Contours Of God From Old Testament Stories:

Contours of God Anthony Hulbert,1995 **The Message of Jeremiah** Christopher J. H. Wright,2023-08-17 The Prophet Jeremiah addressed the people of Judah and Jerusalem over a forty year period leading up to the destruction of Jerusalem in 587 BC The book of Jeremiah addressed the exiles especially those in Babylon in the years after the catastrophe First of all then says Chris Wright we must encounter Jeremiah the prophet who from his youth to old age delivered the word of God to the people of Israel at the most terrifying time in all their troubled history Understanding his times is essential to understanding his life and message Next we must strive to grasp how this enormous book the second longest in the Bible after Psalms has been put together And finally if Jeremiah spoke in his day and if the book still speaks today in both cases it is because of the God who called the man to speak and commanded the book to be written So we must encounter the God of Jeremiah an encounter that should be both profoundly disturbing and ultimately reassuring as it was for him In the end Jeremiah is a book of the victory of God s love and grace His redemptive reconstructive work fills the book s future horizon a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah and ultimately in God s dwelling with his redeemed people forever in the new creation **They Who Endure to the End** Everett Berry,2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ *Christology, Hermeneutics, and Hebrews* Jon C. Laansma,Daniel J. Treier,2012-03-01 A radical consideration of the the theological impact of the Letter to the Hebrews across the centuries (re)Aligning with God Brian D. Russell,2015-12-22 How do we communicate the message of the Scriptures in our twenty first century post Christian context re Aligning with God Reading Scripture for Church and World answers this question by presenting the Scriptures through the lens of mission and by teaching a method for reading Scripture with a missional hermeneutic The biblical story seeks to convert us to its perspective and to transform its readers and hearers into God s missional community that exists to reflect and embody God s character to for in the world Ready to revolutionize your reading of the Bible and expand your ability to unleash the Scriptures in your context re Aligning with God will give you rich content and practical tools to become a profound inspiring and confident reader of the Bible for all who are seeking to hear its good news Jesus Christ and Christian Vision Douglas F. Ottati,1995-04-15 Those interested in Christian ethics hermeneutics pragmatic philosophy American theology and historicism will find this book an essential addition to their libraries Divine Names and the Holy

Trinity R. Kendall Soulen, 2011-01-01 Includes bibliographical references p 257 284 index **The Widening of God's Mercy** Christopher B. Hays, Richard B. Hays, 2024-09-10 A fresh deeply biblical account of God's expanding grace and mercy tracing how the Bible's narrative points to the full inclusion of LGBTQ people in Christian communities Discussions of the Bible and human sexuality often focus on a scattered handful of specific passages But arguments about this same set of verses have reached an impasse two leading biblical scholars believe these debates are missing the forest for the trees In this learned and beautifully written book Richard and Christopher Hays explore a more expansive way of listening to the overarching story that scripture tells They remind us of a dynamic and gracious God who is willing to change his mind consistently broadening his grace to include more and more people Those who were once outsiders find themselves surprisingly embraced within the people of God while those who sought to enforce exclusive boundaries are challenged to rethink their understanding of God's ways The authors a father and son point out ongoing conversations within the Bible in which traditional rules customs and theologies are rethought They argue that God has already gone on ahead of our debates and expanded his grace to people of different sexualities If the Bible shows us a God who changes his mind they say perhaps today's Christians should do the same The book begins with the authors personal experiences of controversies over sexuality and closes with Richard Hays's epilogue reflecting on his own change of heart and mind *Shaped by God's Story: Making Sense of the Bible* Alan Le Grys, 2010-07-12 Study of the Bible in contemporary British society The Bible is often seen by Christians and non churchgoers as a handbook for Christian living Christian theology however also suggests that Bible reading is transformative it changes people This study explores some empirical research to test this idea *Sermons from Duke Chapel* William H. Willimon, 2005-03-02 Offers 57 diverse sermons preached in Duke Chapel by such notable figures as Billy Graham Paul Tillich and Barbara Brown Taylor and a fascinating analysis of the acoustic and visual challenges of preaching and listening at Duke Chapel *A Scenic Route Through the Old Testament* Alec Motyer, 2016-11-17 Many of us find the Old Testament daunting It seems long and very distant If the Old Testament is unknown territory to you here's just the book to get you into it Alec Motyer leads us through six key themes of the Old Testament history religion worship prophecy wisdom and God himself Each chapter shows with simplicity and warmth how important these themes are to the Old Testament and how relevant they are to our lives today At the end of each chapter there are seven short daily readings with crisp practical comments designed to help you explore that chapter's theme for yourself Read through this book with your Old Testament in front of you and you will be amazed how it speaks directly to us today in our situations and our needs The Scenic Route is a journey well worth taking Alec Motyer proves again his faithfulness and reliability as a guide to the world of the Old Testament The daily devotional Bible readings and notes make this useful for personal or group study and will provide readers not only with a good introduction to the Old Testament but also an opportunity to encounter the God of Abraham Isaac and Jacob Chris Sinkinson War in the Bible and Terrorism in the Twenty-first Century Richard S. Hess, E.

A. Martens, 2008 In February 2004 Denver Seminary's annual Biblical Studies conference addressed the question of modern war and the teachings of biblical ethics regarding it A year earlier the invasion of Iraq had taken place The questions created by the outbreak of war prompted an urgency in the consideration of the topic Association for Christian Conferences Teaching and Service ACCTS provided ethicists and practitioners from within the military of both the U S and Great Britain Hess and Martens also solicited papers from leading theologians and advocates representing pacifist and just war views They have succeeded in bringing together a group of Christians representing a wide range of perspectives to debate and discuss their heritage and biblical roots with regard to questions of war and its ethical dilemmas from publisher description The New Testament and the Theology of Trust Teresa Morgan, 2022 This study argues for the recovery of trust as a central theme in Christian theology and offers the first theology of trust in the New Testament displaying trust between God Christ and humanity as a risky dynamic forward looking life changing partnership The Cosmic Drama of Salvation Sang Meyng Lee, 2010 Revision of author's thesis Ph D Claremont Graduate University 2008 under title The cosmic drama of salvation the law and Christian Paul's undisputed writings from anthropological and cosmological perspectives *The Bible and the Dead Sea Scrolls: The scrolls and Christian origins* James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity *The Incredible Shrinking Gospel* Lee Wyatt, 2015-09-19 The church is working with a shrunken Gospel robbed of its power limited in its scope and unable to catch the interest of those it needs to reach Who is responsible More importantly how can we reclaim the full content and the powerful nature of the Gospel itself In this book retired pastor Lee Wyatt looks at the crisis in the church one he believes is caused by our loss of this full Gospel message To rebuild our understanding he then revisits Jesus helping us to become acquainted with Him and the meaning of his mission Then and only then with this rebuilt picture of Jesus does he revisit evangelism and tell us how we can turn our efforts to reach around the world Only when we have unshrunk our gospel can we successfully evangelize **The Self-Donation of God** Jack D. Kilcrease, 2013-03-20 In The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God's promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3:15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and

then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection

God's Glory in Salvation through Judgment James M. Hamilton Jr.,2010-11-04 In Exodus 34 Moses asks to see God s glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God s glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God s judgment on the Egyptians and the Caananites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God s glory in justice and mercy as it was God s righteous judgment shown on the cross that brought us salvation God s glory in salvation through judgment will be shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume s systematic method and scope make it a unique resource for pastors professors and students
