Contract On America The Mafia Murders Of John And Robert Kennedy:

Contract on America David E. Scheim, 1988 Presents evidence of long suspected Mafia culpability in the murder of John F Kennedy **The Radical Right and the Murder of John F. Kennedy** Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr Livingstone s major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called **The Hoax of the Century Decoding the Forgery of the Zapruder Film** **Dallas 50 Years On: The Murder of John F. Kennedy** Blaine Taylor, 2014-03-27 JFK had won the Presidency in 1960 by a razor thin majority and his re election campaign for 1964 was expected to be as close He began it in November 1963 with a kick off multi city four day swing across the important state of Texas It was going unexpectedly well when shots were fired into his triumphant motorcade in downtown Dallas that ripped history apart changing it forever The assassination of American President John F Kennedy in 1963 came at the very height of both the Cold War following the Second World War and the Pax Americana that was thought to exist at the

war's conclusion in 1945 The United States and its allies possessed a far greater number of nuclear weapons than their Soviet adversaries but the latter could unleash World War 3 and a nuclear Armageddon that would destroy them all The sudden and totally unexpected murder in broad daylight in an American city of one of the most popular presidents in history was the murder mystery of the 20th century The Cold War could have become hot and nuclear within minutes The murderer had to be found and vital questions had to be answered quickly Who did it why and who ordered Kennedy's assassination Was the deed part of a conspiracy foreign domestic or both Were none of these questions part of the bloody puzzle and was it entirely possible that only one man was responsible The questions remain to this very day and Dallas Fifty Years On The Murder of John F Kennedy reveals sensational new evidence eyewitness accounts and top secret documentation Coup d'Etat Jones, Barry, 2015-03-12 Coup d'Etat The Overthrow of an American President is dedicated to all those who believe the real truth behind the JFK assassination has been ignored or worse covered up This project is my attempt to answer three basic questions Why was President Kennedy assassinated Who benefitted And who had the power to cover it up Coup d'Etat makes the case that President John F Kennedy was killed by four powerful forces with interlocking interests all of which were being blocked by the President and his policies The money and accompanying intensity behind these interests united shadowy conspirators in a complicated plot to decapitate Camelot and use a diversion to cover it up afterwards It was a hostile takeover a putsch In effect it was the second American revolution the result being a violent overthrow of a duly elected legitimate government It was a Coup d'Etat **The Kennedy Brothers** Richard D. Mahoney, 2011-05-01 Eight years apart in age John F and Robert F Kennedy were wildly different in temperament and sensibility Jack was the leader charismatic ironic capable of extraordinary growth and reach yet also reckless Bobby was the fearless hardworking Boy Scout unafraid of dirty work and ruthless about protecting his brother and destroying their enemies Jack it was said was the first Irish Brahman Bobby the last Irish Puritan As Richard D Mahoney demonstrates with brilliant clarity in this impeccably documented magisterial book the Kennedys lived their days of power in dangerous trackless territory Mahoney gives us the Kennedy days and years as we have never before seen them Here are Jack and Bobby in all their hubris and humanity youthfulness and fatalism Here also is American history as it unfolds With a new foreword by David Talbot The Kennedy Brothers is a masterful account of two men whose legacy continues to hold the American imagination The Texas Connection Craig I. Zirbel, 1991 **The Kennedy Family** S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wannabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching **The Forgotten Terrorist** Mel Ayton, 2019-05 Robert F Kennedy's assassination in 1968 seems like it

should be an open and shut case Many people crowded in the small room at Los Angeles s famed Ambassador Hotel that fateful night saw Sirhan Sirhan pull the trigger Sirhan was also convicted of the crime and still languishes in jail with a life sentence However conspiracy theorists have jumped on inconsistencies in the eyewitness testimony and alleged anomalies in the forensic evidence to suggest that Sirhan was only one shooter in a larger conspiracy a patsy for the real killers or even a hypnotized assassin who did not know what he was doing a popular plot in Cold War era fiction such as *The Manchurian Candidate* Mel Ayton profiles Sirhan and presents a wealth of evidence about his fanatical Palestinian nationalism and his hatred for RFK that motivated the killing Ayton unearths neglected eyewitness accounts and overlooked forensic evidence and examines Sirhan s extensive personal notebooks He revisits the trial proceedings and convincingly shows Sirhan was in fact the lone assassin whose politically motivated act was a forerunner of present day terrorism *The Forgotten Terrorist* is the definitive book on the assassination that rocked the nation during the turbulent summer of 1968 This second edition features a new afterword containing interviews and new evidence as well as a new examination of the RFK assassination acoustics evidence by technical analyst Michael O Dell

Sons & Brothers Richard D. Mahoney,1999 This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend of Bobby s and an appointee of Jack s has both the academic and political experience necessary to evaluate evidence of the Kennedys relations with the Mafia anti Castro rebels and other groups lurking in the shadows of American life He also has a sharp eye for the brothers differing yet complementary personalities Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life threatening illness concealed from the public He looked to passionate partisan Bobby for bulldog like political support and used his brother as a moral compass when planning his administration s actions on civil rights the corruption of organized labor and the containment of Communism Their powerful father Joseph whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph s links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK s assassination Mahoney s vivid compulsively readable text offers suggestive questions rather than definitive answers but it certainly succeeds as a bracing corrective to America s inability to see its history as tragedy a failure Jack and Bobby emphatically did not share Wendy Smith

