Contract With A Killer:

Confessions of a Contract Killer Layla Lowe, 2016-12-20 Contract Does street justice really exist Just think about it for a minute Who do you turn to when justice has failed The underworld settles its disputes through contracts If you get out of line a contract for murder is taken out There are exceptions to the rules Some criminals hide amongst ordinary people and the underworld comes looking for them You are about to witness four tales of street justice that will have you rooting for the killer You don't think this is possible When a pedophile serial killer and others escape justice it's time to call Jack Killer If you live in London you never want a visit from Jack He lives in Brixton and has been quietly cleaning up the streets for years Some of the most heinous criminals to walk the earth have been killed by Jack If you let him tell it Jack believes that he's doing God's work On the other hand Father Patrick believes Jack is a sick maniac who confesses his crimes to him for forgiveness With each confession the two of them go deeper into a world neither of them want to go **I Hired a Contract**

Killer Aki Kaurismäki, 1990 **The Killer's Confession: Descended into Madness** Pasquale De Marco, 2025-05-06 The Killer's Confession Descended into Madness is a gripping and disturbing journey into the mind of a contract killer It is a story of violence betrayal and redemption Pasquale De Marco has spent years interviewing killers and his insights into their world are both fascinating and terrifying He shows us how killers think how they operate and how they justify their actions The Killer's Confession Descended into Madness is not for the faint of heart It is a graphic and unflinching look at the dark side of human nature But it is also a story of hope It shows us that even the most hardened criminals can change and that redemption is possible even for the most heinous crimes In The Killer's Confession Descended into Madness Pasquale De Marco tells the story of James Jimmy Keene a contract killer who has murdered over 20 people Keene is a complex and contradictory figure He is a cold blooded killer but he is also a loving father and husband He is a man who has committed unspeakable crimes but he is also capable of great kindness Keene's story is a cautionary tale about the dangers of violence It is a story about the power of redemption And it is a story about the human capacity for both good and evil The Killer's Confession Descended into Madness is a must read for anyone who is interested in the dark side of human nature It is a book that will stay with you long after you finish reading it If you like this book write a review on google books The Hawala
