Contraptions Monday Morning:

Break Away Chad Arthur, 2009-08 Growing up on the mean city streets sixteen year old Trey Carter learned the law of natural selection very well He realized that to survive he had to strike first and strike hard That approach earned him the respect of his friends and enemies alike until the day a fight went too far and his hardcore mentality landed him in jail With a drug addicted mother and a father he has never met his only chance for release from the juvenile detention center is to move to rural West Virginia and live with his estranged grandfather the very man he blames for every problem in his life In the novel Break Away Chad Arthur takes the reader every step of the journey with Trey Carter as he fights his own resentment and tries to outrun the demons of his past in search of a better life Break Away is a realistic story of redemption and loyalty that readers of all ages will enjoy Cheer Trey one moment and scream at him in frustration the next as he tries to adjust to life away from the big city and discover what it really means to be a family This is an eLIVE book Each printed copy contains a special code redeemable for the free download of the audio version of the book **Something about the Author** Kevin S.

Christians! Win Groseclose, 2010-03-29 There are many things that Christians are to be loving gracious forgiving meek bold self controlled etc but nice is not amongst them Yet the Christian church has often chosen to be permissive instead of loving self centered instead of gracious self interested instead of gracious and hospitable and worldly instead of holy The work of the church is to revolve around the Gospel not program after program and the Gospel is about making men right with God not about increasing the membership of a church to support building projects and large staffs Part of the role of the pastor and teacher is to speak truth into the culture and into the church Such is the purpose behind the essays contained in this book My hope in sharing them is that they may serve as a reality check for those outside of my own fellowship The word nice is derived from the Latin word meaning without knowledge it is my hope that no serious Christian is ever guilty of such a label
