efforts to control water systems through development technologies and institutions shape one another The book analyzes responses to the water crisis as efforts to mitigate water insecurity and as expressions of collective identity that legitimate resist or seek to transform existing inequalities The chapters focus on different processes that contribute to freshwater scarcity including land use decisions pollution privatization damming climate change discrimination water management institutions and technology Case studies are included from North and South America Africa Asia Europe and New Zealand

East Central Europe and the former Soviet Union Michael Bradshaw,Alison Stenning,2016-04-15 A comprehensive introduction to the important economic social and political processes and development issues in this increasingly popular area of study Employing a groundbreaking thematic approach the book centres its discussion on the interrelation between contemporary development theories and continuing transition issues in this huge and complex region

Russia's Agro-Food Sector Peter Wehrheim,Klaus Frohberg,Eugenia Serova,Joachim von Braun,2012-12-06 This book analyzes the transition of Russia s agro food sector from a centrally planned system to a market oriented one The chapters set out to explain the initial conditions of transition describe the measures undertaken survey the current situation and offer perspectives on how best to continue with the reform Hence the book not only provides insights into Russia s food economy it also gives very valuable information about the process of transition and the question What next Within the Russian context the food economy is of special importance due to the relatively high share it represents in the economy and its importance for employment Furthermore the privatization and the restructuring of the country s agro food sector is one of the most controversial issues in the ongoing domestic political debate about the reform process Russia is also important in that its reintegration into the world economy is at stake Russia s Agro Food Sector Towards Truly Functioning Markets should increase the understanding of the issues causing the cumbersome implementation of reform measures and in so doing might provide scholars and policymakers with advice on how to improve the transition process In fact one of the most important lessons from the book is that markets will continue to malfunction as long as institutions are not functioning properly

Changing Properties of Property Franz von Benda-Beckmann,Keebet von Benda-Beckmann,Melanie Wiber,2009 As an important contribution to debates on property theory and the role of law in creating disputing defining and refining property rights this volume provides new theoretical material on property systems as

well as new empirically grounded case studies of the dynamics of property transformations The property claimants discussed in these papers represent a diverse range of actors including post socialist states and their citizens those receiving restitution for past property losses in Africa Southeast Asia and in eastern Europe collectives corporate and individual actors The volume thus provides a comprehensive anthropological analysis not only of property structures and ideologies but also of property and its politics in action Agricultural Markets Beyond Liberalization Aad van Tilburg, Henk A.J. Moll, A.

Kuyvenhoven, 2012-12-06 Agricultural markets have entered a long term process of liberalization with the aim of reducing imposed market imperfections such as monopolistic public trade entry barriers and subsidies The experience of more than a decade of agriculture liberalization offers a good opportunity to review and analyze the outcome of this process and to draw lessons for the future The central topic in Agricultural Markets Beyond Liberalization is the relationship between market structure and how markets perform in a dynamic context during a liberalization process The topic is studied from both a micro and macro viewpoint and refers to different types of agricultural markets This volume brings together the dynamics of agricultural markets in several parts of the world with a special focus on transition economics and Africa The different studies cover geographical areas as wide as a district as well as a group of countries and institutions from individual contracts to multi national organizations The analysis of liberalization under different circumstances and the different methods of analysis used by the authors provide a valuable foundation for the assessment of liberalization **Agrarian**

Reform in Russia Carol S. Leonard, 2010-12-06 This book examines the history of reforms and major state interventions affecting Russian agriculture the abolition of serfdom in 1861 the Stolypin reforms the NEP the Collectivization Khrushchev reforms and finally farm enterprise privatization in the early 1990s It shows a pattern emerging from a political imperative in imperial Soviet and post Soviet regimes and it describes how these reforms were justified in the name of the national interest during severe crises rapid inflation military defeat mass strikes rural unrest and or political turmoil It looks at the consequences of adversity in the economic environment for rural behavior after reform and at long run trends It has chapters on property rights rural organization and technological change It provides a new database for measuring agricultural productivity from 1861 to 1913 and updates these estimates to the present This book is a study of the policies aimed at reorganizing rural production and their effectiveness in transforming institutions