The JFK Assassination Debates Michael L. Kurtz,2006 William L Kurtz delivers a comprehensive thought provoking book about the various theories surrounding the JFK assassination favoring the conspiracy theory himself

Parkland Vincent Bugliosi,2013-09-23 An analysis of JFK s assassination and its surrounding conspiracy theories draws on forensic evidence key witness testimonies and other sources to explain what really happened and why conspiracy theories have become so popularized

The Assassination of President Kennedy Jeffrey Waggoner,1989 Examines conflicting evidence in the Kennedy Case

Kennedy: The New Frontier Revisited Mark J. White,1998-08-10 Leading Kennedy scholars along with a group of younger historians have mined recently declassified

documentation in order to re examine many of the key issues surrounding JFK s time in the White House Vietnam Cuban missile crisis Berlin crisis space race and others Rejecting the idolatry and bitterness evident in so many previous works on JFK this study adopts an evenhanded eclectic approach The result is a less caricatured more compelling view of the Kennedy presidency

Not In Your Lifetime Anthony Summers,2013-10-10 It might not be in your lifetime said the Chief Justice of the United States when asked whether the files on the assassination of President Kennedy would be made public If the President was killed by a lone gunman as the first official enquiry claimed why can we still not see all relevant records Fifty years on and the murder of the century remains unsolved Drawing on thirty years of investigation Anthony Summers examines the case in compelling forensic detail He analyses the evidence for Oswald s guilt the Mafia connection and the links to Cuba and reveals for the first time a plausible admission of involvement This updated edition of Not in Your Lifetime is the most definitive account of one of the most intractable mystery mysteries of our time

Dark Quadrant Jonathan Marshall,2021-04-09 From Truman to Trump the deep corruption of our political leaders unveiled Many critiques of the Trump era contrast it with the latter half of the twentieth century when the United States seemed governed more by statesmen than by special interests Without denying the extraordinary vigor of President Trump s assault on traditional ethical and legal norms Jonathan Marshall challenges the myth of a golden age of American democracy Drawing on a host of original archival sources he tells a shocking story of how well protected criminals systematically organized the corruption of American national politics after World War II Marshall begins by tracing the extraordinary scandals of President Truman whose political career was launched by the murderous Pendergast machine in Missouri He goes on to highlight the role of organized crime in the rise of McCarthyism during the Cold War the near derailment of Vice President Johnson s political career by two mob related scandals and Nixon s career long association with underworld figures The book culminates with a discussion of Donald Trump s unique history of relations with the traditional American Mafia and newer transnational gangs like the Russian mafiya and how the latter led to his historic impeachment by the House of Representatives

Mr. Mob Michael Newton,2009-06-08 Morris Moe Dalitz was America s most secretive and most successful mobster As a major architect of the United States national crime syndicate Dalitz was active in various fields of organized crime from 1918 until his death all while spinning a web of myth and mock respectability around himself so dense that decades after his demise most mistake the legend for reality From Prohibition era bootlegging to the Reagan years no other individual was present at so many pivotal events in gangland history It s impossible to fully understand the modern Mob without knowing about Dalitz his career and the cunning publicity campaign that transformed his image from thug to that of a revered philanthropist This exhaustive biography tells the story of Dalitz s life and the syndicate that he and like minded individuals built from scratch

Konspiration Andreas Anton,Michael Schetsche,Michael K. Walter,2024-03-29 Sp testens seit der Corona Pandemie werden Verschwörungstheorien zunehmend als gesellschaftspolitisches Problem wahrgenommen und sind zum Politikum

geworden. Wohl noch nie zuvor gab es im öffentlichen Diskurs eine derart hohe Sensibilität für das Thema, angesichts von Verschwörungen einerseits und angesichts von Verschwörungstheorien andererseits, schaukeln sich offenbar gegenseitig hoch. Dies führt zu einer anwachsenden gesellschaftlichen Polarisierung und zu einem Klima von Misstrauen, Empörung und Gereiztheit. Zehn Jahre nach der Erstauflage des vorliegenden Bandes erscheint die Analyse des gegenwärtigen Verschwörungsgedenkens dringender denn je. Im Rahmen von sechs neuen Beiträgen nimmt die erweiterte Neuauflage aktuelle Entwicklungen in den Blick. In Kombination mit den ursprünglichen Aufsätzen soll so zu einem umfassenden und differenzierten Bild des sozialen Phänomens Verschwörungstheorien beigetragen werden.

The 1960s Rebecca Jackson, 1992-12-10. The 1960s were a particularly turbulent period and the events of those years continue to interest and influence American society. This bibliography records and documents the most significant happenings of that decade. The volume spans the years between 1960 and the resignation of President Nixon in 1974. It includes citations for more than 1300 books related to that period. Some of the books were written during the 1960s and directly influenced people of that time. Others were written afterward and analyze and interpret the events of the decade. The entries are arranged in topical chapters and each citation is accompanied by a descriptive and evaluative annotation. The volume begins with an introduction that overviews and discusses the major events and trends of the time. The 17 topical chapters that follow treat virtually every aspect of life in the 1960s. The first few chapters include general works on the underlying social, political, and economic conditions that served to define the decade. Other chapters discuss works on the presidencies, social protests, the impact of the Vietnam War, the cultural revolution, and trends in art, music, literature, and religion. The bibliography concludes with author, title, and subject indexes that add to its value as a reference tool.
