The New European Private Law:Vol. 3:Essays on the Future of Private Law in Europe Martijn Hesselink,2002-10-16 In The New European Private Law Martijn W Hesselink presents a revised and supplemented collection of essays written over the last five years on European private law He argues that the creation of a common private law in Europe is not merely a matter of rediscovering the old ius commune or of neutrally establishing the present common core which may be codified in a European Civil Code Rather it is a matter of making choices some of which may be highly controversial In this book he discusses some of the most important choices which will have to be made with regard to culture principles politics models rights concepts and structure in the new European private law

The Protection of Biodiversity and Traditional Knowledge in International Law of Intellectual Property Jonathan Curci,2010 Analyses the methods of protection of biodiversity and related traditional knowledge in the international and comparative national intellectual property systems

Searching the Law, 3d Edition Frank Bae,Edward Bander,Francis Doyle,Joel Fishman,Paul Richert,2021-12-13

Basic Contract Law Lon Luvois Fuller,Melvin Aron Eisenberg,2006 The Eighth Edition continues the approach of earlier editions in emphasizing rich full bodied versions of the principal cases and a functionalist approach to the problems of contract law The new edition includes a great number of new principal cases and case notes as well as longer analytical notes on such issues as the differences between classical and modern contract law the role of the limits of cognition in contract law and the role of probability in measuring uncertain contract damages The emphasis of previous editions on international contract law continues in this new edition

International Trade & Business Law Review Gabriël Moens,2005 The International Trade and Business Law Review is the official publication of the Australian Institute of Foreign and Comparative Law The Review includes leading articles case notes and comments as well as book reviews and understanding of recent developments in international trade and transnational business The Review contributes in a scholarly way to the discussion of these issues whilst being informative and of practical relevance to business people It also promotes further development of the trading relationship between Australia and its traditional trading partners including the European Community and the APEC countries of leading international trade law practitioners and academics from the European Community the United States Asia and Australia
